## CHAPTER 15

**DISBURSING OFFICER ACCOUNTABILITY REPORTS**

## 1501 GENERAL

## 150101. Overview

A. [Financial Reports](#). All disbursing officers (DOs) are accountable to the Treasury for the cash and cash equivalent items (including receivables) in their possession. DOs are required to submit financial reports to support the Department of Defense (DoD) accountability to the U.S. Government for all public funds collected and disbursed. These reports are the basis for official audits and settlement of accounts by the U.S. Government Accountability Office, and provide information to maintain administrative accounting controls.

B. [Accountability Reports](#). DOs maintain their daily accountability on the DoD [\(DD\) Form 2657](#), Daily Statement of Accountability. The DO's official monthly accountability is recorded and reported on the Standard Form [\(SF\) 1219](#), Statement of Accountability. DOs report disbursement and collection transactions on both the DD 2657 and the SF 1219, with collections reported as net of disbursements on the SF 1219. Every DO must keep detailed records of all transactions. These records must be available for examination by authorized representatives.

## 150102. Purpose

This chapter provides the policy, guidelines, and forms to record daily and monthly accountability for cash items (and receivables) in the DO's possession. In addition, it provides requirements for submission and distribution of financial reports and retention of disbursing office records, and defines the accounting period.

## 150103. Authoritative Guidance

Under Title 31, United States Code (U.S.C.), [section 3513](#), the Secretary of the Treasury prepares reports required to inform the President, Congress, and the public on the financial operations of the U.S. Government. On a monthly basis, the head of each executive agency must provide the Secretary of Treasury reports and information relating to the agency's financial conditions and operations. See Treasury Financial Manual (TFM), Volume 1, Part 2, Chapter 3100 ([1 TFM 2-3100](#)).

## 1502 POLICY

## 150201. Balancing of Accounts

A. [DOs](#). DOs keep documents representing cash in their vault or safe and account for them daily on the DD 2657 and monthly on the SF 1219. The DD 2657 represents the permanent

written record of the DOs daily balance of cash in their possession. When accounts are inspected, DOs must present the DD 2657 to the inspectors for examination.

B. Deputies, Cashiers, and Disbursing Agents. Deputies (DDOs), cashiers, and disbursing agents perform most DO cash transactions. The DO or primary DDO balances all DDOs, cashiers, disbursing agent, paying agent, and collections agents daily, using the DD Form 2665, Daily Agent Accountability Summary. The DD 2665 represents the report of their accountability to the DO, and preparation of this form is based on a physical count of all cash and negotiable instruments in their possession.

150202. Deputies, Cashiers, and Disbursing Agents at Remote Locations

DDOs, cashiers, and disbursing agents who are geographically distant from the DO (e.g., DO in Indiana and agent in Afghanistan) are still required to record transactions by preparing a DD 2665; however, they need not submit the DD 2665 to the DO on a daily basis. DOs will establish the timing of agent turn-ins for their operations. Agent turn-ins must include all DD 2665s, supporting documentation (e.g., collection vouchers, disbursement vouchers, and deposit tickets), and DD Form 1081, Statement of Agent Officer's Account.

150203. Navy Vessels

DOs aboard Navy vessels balance their cash using the DD 2657. The DDOs, cashiers, and disbursing agents must use DD 2665 to balance at least weekly, immediately before and after each payday, the last day of each month, and anytime the DO suspects that an irregularity has occurred. When workload and staffing conditions allow, DOs aboard Navy vessels should balance cash accounts for all DDOs, cashiers, and disbursing agents daily.

1503 DAILY AGENT ACCOUNTABILITY SUMMARY (DD 2665)

The DD 2665 is a stand-alone document that provides a complete picture of a DDO's, cashier's, or disbursing agent's accountability transactions from day to day. Each DDO, cashier, and disbursing agent prepares a DD 2665 for each day during which he/she transacts business. They must summarize that day's business and record the transactions in U.S. dollar (USD) values. Paying agents appointed to work with contracting for contingency operations need to prepare a DD 2665 on the day they turn-in all their business to the DO. To the extent possible, avoid performing a turn-in during the middle of a business day. If a turn-in for the middle of the day is necessary, prepare a DD 2665 up to and including the turn-in period; prepare another DD 2665 for the portion of the business day after the turn-in. Preparation instructions and an example of a DD 2665 are provided in Figure 15-1.

1504 STATEMENT OF AGENT OFFICER'S ACCOUNT (DD 1081)

150401. Overview

Agent officers (DOs, cashiers, and disbursing agents) prepare a DD 1081, as a summary of cash transactions and receipt for cash and vouchers on hand (between DOs and their agent

officers). This form is prepared when a DO is advancing funds to an agent and is also used to summarize cash transactions for the period covered by the turn-in. When the agent officers settle their account, the DO or principal DDO verifies the DD 1081, signs the original and a copy of the form, keeps the original form and supporting documents, and returns the signed copy of the form to the agent officer. The DO or principal DDO must perform a physical count of cash at the time of the turn-in or settlement. The agent officer keeps the signed copy as a record of the opening cash balance for the next period of duty and for record purposes if the account is balanced to zero. Preparation instructions and an example of a DD 1081 are provided in Figure 15-2.

#### 150402. Electronic Submission of DD 1081s in Contingency Locations

Subject to the approval of the parent DO, paying agents in remote operational contingency locations may transmit electronically scanned or facsimile copies of the DD 1081 to the parent disbursing office. A paying agent is solely responsible to ensure that all documentation is legible and that:

- A. The scanned or facsimile copies were produced from original documents and cannot be altered;
- B. The copies are retained until the applicable retention period expires; and
- C. Access to the images is limited to authorized personnel.

In cases of paying agents transmitting documents electronically, the DO must verify the electronic submissions are in fact from the paying agent. Further, the DO is responsible to ensure that adequate internal controls are implemented to prevent the posting of duplicate items when receiving electronic and original documents from the operational contingency location. The DO must also provide for the confirmation and acceptance of digitally signed documents, and the return of the accepted DD 1081 to the agent.

#### 1505 DAILY STATEMENT OF ACCOUNTABILITY (DD 2657)

The DD 2657 summarizes the total disbursements and collections made during the business day by the DO and all DDOs, cashiers, and disbursing agents. Section I of the DD 2657 reflects the total DO accountability to the Treasury at the end of each business day. If disbursing operations were to cease, the total amount listed in Section I for the last operational business day would be the amount that the Treasury would seek to recover from the DO. Preparation instructions and an example of a DD 2657 are provided in Figure 15-3.

#### 1506 STATEMENT OF ACCOUNTABILITY (SF 1219)

The SF 1219 summarizes totals of all receipts and expenditures of public funds occurring during an accounting period and the status of the DO's account at the close of that period. An accounting period normally begins on the first day of each calendar month and ends on the last day of that month. Preparation instructions and an example of a SF 1219 are provided in Figure 15-4.

## 1507 FINANCIAL REPORTS

## 150701. Overview

A. Accounting Period. DOs submit financial reports to the Defense Finance and Accounting Service (DFAS) on a calendar month basis, except for months during which accountability begins or ends on other than the first or last day of a month.

1. For a new disbursing office, the accounting period begins on the first day official business is transacted. When one DO relieves another, the accounting period for the relieved officer ends on the date of relief. The accounting period for the relieving officer normally begins on the next calendar day. Whenever possible, relief of a DO should occur on the last day of a month to preclude the need to submit an additional set of financial reports for that month.

2. An accounting period may not extend beyond the end of a calendar month. Exceptions to the calendar month accounting period may occur when a DO is relieved from disbursing duty before the last day of a month or commences disbursing duty on other than the first day of a month. The first day of the accounting period coincides with the date of commencement of disbursing duty notification forwarded under Chapter 2, [subparagraph 020406.B.5](#). For any month during which accountability ends because of a Disbursing Station Symbol Number (DSSN) closing, the DO must submit the financial reports from the first day of the month through the date of closing.

B. Adjustments. DOs are allowed to submit supplemental reports to Treasury to adjust prior period reporting, make corrections to the original reporting, or report additional current month transactions as outlined in the 1 TFM 2-3100.

C. Submission of DO's Financial Reports. DOs submit financial reports to the supporting DFAS site following instructions provided by that site.

## 150702. Submission of Financial Reports to DFAS Sites

A. Requirement for Quarterly Submission of the SF 1219. On a quarterly basis, and upon relief of a DO, a copy of the SF 1219 is required to be mailed to DFAS Disbursing Policy, DFAS Indianapolis (DFAS-ZPFA/IN), 8899 East 56th Street, Indianapolis, IN 46249-5000 or emailed to [dfas-in.disbursingpolicy@mail.mil](mailto:dfas-in.disbursingpolicy@mail.mil). If the SF 1219 submission is accompanied with an advisement of the relief of a DO, a copy of the SF 1219 and DO relief information is also required to be mailed to DFAS [Enterprise Solutions and Standards](#), Disbursing (DFAS-JJFKCB/IN), DSSN Management, 8899 East 56th Street, Indianapolis, IN 46249-5000 or emailed to [dfas.indianapolis-in.jjf.mbx.ess-disbursing@mail.mil](mailto:dfas.indianapolis-in.jjf.mbx.ess-disbursing@mail.mil).

B. Requirement for submission of the DD 2667. When a DDO, cashier, disbursing agent, paying agent, collection agent, or imprest fund cashier has a physical loss of funds, forward the [DD Form 2667](#), Subsidiary Accountability Record, to DFAS-ZPFA/IN within five calendar days after the end of each month (see Chapter 6, [subparagraph 060402.B.2](#)).

## 1508 DISBURSING OFFICE RECORDS

### 150801. [DFAS Record Retention](#)

The supporting DFAS site examines all financial reports and sends them to the nearest federal records center for retention based on record retention requirements and storage availability at the DFAS site.

### \*150802. [DoD Record Retention](#)

A. Volume 1, Chapter 9, [section 0902](#) provides document retention requirements applicable to financial records. The retention requirements for Federal entities are further defined in [44 U.S.C. 21](#) and the National Archives and Records Administration (NARA) [General Records Schedule](#). The DoD has also developed supplementary guidance in [DoD Directive 5015.02](#), DoD Records Management Program.

B. DOs must apply the most stringent record retention requirements to support accounting records of initial entries and support records such as checks, electronic fund transfers (EFT), and invoices (see [Financial Improvement Audit Readiness Guidance](#)), and maintain them until all outstanding issues are resolved. Before disposal of contingency operations documents, DOs must contact their legal counsel for document retention in excess of the NARA and DoD guidance for financial records in Volume 1, Chapter 9, [section 0902](#). Records must be available and accessible to all authorized users. Additionally, a DO or designated settlement official must keep records to complete the reconciliation of payment or collection discrepancies until resolved.

### 150803. Other Records

A. Original Disbursing Office Records. Original disbursing office records include, but are not limited to:

1. Disbursement and collection vouchers including supporting documents (e.g., invoices, receiving reports, purchase orders or contracts, and lodging receipts);
2. [Voucher Control Logs](#);
3. DD 2657;
4. SF 1219;
5. DD 2665;

6. Check issue records and reports;
7. Limited Depository Account (LDA) records and reports;
8. Deposits of negotiable instruments;
9. Deposit tickets and debit vouchers;
10. Appointments and revocations of accountable individuals;
11. Payroll deposit transactions to individual service members' local pay accounts that are accessed via shipboard cash dispensers (automated teller machines);
12. Any other document record, log, or electronic file that supports disbursing transactions that affects the accountability of the DO or other accountable individual; and
13. Local check cashing policies and agreements.

**B. Other Records Retention.** The requirement for retaining original records applies to any record a DO receives that accompanies payment or collection transactions, or supports financial reports. The requirement applies to both paper and electronic records kept as original supporting documents at both the functional and disbursing offices. Certifying officials send electronic payment files to only the DO and keep supporting documentation in accordance with the guidance referenced in paragraph 150802. For Foreign Military Sales document record retention, see Volume 15, Chapter 6, [paragraph 060402](#).

1. Hardcopy and electronic records storage controls must be in place by the disbursing office to ensure that only authorized personnel have access to any paper documents and electronic images.

2. Original disbursing office records and supporting documents in electronic format are a form of record retention. Duplicate copies of disbursement and collection vouchers and associated supporting documents may be retained as necessary at the DO's discretion.

**C. Unclassified Records.** Individual records may be unclassified, but sometimes when information is aggregated, the security classification may change. Unclassified records do not require special security or storage controls and may be stored in open files or cabinets. Store these records with controls that readily identify:

1. Records that have been removed from the files;
2. The name of the individual(s) who removed the records;
3. The date the records were removed;

4. The name of the individual(s) who returned the records;
5. The date the records were returned; and
6. Other information needed to contact the responsible individual(s), (e.g., organization, address, telephone number, and email address to ensure that records are returned timely).

150804. Transfer and Disposition of Retained Disbursing Office Records

A. Nontactical Disbursing Offices. Transfer all disbursing office records to the incoming (relieving) DO as a part of the relief process described in Chapter 2, [paragraph 020406](#). When a disbursing office is deactivated, package and mail all disbursing office records to the office designated to settle the accounts.

B. Tactical Units and Naval Vessels

1. Detachment with Relief. When a DO of a tactical unit or naval vessel is relieved from disbursing duty, the incoming DO keeps the outgoing DO's disbursing records for 90 days from the date of relief. After the 90-day period, the incoming DO packages the disbursing records and sends them to the supporting DFAS site or alternate site designated by DFAS for retention until the expiration of the required retention period. For deployed units, the 90-day period begins after the unit or vessel returns to homeport.

2. Detachment without Relief. When a DO of a tactical unit or naval vessel is relieved from disbursing duty due to deactivation of the disbursing office or when a vessel or unit is decommissioned from service, the DO must package and send all disbursing office records to the supporting DFAS site or alternate site designated for retention.

3. Shipment of Retained Documents. To facilitate shipment of retained records, DOs of tactical units and naval vessels file retained records in these categories:

- a. Public vouchers other than payroll vouchers;
- b. Payroll vouchers with supporting documents;
- c. Collection vouchers and supporting documentation;
- d. Checking accounts records, to include records of checks drawn. These records include SF 1179, Month End Check Issue Summary; Financial Management Service (FMS) Form 5206, Advice of Check Issue Discrepancy, with related correspondence; and Optional Form [\(OF\) 1017-G](#), Journal Voucher, with related correspondence;
- e. DD 2657;
- f. [SF 1149](#), Statement of Designated Depository Account;

- g. SF 1219;
- h. Instruments deposited;
- i. SF 1184, Unavailable Check Cancellation;
- j. Debit Vouchers;
- k. Certificate of revaluation of foreign currency;
- l. Quarterly reports on the status of suspense accounts; and
- m. Other miscellaneous retained disbursing documents.

Figure 15-1. DD 2665, Daily Agent Accountability Summary (Continued)

### **Preparation Instructions for DD 2665, Daily Agent Accountability Summary**

Prepare the form in an original only as a permanent record (typed or printed in ink). State all totals in USDs. DDOs, cashiers, and disbursing agents prepare a DD 2665 each day the disbursement office transacts business (except as provided in section 1503).

**Item 1. Date.** Enter the business date of the DD 2665.

**Section I – Summary of Daily Accountability Transactions.** This section summarizes all transactions affecting cash accountability since the last turn-in to the DO. Record daily and cumulative balances to date since the last turn-in unless otherwise indicated in these instructions. Cumulative totals in this section represent cumulative amounts since the last turn-in and are not cumulative for an accounting period unless turn-ins are only at the end of a calendar month.

**Line 1: Accountability – Beginning.** In column c, Today, enter the ending accountability balance from line 15 of column c of the previous business day. In column d, Cumulative, enter the ending accountability from line 15 of column d of the DD 2665 prepared immediately following the last turn-in to the principal. The beginning accountability balance in column d does not change until preparation of the DD 2665 immediately following the next turn-in to the DO.

#### **Increase:**

**Line 2: Advances.** Enter the amount of advances received during the business day in sub-item a, Cash; sub-item b, Prepositioned Checks; and sub-item c, Other. In column c, enter the total of the amounts entered in line 2 (sub-item a, b, and c). In column d, enter the sum of the amount entered in column c, plus the amount in column d of this line from the previous business day. If this is the first DD 2665 prepared after a turn-in to the principal, the amount entered in columns c and d must equal.

**Line 3: Vouchered Collections.** In column c, enter the total vouchered collections made during the business day (see Chapter 8, subparagraph 080301.B). Do not enter non-vouchered collections on this line. In column d, enter the sum of the amount entered in column c and the amount in column d of this line from the previous business day. If this is the first DD 2665 prepared after a turn-in to the DO, the amount entered in columns c and d must equal.

**Line 4: Treasury Check Issues.** In sub-item a, Vouchered, enter the value of vouchered Treasury check issues; in sub-item b, Other, enter the value of vouchered check issues. In column c, enter the total of all Treasury checks issued from sub-item a. The amount entered in column c must equal the sum of the amounts entered in sub-item a. In column d, enter the sum of the amounts entered in columns c and d of this line from the previous business day. If this is the first DD 2665 prepared after a turn-in, the amount entered in columns c and d must equal. This line is for use only by DDOs authorized by the DO to issue Treasury checks.

Figure 15-1. DD 2665, Daily Agent Accountability Summary (Continued)

Line 5: Transfers from Other Disbursing Officers. In column c, enter the total of cash or other cash accountability items received from another DSSN during the business day. In column d, enter the sum of the amount entered in column c and the amount in column d of this line from the previous business day. If this is the first DD 2665 prepared after a turn-in to the principal, the amounts entered in columns c and d must equal.

Line 6: Exchange Gain Accumulations. In column c, enter the value of any gains from revaluation of foreign currency on hand, or rounding gains involved in exchange transactions not vouchered [on line 3](#) (see Chapter 13, [subparagraph 130402.D.1](#)). In column d, enter the sum of the amount entered in column c and the amount in column d of this line from the previous business day. If this is the first DD 2665 prepared after a turn-in to the principal, the amount entered in columns c and d must equal. Voucher accumulated exchange gains before any turn-in to the principal.

Line 7: Other (Explain). In column c, enter the value of any other increases in accountability (e.g., deferred or returned vouchers) or a cash overage that will not be vouchered until the next business day. Explain [the other increases to the accountability](#). In column d, enter the sum of the amount entered in column c and the amount in column d of this line from the previous business day. If this is the first DD 2665 prepared after a turn-in to the principal, the amount entered in columns c and d must equal.

Line 8: Total Increases. In both columns c and d, enter the respective total of lines [2 through 7](#).

Line 9: Gross Accountability. In column c, enter the sum of column c amounts on lines 1 and 8. In column d, enter the sum of column d amounts on lines 1 and 8.

Decrease:

Line 10: Transfers to Other Disbursing Officers. In column c, enter the total of cash or other cash accountability items transferred to another DSSN during the business day. In column d, enter the sum of the amount entered in column c and the amount in column d of this line from the previous business day. If this is the first DD 2665 prepared after a turn-in to the principal, the amount entered in columns c and d must equal.

Line 11: Exchange Loss Accumulations. In column c, enter the value of any losses incurred during the business day as a result of revaluation of foreign currency on hand or rounding losses involved in exchange transactions not vouchered immediately. In column d, enter the sum of the amount entered in column c and the amount in column d of this line from the previous business day. If this is the first DD 2665 prepared after a turn-in to the principal, the amount entered in columns d and c must equal. Accumulated exchange losses must be vouchered before any turn-in to the principal.

Figure 15-1. DD 2665, Daily Agent Accountability Summary (Continued)

Line 12: Other (Explain). In column c, enter the value of valid decreases in accountability during the business day not covered on lines 10 and 11 (e.g., a cash shortage) that will not be vouchered until the next business day. Explain the other decreases to accountability. In column d, enter the sum of the amount entered in column c and the amount in column d of this line from the previous business day. If this is the first DD 2665 prepared after a turn-in to the principal, the amounts entered in columns c and d must equal.

Line 13: Returns to Principal. Complete this line only on the first DD 2665 prepared after a turn-in. Enter the total value of accountability items turned in to the principal in sub-items a, Paid Vouchers; b, Deposit Tickets; and c, Other Returns (Explain).

Line 14: Total Decreases. In both columns c and d, enter the respective total of the amounts entered on lines 10 through 13.

Line 15: Accountability – Ending. In both columns c and d, enter the difference derived by subtracting the amount on line 14 from the amount on line 9. The resulting amounts (ending accountability) in columns c and d must be equal.

Section II – Distribution of Agent Accountability. This section shows the make-up of all items for which a DDO, cashier, or disbursing agent is accountable to the principal. Enter the items on the appropriate line (16 through 31) that describes the accountable item in column c, Accountability Before Transfers. When the DD 2665 is the first form prepared after an agent turn-in, enter the amount of the turn-in on the appropriate lines in column d, Returns to Principal; otherwise, leave column d blank.

a. If no agent turn-in is entered in column d, leave column e, Accountability After Transfers, blank. The amount in column c is the final accountability for the day.

b. If there is an entry in column d for any of the lines in this section, complete column e. Compute the entry on each line of column e by subtracting the amount in column d from the amount in column c. Add the amounts in each of the three columns and enter the respective totals on line 32. To prove the computations and totals entered on line 32 are correct, subtract the total in column d from the total in column c. The result must equal the total on line 32 in column e.

Line 16: Limited Depositary. Enter the USD value of the current LDA balance (see Chapter 14, paragraph 140309). In the spaces provided, enter the number of foreign currency units and the exchange rate at which the foreign currency units are valued.

Line 17: Cash on Hand (U.S.). Enter the amount of U.S. currency and coin on hand.

Line 18: Cash on Hand (Foreign). Enter the USD value of foreign currency and coin on hand (see Chapter 13, paragraph 130701). In the spaces provided, enter the number of foreign

Figure 15-1. DD 2665, Daily Agent Accountability Summary (Continued)

currency units and the exchange rate at which the foreign units are valued for both accommodation exchange cash and operating cash.

Line 19: Prepositioned Treasury Checks. Enter the total value of prepositioned Treasury checks on hand. These checks are issued as advances to an agent that the latter has not negotiated. If the agent is a DDO with authority to issue Treasury checks, do not enter the Treasury checks issued by the agent/DDO that have not been delivered to payees.

Line 20: Negotiable Instruments (U.S.). Enter the value of all undeposited USD negotiable instruments on hand in the agent's office (see Chapter 7, paragraph 070202). Include all negotiable instruments (e.g., personal checks, Treasury checks, money orders, and Supplemental Nutrition Assistance Program (SNAP)) accepted for debts owed to the U.S. Government and accommodation exchange.

Line 21: Negotiable Instruments (Foreign). Enter the USD value of undeposited negotiable foreign instruments on hand in the agent's office. In the spaces provided, enter the number of foreign currency units represented by the negotiable instruments and the exchange rate at which the foreign instruments are valued.

Line 22: Military Payment Certificates. Line is not applicable since Military Payment Certificates are no longer used.

Line 23: Paid Vouchers. Enter the value of paid disbursement vouchers on hand in the agent's office. Do not include OF 1017-G on this line.

Line 24: Funds in Transit. Enter the value of funds in transit to or from another DSSN (e.g., cash not yet received for which Treasury checks have been issued, mutilated or decomposed currency forwarded to a Federal Reserve Bank (FRB) (or in the case of foreign currency, to the central DO)) for which reimbursement has not yet been received, and cash transferred to other DSSNs for which a U.S. Treasury check has not yet been received. Enter increases as positive amounts and decreases as negative amounts.

Line 25: Funds with Subagents. Primary agent advancing of funds to any type of subagent does not generally change the overall primary agent accountability. For example, an increase on this line representing a cash advance to a subagent is offset by a decrease to lines 17 or 18, as appropriate. However, if the primary agent is a DDO authorized to issue Treasury checks and the advance to the subagent is by a U.S. Treasury check issued by that agent, record the advance on line 4 of section I as a U.S. Treasury check issue. When the subagent returns funds or paid vouchers, record the return as a decrease to this line, offsetting this decrease by an increase to the appropriate line in this section (e.g., cash on hand or paid vouchers).

Line 26: Deposit Tickets (Not LDA). Unlike deposits by a DO, agent deposits to an FRB or Treasury's General Account (TGA) do not officially reduce the agent's accountability. The agent's accountability is reduced only when the principal receives the applicable confirmed

Figure 15-1. DD 2665, Daily Agent Accountability Summary (Continued)

deposit tickets. Enter the value of all deposit tickets on hand for deposits made to an FRB or TGA during the business day. Do not enter deposits to an LDA on this line.

Line 27: Dishonored Checks Receivable. Enter the value of dishonored checks received from the principal that are or were retained in the agent's accountability. **Disbursing** agents deposit checks for credit to the DSSN. Any checks dishonored will be returned to the DO by the depository on a debit voucher. The DO reduces DD 2657 line 4.2A and increases line 6.5 for the agent that deposited the check. The agent records the dishonored check as an increase to this line and either retains it until recoupment is made in an accommodation transaction or removed from accountability by processing a reverse **DD Form 1131**, Cash Collection Voucher, and returning it to the functional area or collection activity from which received (see Chapter 4, **paragraph 040403**). A decrease to this line applies when the amount of the dishonored check is recouped, when the receivable is cleared by a reverse DD 1131, or when an uncollectible receivable is processed for removal from accountability as provided in Chapter 6, **subparagraph 060402.B.1**.

Line 28: Check Overdrafts Receivable. Generally, **DDOs** authorized to issue Treasury checks are also responsible for collecting the amount of any check issue overdrafts applicable to checks they have issued. They receive these amounts as advances from the DO, with a copy of the FMS 5206, and record them on this line. Enter the value of check overdrafts being carried by the agent **DDO**. As a matter of expediency, the DO may choose to adjust FMS 5206 attributable to agent Treasury check overdrafts without transferring accountability back to the agent. Make such adjustments directly to the DOs DD 2657.

Line 29: Loss of Funds. Enter the value of agent losses of funds. Generally, the agent follows loss of funds procedures in Chapter 6, **subparagraph 060402.B.3**, reporting to the DO instead of the supporting DFAS site. Transfer agent losses recouped immediately to the DO for recording on the DD 2657; record the transfer in column d. This does not relieve the agent of liability for the loss; it is for recording purposes only.

Line 30: Deferred Vouchers. Enter the value of agent-deferred and incorrect vouchers returned from the DO on hand. An agent-deferred voucher can occur when the agent makes a payment but cannot include the voucher in their next scheduled turn-in. This normally occurs because of an error on the voucher that can only be corrected by contacting the payee. Establish the deferred voucher as an increase to this line and an offsetting decrease to line 23. When the deferred voucher is corrected, either transfer it back to line 23 pending turn-in to the principal, or retain it on this line until the next scheduled turn-in. **Disbursing** agents record vouchers returned for correction as memorandum entries in section IV, line 41.

Line 31: Other (Explain). Enter the value of other agent accountability items not covered by lines 16 through 30. Describe the items in the space provided in column b.

Line 32: Total Agent Accountability. Enter the total of the values entered on lines 16 through 31. It must equal the total entered in section I, column c, line 15. A turn-in to the DO recorded in section I, line 13 must also appear on the applicable lines in section II, column d,

Figure 15-1. DD 2665, Daily Agent Accountability Summary (Continued)

with the amounts for each line in column e computed and entered. Enter the total of the values on lines 16 through 31 of columns d and e. The total entered in column d must equal the total entered in section I, column c, line 13, and the total entered in column e must equal the total entered in section I, column c, line 15.

Section III – Location of Cash/Negotiable Instruments. Enter the location and value of agent accountable items (both U.S. and foreign currency and coin) in this section.

Line 33: Agent. Enter the value of accountable items located in the agent's safe in the applicable column.

Line 34: Deputy Agent. Enter the value of accountable items located in the DDO agent's (or subagent's) safe in the applicable column.

Line 35: Cashier. Enter the value of accountable items located in the cashier's safe in the applicable column.

Line 36: Other (Specify). Enter other locations where accountable items are stored in the space provided in column b and the values of these items in the applicable column.

Line 37: Totals. Enter the totals of columns c through g. Also, ensure the totals reconcile to section II, lines 17 through 22 and 25.

Item 2. Name of Agent. The agent types or prints his or her name.

Item 3. Address of Agent. The agent types or prints his or her duty location.

Item 4. Signature of Agent. The agent signs to attest to the accuracy of their accountability.

Section IV – Memorandum Agent Accountability. This section includes memorandum-type information that is an official part of the agent's accountability data reflected in other areas of the DD 2665.

Line 38: Deposit Tickets on Hand. Enter each deposit ticket number and amount on hand since the last turn-in to the principal.

Line 39: Paid Vouchers on Hand. Enter the voucher numbers of paid agent vouchers on hand at the end of the business day. Paid agent vouchers do not decrease agent accountability until they are turned into the principal. Also enter disbursement voucher numbers not used, duplicated, or voided.

Line 40: Collection Vouchers on Hand. Enter the voucher numbers of agent collection vouchers on hand at the end of the business day. Note, unlike disbursement vouchers, collection vouchers are not part of agent accountability but the instruments collected (e.g., cash, checks)

Figure 15-1. DD 2665, Daily Agent Accountability Summary (Continued)

are. The agent prepares collection vouchers to document all collections received and also ensures the turn-in of original and required copies are forwarded to the servicing DFAS site with the DO's financial reports. Also, enter collection voucher numbers not used, duplicated, or voided.

Line 41: Vouchers Returned for Correction (On Hand). Enter the vouchers returned by the DO for correction to increase an agent's accountability. The agent is responsible for correcting and returning the vouchers to the DO. Record the applicable disbursement and collection voucher numbers not yet corrected and returned to the DO.

Line 42: Treasury Check Stock on Hand. A DDO authorized to issue Treasury checks, enters the inclusive check number of all blank Treasury check stock on hand at the end of the business day.

Line 43: Agent Remarks. Enter any necessary remarks at the agent's discretion or the direction of the principal.

The DO or agent officer prepares this form to account for an advance or return of funds and/or cash vouchers to the DO. Prepare this form in an original only as a permanent record (typed or printed in ink).

**Preparation of DD 1081 by the DO.** A DO prepares an original and two copies of the DD 1081 to account for an advance of funds and/or cash vouchers from the DO. Identify the DO and agent officer in the two blocks under the form title.

**Transactions Affecting Agent Officer's Account.** Show cash transactions that increased the accountability of an agent officer in the Increase column. Show cash transactions that decreased the accountability of an agent officer in the Decrease column. Enter all totals in USDs.

**Line 1: Balance Forward.** The balance brought forward should equal the amount on line 12, column e, Ending Balance (In Agent's Account), of the last DD 1081. If this is a subsequent advance and the last DD 1081 was not for a return, the beginning balance would be the total on line 12, column c, Beginning Balance (In Agent's Account), of the last DD 1081. If no DD 1081 has been submitted, the beginning balance is zero.

**Line 2: U.S. Dollars and 3: Foreign Currency.** In column c, enter on the appropriate line the amount of currency included in the current advance. Enter the foreign currency units and conversion rate on line 3, column a. Show the USD value of the foreign currency units on line 3, column b, Increase.

**Line 4: Military Payment Certificates.** Line is not applicable since Military Payment Certificates are no longer used.

**Line 5: Collections.** Only use column d, Decrease (Turned in by Agent), for collections.

**Line 6: Deposits.** Only use column d for deposits.

**Lines 7A: Treasury Checks and 7C: Other (Specify).** In column b, enter the amount of U.S. Treasury checks and/or any other negotiable instruments included in the advance. As space permits, enter the check number(s) on the corresponding line, continuing the list on the reverse of the form if necessary.

**Line 7B: Military Payment Orders.** Line is not applicable since Military Payment Orders are no longer used.

**Line 8: Paid Vouchers.** As appropriate, use only for return of paid vouchers in columns c, d, or e.

### **Preparation Instructions for DD 2657, Daily Statement of Accountability**

Every DO prepares and keeps an original DD 2657 for each day they transact business. Prepare this form in an original only as a permanent record (typed or printed in ink). The DD 2657 may be provided to other functional areas for reconciliation of cumulative disbursement and collection totals with the daily accounting records. Other functional areas must return the DD 2657 for filing.

Item 1. DSSN. Enter the DO's DSSN.

Item 2. Date. Enter the business date the form is being prepared.

### **Section I – Transactions Affecting Accountability**

Line 1.0: Accountability – Beginning of Day. Enter the end of day accountability from line 5.0 of the DD 2657 for the previous business day in column c, Today. Enter the month-to-date amount from line 5.0 of the SF 1219 for the previous month. The amount entered in column d, Month-to-Date, must be the same on each DD 2657 prepared during the month.

#### Increase:

Line 2.1A: Checks Issued in Payment of Vouchers. In column c, enter the total value of Treasury checks issued during the business day to pay vouchers including regular and special payrolls and the value of any check issue adjustments. Support all check issue adjustments with FMS 5206 or OF 1017-G (see Chapter 7, [section 0715](#)). Note: When a DD 2657 is prepared for the first day of a month, enter the amount normally placed in column c into column d; otherwise, add the column c amount to column d amount from the previous day's DD 2657, and enter the total in column d.

Line 2.1B: Checks Issued – All Others. In column c, enter the total value of Treasury checks issued during the business day for purposes other than voucher payments including check issue adjustments affecting such checks, e.g., checks written to obtain operating cash, for purchase of foreign currency, or for providing funds to [paying](#) agents. Support all check issue adjustments with a FMS 5206 or OF 1017-G. See note from line 2.1A.

Line 2.3: Other Transactions (Do not report on SF 1219). Enter unexplained overages during the business day for vouchering on the next business day. Do not enter overages occurring on the last day of the month on this line. Do not report amounts entered on this line on line 2.3 of the SF 1219.

**a.** When preparing the voucher on the next business day, decrease the amount on this line and increase line 4.1E (4.1D if collected to a receipt account). In some instances, such as collections from dining facilities, assign only one collection voucher number

Figure 15-3. DD 2657, Daily Statement of Accountability (Continued)

for the entire month; prepare the formal collection voucher on the last business day of the month. Daily receipts of this nature are reported on line 2.3 and on line 6.2A.

b. When processing the formal collection voucher at the end of the month, remove the accumulated collections from this line and include them as reimbursements on line 4.1E. Also, use this line to record accumulated small exchange gains supported by a net gain and loss voucher on the last day of the month (rather than daily).

Line 2.34: Discrepancies in DO Account - Credits (Do not use this line). Do not use this line.

Line 2.36: Payments by Another DO (Do not use this line). Do not use this line.

Line 2.37: Transfer from Other DOs. Enter the total amount of transfers received from other DOs during the reporting period. An example is the final accountability of a deactivated DSSN being assumed by the DO (see Chapter 2, section 0208). Show this same figure on line 4.37 of the deactivated DSSN's SF 1219. Coordinate with that disbursing office to ensure it reports this amount on line 4.37 of SF 1219 for the same reporting period. The amount entered must be the same as that shown in column d, line 2.37 of the final DD 2657 for the reporting period.

Line 2.8: IPAC Payments and Collections. DOs participating in Treasury's IPAC system use this line. See Chapter 8, subparagraph 080301.A.1.d and Chapter 9, subparagraph 090502.B for detailed information. In column c, enter the net daily IPAC transactions for certain supplies and services rendered including any adjustments for the current business day. When collections exceed disbursements, record the amount as a negative. See note from line 2.1A.

a. If an IPAC transaction is processed in the Treasury's system at the end of a prior month but vouchered for the agency's accountability in the current month, a second line 2.8 is required. Annotate month and year on each of the description lines to differentiate between accounting months. For example, the amount reported in IPAC with a January 30th processing date is not vouchered and reported in daily accountability until the February 2nd business date. The February DD 2657 and SF 1219 will have two 2.8 lines, one for the net total of IPAC transactions processed by Treasury in February and one for the January amount.

b. If an erroneous amount was reported in a prior month use additional 2.8 lines. Treasury notifies the agency on FMS Form 6652, Statement of Differences – Disbursing Office Transactions. Report a separate line for the month in which an error occurred.

Line 2.9: Total Accountability Increases. Enter the total of lines 2.1A through 2.8 in both columns c and d. Prove column d by adding the total in column c to the column d total from line 2.9 of the previous day's DD 2657. If the DD 2657 is for the first business day of a month, the amounts will be the same.

Figure 15-3. DD 2657, Daily Statement of Accountability (Continued)

Line 3.0: Gross Accountability. Enter the total of lines 1.0 and 2.9 in columns c and d.

Line 4.1A: Gross Disbursements. Disbursements are payments from (or charged to) an appropriation or fund, supported by formal disbursement vouchers (see Chapter 9). Collection of payments made in error that are processed as bracketed (negative) amounts on disbursement vouchers are negative disbursements (see Chapter 8). Enter total gross disbursements (including IPAC payments), before refunds and negative reimbursements, for the disbursement vouchers paid on the business day being reported. The amount entered includes negative disbursements occurring on disbursement vouchers but does not include refunds occurring on collection vouchers (reported on line 4.1B) and negative reimbursements occurring on disbursement or collection vouchers (reported on line 4.1E). See note from line 2.1A.

Line 4.1B: Less - Refunds. If a refund requires a reversal of a refund, process a collection voucher (with the amount bracketed) as a negative refund. Refunds occurring on disbursement vouchers (voucher deductions) are also considered to be negative disbursements. Include them on line 4.1A as reductions of gross disbursements. Enter the total of refunds from collection vouchers. Do not include refunds from disbursement vouchers (negative disbursements) on this line. See note from line 2.1A.

Line 4.1C: Net Disbursements. Net Disbursements are gross disbursements less refunds. In both columns c and d, subtract line 4.1B from line 4.1A, and enter the respective differences on line 4.1C. Prove column d by adding the total in column c to the column d total from line 4.1C of the previous day's DD 2657. If the DD 2657 is for the first business day of a month, the amounts will be the same.

Line 4.1D: Less - Receipts. Receipts are collections credited to Treasury's miscellaneous receipt accounts supported by formal collection vouchers. See note from line 2.1A.

Line 4.1E: Less - Reimbursements. Reimbursements are collections for property sold or services furnished, credited to appropriations on formal collection vouchers. Return over-collection of reimbursements to remitters vouchering them as bracketed (negative) amounts on collection vouchers or positive amounts on disbursement vouchers. Treat the transactions as negative reimbursements and reduce the amount reported as reimbursements. In column c, enter the total of collections classified as appropriation reimbursements (including IPAC collections) less any negative reimbursements, whether from collection or disbursement vouchers. See note from line 2.1A.

Decrease:

Line 4.1F: Net Expenditures. In both columns c and d, subtract lines 4.1D and 4.1E from line 4.1C and enter the respective differences on line 4.1F. Report column d amount from the final DD 2657 for the accounting period on line 4.1 of the SF 1219. Note: Net Expenditures on the DD 2657 are the same on line 4.1 (Net Disbursements) of the SF 1219.

Figure 15-3. DD 2657, Daily Statement of Accountability (Continued)

Line 4.2A: Deposits Presented or Mailed to Bank. In column c, enter the total of all deposits mailed or presented to an FRB or general depository (for credit to the TGA) during the business day (see Chapter 11, [subparagraph 110801.B](#)). This is a total of all deposit tickets including deposited canceled checks, mutilated or decomposed currencies, SNAP debit card transactions, and credit card collections. Deposits to a LDA are not included on this line. Reduce the total entered by the value of any debit voucher processed during the day, except for those debit vouchers for EFT payments to a bank that are recorded on line 4.2B.

a. Report deposits prepared, verified, dated, and removed from an agent's or cashier's possession but still on hand at the close of the business day as an undeposited collection on line 6.3A.

b. On the DD 2657 for the next business day (or the day when the deposit is actually presented or mailed to the bank), remove the amount from line 6.3A and include it on line 4.2A. This will be routine for DOs depositing collections received on a business day but reporting them on the next business day. See note from line 2.1A.

Line 4.2B: EFT Debit Vouchers. Use this line to record the debit voucher used for EFT payroll or vendor payments bracketed to denote a reduction of total deposits.

Line 4.3: Other Transactions (Do not report on SF 1219). Use this line to record small exchange losses resulting from accommodation exchanges or LDA transactions vouchered on the last day of the accounting period.

Line 4.34: Discrepancies in DO Account – Debits (Do not use this line). Do not use this line.

Line 4.36: Payments For Other DOs (Do not use this line). Do not use this line.

Line 4.37: Transfers to Other DOs. Enter the total amount of transfers to other DOs during the reporting period. An example is when the final accountability of a deactivating DSSN is assumed by another DO (see Chapter 2, [section 0208](#)). Coordinate with the disbursing office receiving the transfer to ensure it reports this amount on line 2.37 of SF 1219 for the same reporting period. The amount entered must be the same as that shown in column c on line 4.37 of the final DD 2657 for the reporting period.

Line 4.9: Total Accountability Decreases. In both columns c and d, enter the total of lines 4.1F through 4.37. Amounts from line 4.1A through 4.1E are not included. Check column d by adding the amount in column c to the column d total from line 4.9 of the previous day's DD 2657. If the DD 2657 is for the first business day of a month, the amounts should equal.

Figure 15-3. DD 2657, Daily Statement of Accountability (Continued)

Line 5.0: Accountability – End of Day. In columns c and d, subtract line 4.9 from line 3.0 and enter the difference on this line. These amounts must agree. This amount represents a DO's accountability to the Treasury at the close of that particular business day. Carry the column c amount forward as the beginning accountability line 1.0 on the DD 2657 for the next business day.

#### Section II – Distribution of Accountability – Incumbent DO

Report all amounts in USDs or U.S. dollar equivalents (USDEs), as appropriate. To compute each day's ending balance, column e, begin with the previous day's column e amount, add the current day's column c amount, and subtract the current day's column d amount.

Line 6.1: Designated Depository. LDAs are normally foreign currency checking accounts held in a DO's own name, similar to an individual's personal checking account. Unless a detailed schedule is on the back of the DD 2657 or on an attachment, show the name and location of the LDA and the foreign currency unit (e.g., pesos) in the blank space under column d, Description, for line 6.1. Report all entries (in USDs) in column c, Daily Increase; column d, Daily Decrease; and column e, Month-to-Date (see Chapter 14). If the amount on this line includes both USDs and USDEs of foreign currency, show the USDE of foreign currency as a memo entry in column b; otherwise, the memo entry in the column b is not required. Complete line 6.1 as explained in the following subparagraphs.

a. Enter the USDE amount of all LDA deposits made during the business day in column c. Include any earned interest credited by the bank on that day. Report interest earnings with an appropriate Treasury miscellaneous receipt account collection voucher on line 4.1D. Also include any gain resulting from a beginning of day revaluation of the foreign currency on deposit, reporting these gains on line 4.1E.

b. Enter the USDE total of LDA checks issued during the business day in column d. Include any service charges made by the bank on that day. Offset the service charges with a disbursement voucher charging the disbursing activity's operating funds, and report it on line 4.1A. Also include any loss resulting from a beginning of day revaluation of the foreign currency on deposit and offset revaluation losses with a disbursement voucher SF 1034, Public Voucher for Purchases and Services Other Than Personal, reported on line 4.1E.

Line 6.2A: U.S. Currency/Coinage on Hand. Include only U.S. currency and coins on hand in the disbursing office safe or vault and with DDOs, cashiers, and disbursing agents located in the main disbursing office (see Chapter 3). Also include vouchers returned to DDOs, cashiers, and disbursing agents. Do not include currency and coins identified on lines 6.3 through 6.9 (e.g., currency and coins held by DDOs, disbursing agents, paying agents, and cashiers at locations other than the main disbursing office, or cash held for payrolls).

Figure 15-3. DD 2657, Daily Statement of Accountability (Continued)

a. When the amount of U.S. currency and coinage on hand exceeds the end of day amount of cash on hand from column e of the previous day's DD 2657, enter the amount of the increase in column c, leaving column d blank.

b. When the amount of U.S. currency and coinage on hand is less than the end of day amount of cash on hand from column e of the previous day's DD 2657, enter the amount of the decrease in column d, leaving column c blank.

Line 6.2B: Foreign Currency/Coinage on Hand. Include only foreign currency and coins on hand in the disbursing office safe or vault and with DDOs, cashiers, and disbursing agents located in the main disbursing office. Also include vouchers returned to DDOs, cashiers, and disbursing agents. Do not include foreign currency and coins included on lines 6.3A through 6.9 (e.g., foreign currency and coins held by DDOs, cashiers, and disbursing agents at locations other than the main disbursing office or cash held for payrolls). If more than one type of foreign currency is maintained, show a detailed schedule of each type of currency on the back of the DD 2657 or on a separate attachment. Add "See Attached" in column b. Unless scheduling on the back or in an attachment, show the foreign currency unit (e.g., pesos) in the blank space in column b. Enter the USDE of the particular foreign currency in all three columns. Complete line 6.2B as follows:

a. If the amount of foreign currency and coinage on hand is more than the end of day amount of foreign cash on hand from column e of the previous day's DD 2657, enter the USDE amount of the increase in column c, leaving column d blank.

b. If the amount of foreign currency and coinage on hand is less than the end of day amount of foreign cash on hand from column e of the previous day's DD 2657, enter the USDE amount of the decrease in column d, leaving column c blank.

Line 6.3A: Undeposited Collections – General. Undeposited collections normally result when a deposit ticket is prepared, dated, verified to the items to be deposited, and removed from a DDO's, agent's or cashier's possession, but is still on hand (not yet mailed or presented to a bank) at the close of the business day. Report these deposits on line 6.3A. These amounts are not considered a part of the DO's cash authority. Do not delay preparation of the DD 2657 merely to record a prepared deposit on line 4.2A instead of line 6.3A.

a. Enter the amount in column c of line 6.3A.

b. In column d, enter the amount of deposits presented or mailed to the bank that were recorded in column c of the DD 2657 for the previous business day.

Line 6.3B: Other Undeposited Instruments on Hand. There will normally be no reason to carry undeposited negotiable instruments beyond the current or next business day. However, exceptions may occur. For example, a check received by the DO may not have been signed (or

Figure 15-3. DD 2657, Daily Statement of Accountability (Continued)

may contain other errors) and the person presenting (or mailing) the check is unavailable to correct the document in the same business day the collection is recorded.

a. Enter the amount of negotiable instruments that cannot be deposited in column c.

b. When finally deposited, enter the amount of negotiable instruments deposited in column d.

Line 6.4: Custody or Contingency Cash. The amount reported on this line includes cash held under custody account agreements in overseas Military Banking Facilities (MBFs) (see [Chapter 13, paragraph 130203](#)) or cash held for approved contingency requirements (as approved by the Treasury).

a. If the amount of custody or contingency cash on hand exceeds the end of day amount on hand from the column e total of the previous day's DD 2657, enter the amount of the increase in column c, leaving column d blank.

b. If the amount on hand is less than the end of day amount on hand from the column e total of the previous day's DD 2657, enter the amount of the decrease in column d, leaving column c blank.

Line 6.5: Funds with Agents. Enter the total amount of funds in the hands of [DDOs](#), cashiers, [disbursing agents](#), [paying agents](#), [collection agents](#), imprest fund cashiers, and change fund custodians at locations other than the main disbursing office, including vouchers returned to an agent by the DO. Do not include amounts held by [DDOs](#), cashiers, and disbursing agents in the main disbursing office. Reflect amounts from the latest DD 1081 submitted by the [DDOs](#), cashiers, and disbursing agents. Show a detailed schedule on the back of the DD 2657 or on a separate attachment, adding the words "See Attached" in the Description column on the face of the DD 2657. Include the foreign currency denomination (e.g., Euros), the currency rate of exchange valued, the number of foreign currency units, and the USDE. When the DO's rate of exchange differs from the rate used on the DD 1081, the DO prepares a gain or loss voucher DD 1131 or SF 1034 (as appropriate) to account for the difference.

a. If the amount on the latest DD 1081 is more than the amount in column e of the DD 2657 for the previous day, enter the amount of the increase in column c.

b. If the amount on the latest DD 1081 is less than the amount in column e of the DD 2657 for the previous day, enter the amount of the decrease in column d.

c. The computed total in column e must equal the combined total of all the individual DD 1081s.

Figure 15-3. DD 2657, Daily Statement of Accountability (Continued)

Line 6.6: Advances to Contractors. Enter cash advanced to contractors under advance payment pool agreements. Compute the amounts for columns c, d, and e in the same manner as for line 6.5 (see Chapter 9, [section 0906](#)).

Line 6.7: Cash in Transit. Enter the amount of all cash in transit. Foreign currency funds in transit may or may not be involved (see Chapter 3, [subparagraph 030205.G](#) and Chapter 13, [subparagraph 130602.E](#)).

a. In column c, enter cash not yet received (Treasury exchange-for-cash checks have been drawn or mutilated, or decomposed currency forwarded to the FRB). Also enter foreign currencies to designated DOs, which reimbursement has not yet been received; cash transferred to other DOs, which a Treasury check has not yet been received; and unconfirmed credit card collection deposits reported to the designated financial agent (supported by DD 1131s).

b. In column d, enter the total cash and U.S. Treasury checks received, which were included in the amounts entered in column d of the previous day's DD 2657, and the amount of confirmed bank credit card deposits that were included in column c of a previous day's DD 2657, which are now reported in column c of line 4.2A. If a charge-back is received from the bank, notify the appropriate functional area and prepare a negative DD 1131 for the amount of the charge-back.

Line 6.8: Payroll Cash. Enter the value of cash held for payday requirements. Compute the amounts to be entered in columns c, d, and e in the same manner as for line 6.2A.

Line 6.9: Other. Enter the amount of Treasury exchange-for-cash checks prepared in advance and prepositioned Treasury checks awaiting pickup by a DDO, disbursing agent, or cashier. Any other category of cash or cash items to be reported on this line requires the approval of the servicing DFAS site. Compute the amounts to be entered in columns c, d, and e in the same manner as for line 6.2A. Whenever possible, clear the items on this line before preparing the SF 1219.

Line 7.1: Deferred Vouchers. Deferred vouchers are paid vouchers that have not been recorded in the accounting system. Vouchers paid by DDOs, cashiers, or disbursing agents not yet examined by the DO may be deferred until this review is complete (see Chapter 9, [paragraph 090411](#)).

a. Enter the amount of any paid vouchers being recorded as deferred during the business day in column c. These deferred items are excluded from gross disbursements on line 4.1A.

b. Enter the amount of any vouchers reported on line 4.1A that were deferred on a previous DD 2657 in column d.

Figure 15-3. DD 2657, Daily Statement of Accountability (Continued)

c. The computed amount entered in the current column e must equal the total of deferred vouchers outstanding.

Line 7.2A: Accounts Receivable – Check Overdrafts

a. Enter any check issue overdraft increases supported by FMS 5206 or OF 1017-G in column c (see Chapter 7, [paragraph 070807](#)).

b. Enter any collections or disbursements against an undercharged appropriation reducing the check issue overdraft amount reported on a previous DD 2657 in column d.

c. The DO or primary [DDO](#) reviews accounts receivable for check overdrafts at least monthly to assure all necessary actions are being taken to clear the overdrafts.

Line 7.2B: Accounts Receivable – Other

a. Enter any accounts receivable increases not included on line 7.2A in column c.

b. Enter any accounts receivable reductions not included on line 7.2A in column d.

c. The DO or primary [DDO](#) reviews accounts receivable at least monthly to assure all necessary actions are being taken to clear the receivables.

Line 7.3: Loss of Funds

a. In column c, enter any physical losses of cash, SNAP, negotiable instruments, and uncollected dishonored check amounts to be reported to the supporting DFAS site (see Chapter 6, [section 0604](#)).

b. Enter any recoveries of losses or reimbursements by the supporting DFAS site in column d.

c. This amount must equal the total of all outstanding loss cases.

Line 7.4: Dishonored Checks Receivable

a. In column c, enter the amount of dishonored checks received during the business day via a debit voucher to be retained in DO accountability (e.g., not returned to the activity who originally accepted them) (see Chapter 4, [section 0404](#)).

Figure 15-3. DD 2657, Daily Statement of Accountability (Continued)

b. In column d, enter the amount of dishonored checks collected or for which relief has been granted that are currently carried in DO accountability.

c. The computed amount must equal the total of all dishonored checks on hand at the close of the business day.

Lines 7.5 through 7.7. On the final DD 2657 for the accounting period, use these lines to summarize USDEs of foreign currency amounts reported in Section II. Enter in column b by country and type of currency the total foreign currency units and USDEs. Lines 6.1 and 6.2B always involve foreign currency. Line 6.5 could involve foreign currency. Leave columns c, d, and e blank.

Line 8.0: Total Incumbent DO Accountability. Enter the totals of lines 6.1 through 7.4 in each of the respective columns. Prove the total for column e by adding the amount in column e to, and deducting the amount in column d from, the column e total of the DD 2657 for the previous business day. The figures must be the same.

### Section III – Distribution of Accountability - Predecessor DOs

DOs charged with the responsibility to settle accounts of predecessor DOs use this section as prescribed in Chapter 2, [section 0210](#).

Line 9.2A: Accounts Receivable – Check Overdrafts. Compute all three column amounts for check overdrafts applicable to previous DOs in the same manner as prescribed for line 7.2A. The DO or primary [DDO](#) reviews accounts receivable for check overdrafts at least monthly to assure all necessary actions are being taken to clear the overdrafts.

Line 9.2B: Accounts Receivable – Other. Compute other accounts receivable amounts applicable to previous DOs in the same manner as prescribed for line 7.2B. The DO or primary [DDO](#) reviews accounts receivable at least monthly to assure all necessary actions are being taken to clear the receivables.

Line 9.3: Loss of Funds. Compute loss of funds amounts incurred by previous DOs in the same manner as prescribed for line 7.3.

Line 9.4: Other. Compute the amounts for other accountable items for previous DOs in the same manner as prescribed for line 7.4.

Figure 15-3. DD 2657, Daily Statement of Accountability (Continued)

Section IV – Distribution of Accountability - Combined

Line 11.0: Total DSSN Accountability. Enter the total of lines 8.0 plus 10.0 in each of the respective columns. The computed total of column e must also equal column d of line 5.0, or the DD 2657 is out-of-balance. Resolve any out-of-balance condition before preparing the DD 2657 for the next business day.

Item 3. Disbursing Officer Name, Rank or Grade, Title (Type or Print). Type or print the name, rank or grade, and title of the DO.

Item 4. Disbursing Officer or Deputy. The DO or a designated DDO signs the DD 2657 to attest to the accurate representation of accountability.

Item 5. Date. Enter the date the DD 2657 is signed.

Section V – Distribution of Cash on Hand. This section shows the physical location of all U.S. and foreign cash on hand, including custody or contingency cash, and payroll cash. It includes cash held by both on and off site DDOs, disbursing agents, and cashiers (including mobility-line cashiers). It does not include: funds in designated depositories (from line 6.1), undeposited collections (from line 6.3A), funds with contractors (from line 6.6), or cash in transit (from line 6.7). The last line of the form is titled Total. Summarize the amounts displayed in each column and list them accordingly. The totals represent the balance of cash on hand distributed.

### **Preparation Instructions for SF 1219, Statement of Accountability**

Every DO submits an SF 1219 monthly for each DSSN assigned whether or not any transactions occur or any accountable balance is involved. **Prepare this form in an original only as a permanent record (typed or printed in ink).** A DO being relieved submits a final SF 1219 regardless of the fact that the last day of the accounting period may be other than the last day of the month. Plainly mark the final SF 1219 "FINAL" in the blank space directly above the name line. Erasures, strikeovers, or marks of any description other than legitimate entries are not permitted on the SF 1219. Use cumulative month-to-date totals from the final DD 2657 for the accounting period (e.g., month) to complete the similarly numbered lines of the SF 1219. Combine certain alpha-suffixed cumulative line totals on the DD 2657 for entering on the SF 1219.

#### Heading

- a. Name of Disbursing Officer. Enter the DO's full name and rank or grade.
- b. Location of Disbursing Officer (Mailing Address). Enter the disbursing activity's unit identification code, name, and location.
- c. Name of Agency. Enter "Army," "Navy," "Air Force," or "Marine Corps," as applicable. Defense agencies enter the appropriate Service based on which one obtained the DSSN.
- d. Period of Account. Enter the first and last days of the reporting period. Normally, the reporting period begins on the first day of each calendar month and ends on the last day. A reporting period may not extend beyond the last day of a calendar month. Exceptions to the calendar month as the reporting period depend on situations such as when a DO is relieved from disbursing duties before the last day of the month, or when a DO commences disbursing duties on other than the first day of the month.
- e. Agency Location Code. Enter the four-digit DSSN under which the DO is operating. Prepare a separate SF 1219 for each DSSN.

#### Section I. – General Statement of Account

##### Part A. - Transactions During Period Affecting Accountability

Line 1.00: Total Accountability Beginning of Period. Enter the column d total from line 1.00 of the final DD 2657 for the reporting period. This amount must agree with the amount reported as the Accountability Close of Period (line 5.0) of the SF 1219 for the previous reporting period. In the case of relieving DOs, this amount must be the same as that shown on line 11.0 of the relieved DO's final SF 1219. Note: Relieving DOs assigned to tactical units and naval vessels follow the instructions in Chapter 2 for this line. DOs reporting foreign currency

Figure 15-4. SF 1219, Statement of Accountability (Continued)

enter the amount of foreign currency (including LDAs) held at the beginning of the reporting period in the blank space opposite the caption for line 1.0.

Line 2.1: Checks Issued on U.S. Treasury. Enter the combined column d totals of lines 2.1A and 2.1B of the final DD 2657 for the reporting period (see Chapter 7, section 0715). This amount must agree with the amount in column 5, Part A, Section II, on the reverse of the SF 1219 and with the net total of checks issued as reported on the SF 1179. The total of checks issued (including adjustments) entered refers only to checks drawn on the U.S. Treasury; it does not include LDA checks. Treat LDA checks as cash transactions and reflect them on line 6.1.

Line 2.3: Other Transactions

Line 2.34: Discrepancies in D.O. Accounts – Credits. Do not use this line.

Line 2.36: Payments by Another D.O.. Do not use this line.

Line 2.37: Transfers from Other Disbursing Officers. Enter the total amount of transfers received from other DOs during the reporting period. An example is the final accountability of a deactivated DSSN being assumed by the DO (see Chapter 2, section 0208). Show this same figure on line 4.37 of the deactivated DSSN's SF 1219. Coordinate with that disbursing office to ensure it reports this amount on line 4.37 of its SF 1219 for the same reporting period. The amount entered must be the same as that shown in the Month-to-Date column on line 2.37 of the final DD 2657 for the reporting period.

Line 2.39. Designated DOs participating in Treasury's IPAC system use this line. Refer to Chapters 8 and 9 for detailed information regarding the use of IPAC. The paper version of the SF 1219 has not yet been revised by the Treasury to include line 2.8, IPAC Payments and Collections. However, Treasury has revised the requirements for disbursing offices that electronically prepare and submit the SF 1219. The electronic format includes line 2.8 specifically for IPAC. When preparing the SF 1219 manually, strike out the caption 2.39 and insert 2.8, IPAC Payments and Collections. Enter the net monthly IPAC transactions, including any adjustments, for the current month. The amount entered must equal column d, line 2.8 of the final DD 2657 for the reporting period. Treasury FMS will compare customer and billing agencies' SF 1219 IPAC transactions with the IPAC data.

a. When there is a difference in the comparison, Treasury will generate FMS 6652. Investigate the differences and report necessary corrections on the next month's SF 1219 as a separate line 2.8. Annotate the month and year on each of the description lines to differentiate between the accounting months.

Figure 15-4. SF 1219, Statement of Accountability (Continued)

reporting period. The amounts reported in the respective columns must agree with amounts reported on the SF 1179 for the same reporting period.

Column (1) – Check Symbol. Enter the DSSN covered by the SF 1219.

Column (2) – Amount of Checks Issued this Period. Enter the total amount of Treasury checks issued during the reporting period. Include check issue adjustments using OF 1017-G applicable to checks issued during the current reporting period (after such checks have been reported as check issues to the Treasury) in the total in this column. When overdrafts or underdrafts are discovered before reporting these same checks under Level 8 Check Issue Reporting, change the Level 8 Check Issue Report (e.g., without a check issue adjustment).

a. For an overdraft, make an accountability-balancing increase to line 7.2A of the DD 2657.

b. For an underdraft, issue another check and record it in the normal manner, citing both check numbers on the disbursement voucher. The amount entered in this column must agree with the amount reported on line 1 of the summary portion of the SF 1179. LDA check issues are not entered in this column.

Column (3) – Adjustments for Prior Months' Issues by TFS Form 5206. Enter the issue month and year and the amount of each adjustment applicable to checks issued in prior periods and documented by FMS 5206. Entries in this column may include check issue adjustments for checks issued and reported under Level 8 Check Issue Reporting in the same reporting period (month). The total of this column must equal the amount shown on line 2(b) in the summary portion of the SF 1179.

Column (5) – Total Checks Issued. Enter the amount of column (2), plus or minus the amounts entered in columns (3) and (4). reporting period (month) regardless of whether the deposits have been confirmed by the depository. Include all debit vouchers that are accounted for by the depository during the same period for which the SF 1219 is being prepared. A debit voucher reduces total deposits. Note that deposits presented or mailed to a depository during the first few days of the month that are physically dated in the previous month are excluded from this column and included in columns (3) and (4).

Columns (3) and (4) – Deposits Presented or Mailed to Bank in Prior Months But Recorded in Accounts This Month. Enter in column (3) the month and year of presentation or mailing of all deposit tickets and debit vouchers taken into the accounts during the current month with a presentation or mailing date (block 2 of the forms) in a prior month. In column (4) enter the total amount of the deposits less the debit vouchers. If more than one prior month is involved in the total of such deposits reported, show each month and year in column (3) and separate totals for each month shown in column (4).

Column (5) – Total Deposits Presented or Mailed to Bank. Enter the total of columns (2) and (4). This amount must agree with the amount shown on line 4.2 in Section I, Part A on the face of the SF 1219.
