410802. Minors. Allotments (except bonds) may not be made payable to children under 16 years of age. They may be made payable to the children's guardian or custodian. Spouses of members may be named as allottees regardless of age.

410803. Mental Incompetents. Allotments may not be made payable to mentally incompetent persons. They may be made payable to a guardian or to the institution where confined.

410804. Power of Attorney. A power of attorney is not acceptable to establish, change, or stop an allotment.

410805. Member Awaiting Trial by Court-Martial

A. Members may not register an allotment between the date a court-martial is ordered and the date of the approval or disapproval of the sentence.

B. Discontinue allotments whenever

1. Necessary to permit collection of the forfeiture in the monthly amount specified and within the time limitation stated in the court-martial sentence.

2. Member is sentenced to forfeit all pay and allowances due from the date the sentence is approved by the convening authority. This applies even though the convening authority defers the forfeitures and suspends the discharge when ordering the sentence into execution.

3. Allotments may be registered by a prisoner provided the amount of pay and allowances not forfeited is sufficient to cover allotment deductions.

410806. Returned absentees Deserters, and Prisoners. Allotments will not be registered for a returned absentee or deserter, unless the appropriate Defense Finance and Accounting Service Center has verified the member's pay status.

410807. Fraudulent Enlistment. Pay and allowances may not be allotted when pay is suspended pending final action on determination of fraudulent enlistment.

410808. Reduced Pay of Allotter. When a reduction in grade or stoppage of pay does not leave

sufficient funds for allotments in force, allotments will be discontinued.

4109 RIGHT TO ALLOTMENT IN CASE OF DEATH

410901. Death of Allotter. All allotments are revoked by death of the allotter. No further allotment payments may be made by the paying allotment office after receipt of notice of the allotter's death. Deductions made from the allotter's pay, but not paid to the allottee, become part of the member's smears of pay. Allotments paid after the allotter's death may not be collected from the allottee, with two exceptions:

A. Allotments erroneously established after notice of death of the allotter, and

B. Unearned insurance payment premiums (insurance premiums paid 1 month in advance of the day payment is actually due). See Service procedural instructions for actions required by the disbursing officer maintaining the pay account. However, the issuance of a check for an allotment does not constitute payment until it is negotiated and the amount is collected by the payee. Accordingly, if a check is sent directly to an allottee and has not been negotiated, then recoupment action is appropriate.

410902. Death of Allottee. An allotment check, even though endorsed, does not become part of an allottee's estate if it is not cashed or negotiated before the allottee's death. It is not subject to any expense incurred by, or on behalf of, the allottee before or after death. All unnegotiated allotment checks will be returned to the office that issued them. They will be credited to the member's account or paid in accordance with Service instructions if member has been separated from the Service.

4110 ALLOTMENT OVERPAYMENT RESPONSIBILITIES

411001. Army and Air Force

A. If an allotment payment is made to an allottee before the disbursing office receives notice to stop the payment from the officer required by regulation to furnish this notice, payment is credited to the disbursing officer. Collection is made from the allottee, if possible. If

an allotment is paid in error because the officer responsible failed to report either the death of the allottee or any other fact which makes the allotment not payable, the amount of the payment not recovered from the allottee is collected, if practicable, from the officer who failed to report.

B. Any check or bond received for which entitlement does not exist must be returned immediately to the office which issued it. When an allotment payment is made after deductions from the member's pay have ceased and the allottee does not return it to the office of issuance, the allottee should be required to submit a complete and detailed explanation. Liability determination will then be made.

411002. Navy and Marine Corps

A. Commanding Officer. The commanding officer is responsible for informing the disbursing officer of any facts which warrant

the stoppage of an allotment and for any required follow-up action. The commanding officers of units or ships without disbursing officers have the same responsibility as disbursing officers to initiate any necessary follow-up action regarding unacknowledged allotment requests.

B. Disbursing Officers. The disbursing officer who registers an allotment for a member is held responsible for proper entry on the military pay record. If the initial entry is incorrect, the field disbursing officer making the entry is responsible for all payments or overpayments of the allotment. Failure to transfer an active allotment from a closed pay account to a new pay account imposes a liability on the disbursing officer concerned for all payments or overpayments made by the allotment officer.
