CHAPTER 2

REPAYMENT OF UNEARNED PORTION OF BONUSES AND OTHER BENEFITS***0201 GENERAL**

A member of the uniformed services who enters into a written agreement with specified service conditions for receipt of a bonus, special or incentive pay, educational benefits, stipend, or similar payment (hereinafter referred to as “pay or benefit”), is entitled to the full amount of the pay or benefit if the member fulfills the required conditions. If the member fails to fulfill the service conditions specified in the written agreement for the pay or benefit, then the pay or benefit may be terminated, and the member may be required to repay an amount equal to the unearned portion of the pay or benefit. Such repayment will be pursued unless the member’s failure to fulfill specified service conditions is due to circumstances determined reasonably beyond the member’s control. Conditions under which repayment will not be sought are set forth in section 0203.

0202 POLICY**020201. Payment Disposition**

The Secretary of the Military Department concerned may establish, by regulation, procedures for determining the amount of the repayment required. Service regulations shall apply the rules in Table 2-1 for disposition of unearned portions of bonuses, special pay, educational benefits, or stipends.

020202. Definition

The term “service,” as used in this chapter, refers to an obligation willingly undertaken by a member of the uniformed services in exchange for a pay or benefit offered by the Secretary of Defense or the Secretary of the Military Department concerned to do one or more of the following:

- A. Remain on active duty;
- B. Remain in an active status in a Reserve Component;
- C. Perform duty in a specified skill, with or without a specified qualification or credential;
- D. Perform duty at a specified location; or
- E. Perform duty for a specified period of time.

020203. Bankruptcy

An obligation to repay a pay or benefit to the United States is, for all purposes, a debt owed to the United States. A discharge in bankruptcy does not discharge a person from such debt if the discharge order is entered less than 5 years after:

- A. The date of the termination of the agreement or contract on which the debt is based; or
- B. The date of the termination of service on which the debt is based, in the absence of such agreement or contract.

0203 REPAYMENT AND NON-REPAYMENT CONDITIONS**020301. Conditions Under Which Repayment Will Be Sought**

A. When the conditions of a written agreement are not fulfilled and repayment is determined appropriate, the member will be required to repay the United States the unearned portion of pay or benefit. In cases other than death of a member, the Secretary of the Military Department concerned will advise the Defense Finance and Accounting Service (DFAS) of the disposition of any unearned portion of a pay or benefit.

B. Repayment will be sought, and any unpaid balances may not be paid to members who incur a disability because of their misconduct.

020302. Delegation of Authority

The Secretary of the Military Department concerned may, through regulation, delegate the authority to make repayment determinations consistent with the criteria set forth in section 0203, but not below the O-6 or equivalent level. If delegated, then the Military Departments will specify the level and the scope of the authorized delegation in implementing regulations.

***020303. Conditions Under Which Repayment Will Not Be Sought**

As a general rule, repayment action will not be pursued in situations in which the member's inability to fulfill specified service conditions related to a pay or benefit is due to circumstances determined reasonably beyond the member's control. Payment of any unpaid portion of pay or benefit will be subject to the rules in Table 2-1, which in appropriate circumstances provide discretion to the Secretary of the Military Department concerned to pay unearned portions based on case-by-case determinations.

A. Repayment will not be sought, and any remaining unpaid portion of a pay or benefit due to a member under a written agreement that existed at the time of the member's death, which was not the result of the member's misconduct, is payable as a lump sum in the settlement of the decedent's final military pay entitlements.

B. Repayment will not be sought, and any remaining unpaid portion of a pay or benefit due to a member under a written agreement [will](#) be paid at the time of separation or retirement for a disability that was incurred in the line of duty in a combat zone designated by the President of the United States or the Secretary of Defense, or in combat-related operation designated by the Secretary of Defense, and/or for a combat-related disability. In such case, any remaining unpaid portion of a pay or benefit due to a member shall be paid to the member upon separation from service.

C. Subject to the enlistment authorities, and the relevant regulations of the Secretary of the Military Department concerned, a member who was paid a bonus or special pay for a period of enlistment in a Military Department, who is discharged for immediate reenlistment or appointment in a Military Department for which no bonus or special pay is paid, may be considered to have completed the full term of service specified in the former enlistment contract, provided the term of the latter reenlistment or appointment includes the remaining period of service from the former enlistment. The member's enlistment bonus or special pay entitlements will be addressed prior to discharge from a Military Department.

D. Repayment will not be sought, and the Secretary of the Military Department concerned will not pay any remaining unpaid portion of a pay or benefit under the following circumstances, unless otherwise authorized by the Secretary of the Military Department concerned under subparagraph [020304.B](#):

1. The member's employment in another military specialty or assignment rotation is directed;
2. The member's military specialty or assignment is phased out or eliminated;
3. The member's military specialty or assignment is otherwise affected by force structure or other mission-essential requirements; or
4. The member is separated from service under a hardship separation or sole survivor discharge.

* E. Enlisted members who are discharged within 12 months before the expiration of an enlistment, reenlistment, or extension of enlistment pursuant to [10 United States Code \(U.S.C.\) 1171](#) are considered to have completed the terms of the enlistment, reenlistment, or extension of enlistment for which the bonus was paid. Thus, recoupment is not required for the unearned portion of a bonus arising from the early discharge of an enlisted member under 10 U.S.C. 1171. The Military Departments are responsible for determining whether a member's early discharge is made pursuant to 10 U.S.C. 1171 and advising DFAS of the determination.

020304. Conditions Under Review by the Secretary of the Military Department

A. In instances involving a member's separation for medical reasons, which were not the result of the member's misconduct, the Secretary of the Military Department concerned has the discretion to determine whether to require repayment of the unearned portion of pay or benefit, or to pay an unpaid balance of a pay or benefit.

B. Under circumstances not specifically mentioned in this chapter, the Secretary of the Military Department concerned has the discretion to, at some point in the process, render a case-by-case determination that the member's repayment of, or the Military Department's full payment of an unpaid portion of, a pay or benefit is appropriate based on the following:

1. Contrary to a personnel policy or management objective,
2. Against equity and good conscience, or
3. Contrary to the best interest of the United States.
