CHAPTER 9

ACTIVE DUTY ENLISTED MEMBERS ENLISTMENT, REENLISTMENT AND RETENTION BONUSES

0901 GENERAL

090101. Purpose

This chapter establishes DoD policy guidance pertaining to active duty enlistment, reenlistment, and retention bonuses.

0902 ENLISTMENT BONUS

090201. Eligibility

An enlistment bonus is authorized for individuals who enlist in a Military Service for a specific period and, if applicable, for service in a military skill that is experiencing critical personnel shortages as designated by the Secretary of the Military Department concerned. The individual must meet the qualifications listed in subparagraphs 090201.A-H:

A. Possess a high school diploma, a completion or attendance certificate in lieu of a high school diploma, or a General Educational Development program certificate;

B. The individual must be an initial enlistee, a prior Military Service enlistee, who enlists in a Regular Component of the Military Service as defined in subparagraphs 090201.B.1 and 2.

1. Initial/Non-prior Service Enlistee. An Initial or Non-prior Service Enlistee is a person who has either never served or has served, and was released from such service before completing the basic training requirements of the Service of which the person was a member and the service was characterized as either honorable or uncharacterized.

2. Prior Military Service Enlistee. A Prior Military Service Enlistee is a person who has prior military experience but has not previously received an enlistment or reenlistment bonus or who currently is not entitled to a Selective Retention Bonus (SRB) under section 0903, or a Critical Skill Retention Bonus (CSRB) under section 0904, or a Prior Service Enlistment Bonus under section 0905;
C. Enlist for at least 2 years or extend an initial period of obligated service to a total of at least 2 years in a Regular Component of a Military Service and serve for a specified period of obligated service in at least one of the following categories:

1. A designated military skill,
2. Career field,
3. Unit,
4. Grade, or
5. Other condition or conditions imposed by the Under Secretary of Defense (Personnel and Readiness) (USD (P&R)) or the Secretary of the Military Department concerned;

D. Execute a written agreement with the Secretary of the Military Department concerned that specifies the:

1. Amount of the bonus;
2. Method of bonus payment - lump sum amount or periodic installments;
3. Period of obligated service; and
4. Designated military skill or specialty, career field, unit, grade, or such other condition or conditions of service imposed by the Secretary of the Military Department concerned;

E. Not have previously received an enlistment bonus, a retention bonus, an affiliation bonus, or a transfer bonus for the same period of service;

F. Not have previously received and not be eligible to receive an SRB under section 0903 or a CSRB under section 0904;

G. Successfully complete training and become technically qualified in a designated skill if completion of such training and technical qualification forms the basis under which the bonus is paid; and

H. Meet any additional military service specific eligibility criteria and quality standards established by the Secretary of the Military Department concerned.
090202. Amount

The Secretary of the Military Department concerned will determine the amount of the enlistment bonus awarded for a designated military skill. The bonus payment for a designated military skill or cumulative amount of enlistment bonuses to any individual is not to exceed $40,000.

090203. Computation

The Secretaries of the Military Departments are required to establish rules of computation for enlistment bonuses.

090204. Method of Payment

A. The bonus may be paid either in periodic installments or a single lump sum. The timing of the initial payment is at the discretion of the Secretary of the Military Department concerned, except that it must not be paid before the member completes basic recruit training. For individuals enlisted for specialties requiring formal training, the Service concerned may withhold the initial payment until the individual completes the training and qualifies in the military skill, so the bonus serves as an incentive to complete the training needed to qualify in the skill.

B. Members, with prior military service who do not require formal training to be technically qualified in the skill for which the bonus is paid, are paid the first installment no earlier than 30 days after arrival at the first permanent duty station following re-entry to active duty.

C. If paid in installments, after the initial payment, the remainder of the bonus must be paid in equal periodic installments.

090205. Repayment

A. A member, who does not complete the term of enlistment, or extension of enlistment, or who is not technically qualified in the skill for which the bonus was paid, will be subject to the repayment provisions of Chapter 2.

B. A member, who is discharged 12 months or less before the expiration of enlistment or extension of enlistment, may be considered to have completed the terms of enlistment or extension of enlistment for which the bonus was paid. The Military Departments will determine and advise when repayment is required, since this 12-month rule is not applicable to all early discharges.

*090206. Duration of Authority

An enlistment bonus may not be paid to any person after the date on the Duration of Authority table. No payments will be made after the termination date unless the entitlement commenced prior to that date.
0903 SRB

090301. Eligibility

The Secretary of the Military Department concerned may designate a unit, grade, or impose such other condition or conditions of service with respect to the SRB, as determined necessary to mitigate a significant current or projected personnel shortage or changing force structure requirements. An SRB based on unit, grade, or such other condition or conditions of service are subject to USD (P&R) approval. The member must:

A. Serve in a pay grade E-3 or higher;

B. Reenlist for a period of at least 3 years or voluntarily extend an enlistment for a period of at least 1 year on active duty;

C. Execute a written agreement with the Secretary of the Military Department concerned that specifies the:
   1. Amount of the bonus;
   2. Method of bonus payment - lump sum amount or periodic installments;
   3. Period of obligated service; and
   4. Designated military skill, career field, unit, or grade, or such other condition or conditions of service imposed by the Secretary of the Military Department concerned;

D. Agree to serve for a specified period in at least one of the following reenlistment or extension categories:
   1. A designated military skill,
   2. Career field,
   3. Unit,
   4. Grade, or
   5. Other condition or conditions imposed by the Secretary of the Military Department concerned;

E. Meet skill qualification prior to payment of the SRB for a member transferring into a designated military skill;
F. Qualify under any additional eligibility criteria prescribed by the Secretary of the Military Department concerned; and

G. Not be in receipt of an enlistment bonus, a retention bonus, an affiliation bonus, or a transfer bonus for the same period of service.

090302. Limitations

A. A re-entry or reenlistment must occur no later than 3 months (or within a lesser period if so prescribed by the Secretary of the Military Department concerned) after the date of discharge or release from active duty.

B. Veterans with more than a 3-month but less than a 4-year break in active duty may qualify for a broken service, or a prior service re-entry, SRB program in accordance with regulations prescribed by the Secretary of the Military Department concerned.

C. Re-enlistees reentering active duty with a break in active duty greater than 24 hours, only the original DoD (DD) Form 214, Certificate of Release or Discharge from Active Duty, (copy 1 or copy 4) or a reproduction of the DD 214, with a certified true-copy stamp and appropriate Federal Government authenticating seal imprinted thereon, is acceptable documentation and identification. The 24-hour period begins on the day following the date of discharge or separation.

D. Members with prior enlisted service and subsequent service as an officer, who were discharged or released from active duty and who, within 3 months after discharge or release from active duty as an officer, reenlist in the same Regular Component of a Military Service in which they previously served as an enlisted member may be eligible for an SRB. The individual must meet all other requirements established in paragraphs 090301 and 090302.

E. Service members may be eligible for an SRB if they extend their existing service obligation for a minimum of 12 months.

F. Members who reenlist or voluntarily extend an enlistment to obtain sufficient obligated service to participate in a program leading to commissioned or warrant officer status are not eligible for an SRB.

G. A member is not eligible for an SRB if the member was discharged or released from active duty or service in an active status based upon a determination of misconduct, substandard duty performance, or moral or professional dereliction.

H. An SRB may not be paid to an enlisted member who has completed more than 20 years of active duty or service in an active status, or who will complete a total of 24 years of service before the end of the period of active duty or active status for which the bonus is offered.

I. Generally, a member may not use any preexisting period of obligated service to satisfy an obligated service requirement under an SRB agreement, unless such service
is determined by the Secretary of the Military Department concerned to be consistent with the
requirements of 37 U.S.C. § 371; and

1. Such preexisting period of obligated service is necessary for the
member to qualify for continuous submarine duty incentive pay and is service for which no bonus
was previously authorized or payable; or

2. Such preexisting period of obligated service includes no more than
a 2-year period of an unserved voluntary extension of enlistment for which no bonus was
previously authorized or payable, and the member agrees to an additional 2-year period of
obligated service in connection with the SRB.

090303. Amount

The SRB may not exceed $25,000 for each year of obligated service in a Regular
Component. The maximum amount for an SRB is $100,000.

A. The Secretary of the Military Department concerned must determine the
amount of the SRB based on a business case model that targets the retention of adequate levels of
enlisted personnel in a reenlistment or extension category.

B. Members may receive more than one SRB for a career, but the total
combined SRB payments over a career must not exceed $200,000.

C. SRB amounts may be prorated for extension requests greater than one year
and reenlistments greater than 3 years. The additional service time will be calculated on a monthly
basis at a rate equal to 1/12th the annual amount. Total bonus amounts are limited to $100,000.

090304. Computation

The Secretaries of the Military Departments are required to establish and publish
the rules for computing the SRB.

090305. Method of Payment

The bonus may be paid either in periodic installments or a single lump sum. If the Secretary
of the Military Department concerned elects to pay SRBs in installments:

A. The installment amount will be at the discretion of the Secretary of the
Military Department concerned, and may be paid at the time of reenlistment, or at the beginning
of the member’s service commitment for the voluntary extension of enlistment. All payments
must be made before the member completes a total of 24 years of service.

B. An initial installment to a member who reenlists after a break in active duty
service greater than 24 hours is to be made no earlier than 30 days after arrival at the first permanent
duty station following reenlistment.
C. Where there is lost time, the subsequent installment payments will be delayed by the number of days of lost time.

D. Discharge for the purpose of immediate reenlistment does not affect a member’s entitlement to subsequent SRB installment payments.

**090306.** Additional Obligated Service

Additional obligated service is defined as any active service commitment beyond an existing contractual service agreement. Existing contractual service agreements include enlistments, extensions of enlistment, and reenlistments.

**090307.** Changes and Termination of Awards

A. The Military Departments will notify USD (P&R) of any changes to a Military Department’s SRB guidance under the enlisted bonus program. The Secretary of the Military Department concerned will issue an announcement that fully describes the change along with an effective date. The amount of the SRB offered after the date of such change may not exceed that authorized under 37 U.S.C. § 331(c).

B. A member who agrees to train and reenlist for military service in a skill, that at the time of that agreement is designated for an award of an SRB, may be paid a bonus for that skill at the award level in effect at the time of agreement or the award level in effect at the time of reenlistment, whichever is higher, on completion of qualification training and reenlistment in that skill. The bonus would still be payable if the member otherwise qualifies for the bonus, even if that skill is no longer designated for an award of the SRB at the time the member becomes eligible for payment of the bonus.

**090308.** Repayment

A. A member, who does not complete the term of reenlistment, or extension of reenlistment, or who is not technically qualified in the skill for which the bonus was paid, will be subject to the repayment provisions of Chapter 2.

B. A member, who is discharged 12 months or less before the expiration of reenlistment or extension of reenlistment, may be considered to have completed the terms of reenlistment or extension of enlistment for which the bonus was paid. The Military Departments will determine and advise when repayment is required, since this 12-month rule is not applicable to all early discharges.

*090309.** Duration of Authority

An SRB may not be paid to any person after the date on the Duration of Authority table. No payments will be made after the termination date unless the entitlement commenced prior to that date.
0904 CSRB

090401. Eligibility

An enlisted member of the Armed Forces, who is serving on active duty in a Regular Component and is qualified in a critical military skill designated by the Secretary of Defense, may be paid a retention bonus as provided in this section, if the member is not serving on an indefinite enlistment and reenlists or voluntarily extends the enlistment for at least 1 year.

090402. Limitations

A. A retention bonus may not be given under paragraph 090401 to a member of the Armed Forces who has completed more than 25 years of active duty or who will complete the 25th year before the end of the period of active duty or active status for which the bonus is offered. This limitation does not apply with respect to a member who is qualified in a skill related to special operations forces.

B. The USD (P&R) or the Principal Deputy, USD (PDUSD) (P&R) may waive the 25-year service limitation on eligibility with respect to a member who, during a period of active duty or service in an active status in a Reserve Component for which the bonus is being offered, is assigned duties in a skill designated as critical.

C. CSRB payments may not be made before the start of the active duty service period for which the CSRB is being awarded, unless specifically authorized by the PDUSD (P&R).

090403. Amount

A. A member may enter into an agreement, reenlist, or voluntarily extend enlistment more than once in order to receive a bonus under this section. However, a member may not receive a total of more than $200,000 in payments under this section.

B. A CSRB amount may not exceed $30,000 unless PDUSD (P&R) has granted an exception.

NOTE: The combined total of CSRB and SRB, in accordance with DoD Directive (DoDD) 1304.21, during an individual’s career, shall not exceed $200,000, unless the PDUSD (P&R) authorizes it for the skill concerned as an exception to policy.

090404. Method of Payment

A bonus under this section may be paid in a single lump sum or periodic installments.
090405. Repayment

A. A member, who does not complete the terms of the retention bonus or who is not technically qualified in the skill for which the bonus was paid, will be subject to the repayment provisions of Chapter 2.

B. A member, who is discharged 12 months or less before the expiration of the terms of the retention bonus, may be considered to have completed the terms of the retention bonus for which the bonus was paid. The Military Departments will determine and advise when repayment is required, since this 12-month rule is not applicable to all early discharges.

*090406. Duration of Authority

The member must:

B. Enlisted members may not be in receipt of any other bonus pursuant to title 37 U.S.C. § 331 for the same period of service.

C. Members who are pending disciplinary action, administrative separation, or mandatory discharge pursuant to any other provision of law or regulation, or who are being evaluated for disability retirement or separation pursuant to 10 U.S.C. Chapter 61 are not eligible for an extension bonus.

D. Additionally, unless otherwise waived by the Secretary concerned, an enlisted member is not eligible for VERB if the additional obligated service will extend the member’s service beyond the member’s mandatory retirement or high-year tenure date.

E. Members may only receive one VERB during their career.

090903. Amount and Method of Payment

Secretaries concerned may pay the bonus in a lump sum or in periodic installments. The bonus amount may not exceed $12,000 for each 12-month period.
