CHAPTER 10

**SPECIAL PAY - DUTY SUBJECT TO HOSTILE FIRE
OR IMMINENT DANGER**1001 ENTITLEMENT PROVISIONS

★ 100101. Policy. A member may be paid special pay for duty subject to hostile fire or imminent danger for any month when the member, while entitled to basic pay for active duty or compensation for inactive duty, also meets the qualifying criteria of this chapter.

A. Hostile Fire Pay (HFP). This entitlement is payable when, as certified by the appropriate commander, a member is:

1. Subjected to hostile fire or explosion of a hostile mine; or
2. On duty in an area in close proximity to a hostile fire incident and the member is in danger of being exposed to the same dangers actually experienced by other Service members subjected to hostile fire or explosion of hostile mines; or
3. Killed, injured, or wounded by hostile fire, explosion of a hostile mine, or any other hostile action.

B. Imminent Danger Pay (IDP). This entitlement is payable when a member is on official duty in a designated IDP area (Figure 10-1).

★ 100102. Payment. Hostile fire/imminent danger pay is payable in addition to all other pays or allowances. It is payable in the full amount without being prorated or reduced, for each month, during any part of which, a member qualifies. Active and Reserve Component members who qualify, at any time during a month, will receive the full amount of HFP/IDP regardless of the actual period of time served on active or inactive duty during that month.

A. Payment Amount. Hostile fire/imminent danger pay is payable at the rate of \$150 for each month of qualifying entitlement except as provided in subparagraph 100102.B.

B. Temporary Increase. Hostile fire/imminent danger pay is payable at the rate of \$225 for each month of qualifying entitlement from October 1, 2002, through December 31, 2004.

1002 DETERMINATIONS OF FACT

100201. Eligibility. The appropriate commander shall certify that the member has met the requirements for entitlement to HFP/IDP for a given month, except when the member is under orders on official duty in one of the designated IDP areas listed in Figure 10-1.

A. Certification of entitlement shall be made at the lowest level of command that includes all the vessels, aircraft, or units subjected to the hostile fire or explosion of hostile mine incident. For example, in the case of a single vessel subjected to hostile fire or explosion of hostile mines, the vessel's commanding officer should certify payment for all Service members on board. If two or more vessels are involved, the commanding officer of the unit that includes all of the vessels should certify eligibility.

B. Certification shall include the name and Social Security Number of each member entitled to the hostile fire pay, a short description of the incident, and when and where it occurred. The certification should be forwarded directly to the servicing financial support office, with a copy to the cognizant regional combatant commander.

C. When the airspace specifically is included in an IDP area designation, members who perform official duty while flying over the area are eligible for HFP/IDP, even if they do not land in the area. When airspace is not specifically designated, members who perform duty over the area are not entitled to HFP/IDP unless they land in the area.

D. Members who perform duty on a vessel performing operational duty while in an area designated for IDP are eligible for HFP/IDP.

E. A death certificate or injury report may be substituted in place of the certification if the document establishes the cause of the death or injury was due to hostile fire or an explosion of a hostile mine.

F. A member is not considered to be on official duty in a designated IDP area and, therefore, is not eligible for HFP/IDP pay if the member is in the area:

1. On leave from a duty station outside the IDP area;
2. While merely transiting (as distinguished from performing official duty) by any means (including vessel, aircraft, and land conveyance) the IDP area as a consequence of traveling between two points, both outside the IDP; or
3. Solely for personal convenience.

100202. Administration. Any determinations of fact made by commanders in the certification of hostile fire are conclusive. Such determinations are not subject to review by any officer or agency of the government, unless there has been fraud or gross negligence. Such determinations, however, may be changed on the basis of new evidence or for other good cause.

1003 SPECIAL SITUATIONS

100301. Member Captured or Missing. A member entitled to HFP/IDP immediately before entering a status of missing, missing-in-action, interned in a foreign country, or captured by a hostile force shall continue to be credited with HFP/IDP for each month while in such a status. (See [Chapter 34](#) for more detailed instructions.)

100302. Hospitalization. A member entitled to HFP/IDP, who is hospitalized for a wound or injury incurred as a result of hostile action, is entitled to HFP/IDP for each month hospitalization continues, up to an additional 3 months after the month in which the wound or injury occurred.

100303. Absence. A member, otherwise entitled to HFP/IDP as a consequence of assignment to a designated IDP area, who is absent from the designated area for an entire calendar month, is not entitled to HFP/IDP for that month.

NOTES:

1. The designation of a land area encompasses all internal waters, unless otherwise noted. For HFP/IDP purposes, the term "internal waters" is defined as waters landward of the baseline drawn in accordance with international law.
2. The designation of a water area (such as the Persian Gulf) includes the territorial seas of those waters, but not the internal waters of the coastal lands. For example, all waters of the Persian Gulf seaward of the baseline of the coastal states, drawn in accordance with international law, would be included in the Persian Gulf designation.
3. Unless otherwise specifically indicated, airspace is NOT part of the included area. When airspace is specifically included, it will normally be that space directly vertically above the approved land or sea area.
4. This figure reflects all designated areas, which were active within the last ten years.
