CHAPTER 17

SPECIAL PAY – HARDSHIP DUTY1701 ENTITLEMENT

170101. General Provisions. Hardship Duty Pay (HDP) is payable to members entitled to basic pay, at a monthly rate not to exceed \$1500, while the member is performing duty designated by the Secretary of Defense as hardship duty. The Secretary of Defense has established that HDP shall be paid to members for performing a designated hardship mission and/or when assigned to a designated location. The approved HDP missions, locations, and the applicable HDP rates are provided in this chapter. HDP rates are payable in addition to all other pays and allowances, except as noted under restrictions.

170102. Mission Assignment Entitlement. Hardship Duty Pay for Mission Assignment (HDP-M) is payable to members, both officer and enlisted, for performing designated hardship missions. Hardship Duty Pay for Mission Assignment is payable at the full monthly rate, without prorating or reduction, for each month, during any part of which, the member performs a specified mission. Active and Reserve Component members who qualify, at any time during a month, shall receive the full amount of HDP-M regardless of the period of time on active duty or the number of days they receive basic pay during the month. A member assigned to, on temporary duty with, or otherwise under the operational control of the Defense Prisoner of War/Missing Personnel Office, the Joint Task Force-Full Accounting, or the Central Identification Lab-Hawaii may qualify for HDP-M based on performance of a hardship mission. Members so assigned are entitled for each month in which they perform investigative or remains recovery duty in a remote, isolated area (including, but not limited to, areas in Laos, Cambodia, Vietnam and North Korea) for recovery of U.S. service member remains.

* 170103. Location Assignment Entitlement. Hardship Duty Pay for Location Assignment (HDP-L) is payable to members for either permanent change of station duty or temporary/deployed/attached duty of over 30 days duration in specified locations. [This entitlement is payable to both officers and enlisted members when assigned for duty in the locations designated in Figure 17-1, under the conditions set forth in Table 17-1.](#)

1702 RATES PAYABLE

170201. Mission Assignment Rates. Hardship Duty Pay - M is payable to all members at the rate of \$150 per month.

170202. Location Assignment Rates. Hardship Duty Pay - L is payable to all members at the rates shown in Figure 17-1.

[170203.](#) Dual Payments. A member may receive dual payment of HDP-M and HDP-L during any 1 month provided the monthly rate of \$1500 is not exceeded.

2. The special pay is currently payable when ending date is not shown in “Through” column.
3. The HDP-L allowance decreases to a maximum payment of \$100 when service members are authorized a concurrent payment of \$225.00 for Hostile Fire Pay/Imminent Danger Pay. See paragraph 170301.D.

16			is in confinement as result of court-martial sentence	

NOTES:

1. If already in a location when it is designated a hardship duty area, then the day of designation starts pay for those on permanent duty and begins the count towards the 30-day entitlement criteria for those on temporary duty. Absences from an HDP-L area of less than 24 hours do not break continuity. A member on operational flight duty, temporary duty, or hospitalized in an area on the date it becomes designated for HDP-L may count the number of consecutive days already served in that area immediately preceding the date of designation. Additionally the member may count the number of consecutive days served in a different designated area or areas if the member served in such area(s) immediately preceding arrival in the newly designated area. In any case, entitlement to payment for HDP-L cannot accrue for any area prior to the date it is designated.
2. Any enroute TDY/TAD, travel time or leave will accrue hardship duty location pay at the PDS/prevaling area rate. Hardship Duty Pay terminates if more than 30 days pass before a member (other than a member with accompanied status at an HDP-L PDS) reports for duty in another designated area.
3. If time from more than one designated area is combined to meet the 30-day qualifying criteria, then pay the rate for the area at which the greatest time was earned during the first 30 days. After the first 30 days pay the applicable rate for the area in which duty is served, prorated if necessary.
4. Rule 2 applies when a medical evacuee has been reassigned on PCS from the designated area for medical treatment
5. Non-judicial punishment does not result in loss of hardship duty pay.
