## CHAPTER 17

SPECIAL PAY – HARDSHIP DUTY1701 ENTITLEMENT

170101. General Provisions. Hardship Duty Pay (HDP) supersedes foreign duty pay (FDP). Hardship Duty Pay was established effective February 4, 1999, and FDP was terminated effective February 3, 1999. Hardship Duty Pay is payable to members entitled to basic pay, at a monthly rate not to exceed \$1500, while the member is performing duty designated by the Secretary of Defense as hardship duty. The Secretary of Defense has established that HDP shall be paid to members for performing a designated hardship mission, when assigned to a designated location and/or, when serving on a designated involuntary extension of duty. The approved HDP missions, locations, and involuntary extensions of duty requirements and the applicable HDP rates are provided in this chapter. Except as noted under restrictions, HDP rates are payable in addition to all other pays and allowances.

170102. Mission Assignment Entitlement. Hardship Duty Pay for Mission Assignment (HDP-M) is payable to members, both officer and enlisted, for performing designated hardship missions. Hardship Duty Pay for Mission Assignment is payable at the full monthly rate, without prorating or reduction, for each month, during any part of which, the member performs a specified mission. Active and Reserve Component members who qualify, at any time during a month, shall receive the full amount of HDP-M regardless of the period of time on active duty or the number of days they receive basic pay during the month. A member assigned to, on temporary duty with, or otherwise under the operational control of the Defense Prisoner of War/Missing Personnel Office, the Joint Task Force-Full Accounting, or the Central Identification Lab-Hawaii may qualify for HDP-M based on performance of a hardship mission. Members so assigned are entitled for each month in which they perform investigative or remains recovery duty in a remote, isolated area (including, but not limited to, areas in Laos, Cambodia, Vietnam and North Korea) for recovery of U.S. service member remains.

170103. Location Assignment Entitlement. Hardship Duty Pay for Location Assignment (HDP-L) is payable to members for either permanent change of station duty or temporary/deployed/attached duty of over 30 days duration in specified locations. Effective January 1, 2001, there are two mutually exclusive types of HDP-L.

A. Hardship Duty Location Pay for Designated Areas (HDP-L(DA)) is payable to both officer and enlisted members when assigned to duty in the locations designated in Figure 17-1, under the conditions set forth in Table 17-1.

B. Hardship Duty Location Pay for Certain Places (HDP-L(CP)) is payable only to enlisted members when assigned to duty in the locations designated in Figure 17-2, under the conditions set forth in Table 17-2.

170104. Involuntary Extension of Duty Entitlement. Hardship Duty Pay for involuntary extension of duty is payable only to members assigned or attached to specific units deployed to the Iraqi area of operations. The only qualifying units are those specifically

identified by the Combatant Commander for this purpose. Hardship Duty Pay for involuntary extension of duty is payable in addition to other HDP types as long as the total does not exceed a monthly rate of \$1500. There are three independent qualifying effective dates with criteria as follow:

A. Effective January 20, 2004, the Principal Deputy Under Secretary of Defense, Personnel and Readiness (PDUSD (P&R)) authorized HDP for members assigned or attached to specified units identified by the Combatant Commander as having been required to remain in Iraq beyond the normal 12-month rotation return date. Additionally, the individual member must have been deployed to Iraq (including staging time in Kuwait) and/or Afghanistan for 12 months within a 15-month period (365 days out of 450 days). NOTE: The authority issued on January 20, 2004, was rescinded. The policy was replaced, with no material changes, by PDUSD (P&R) policy memorandum dated April 12, 2004.

B. Effective April 22, 2004, the PDUSD(P&R) authorized HDP for members assigned to theater units not based in Iraq, who routinely conduct operations in Iraq or support units that conduct operations in Iraq. The only qualifying units are those specified by the Combatant Commander as having been involuntarily extended beyond the normal 12-month rotation return date. Additionally, the individual member must have been deployed to Iraq (including staging time in Kuwait) and/or Afghanistan and/or the location of the unit for 12 months within a 15-month period (365 days out of 450 days).

C. On June 24, 2005, continued payment of HDP in effect under the April 12th and 22nd, 2004 memoranda for members in units involuntarily extended beyond 12-months Boots on Ground (BoG) in Iraq was authorized. The program was also expanded to include Afghanistan and any individual member involuntarily extended beyond 12-months BoG in Iraq, Afghanistan or in certain theater units (units that routinely conduct operations or support units that conduct operations in Iraq or in Afghanistan, but are not based in those countries). The policy issued on June 24, 2005, rescinded the April 12th and 22nd, 2004 memoranda referenced in subparagraphs 170104.A and B.

## 1702 RATES PAYABLE

170201. Mission Assignment Rates. Hardship Duty Pay-M is payable to all members at the rate of \$150 per month regardless of pay grade.

170202. Location Assignment Rates. Hardship Duty Pay-L is payable as follows:

A. Hardship Duty Location Pay for Designated Areas is payable to all members, regardless of pay grade, at the rates shown in Figure 17-1.

B. Hardship Duty Location Pay for Certain Areas is payable only to enlisted members at the rates listed below.

<u>Grade</u>	<u>Monthly Rates</u>
E-9	\$22.50
E-8	22.50
E-7	22.50
E-6	20.00
E-5	16.00
E-4	13.00
E-3	9.00
E-2	8.00
E-1	8.00

170203. Involuntary Extension of Duty Rates. Hardship Duty Pay for involuntary extension of duty is payable at a monthly rate of \$200. It is not to be prorated for partial months, but will be payable in the full \$200 amount for any month during which the member meets qualifying criteria.

170204. Dual Payments. A member may receive dual payment of HDP-M and HDP-L during any 1 month provided the monthly rate of \$1500 is not exceeded.

### 1703 RESTRICTIONS ON PAYMENT

#### 170301. General Restrictions

A. The maximum total HDP (HDP-L, HDP-M and HDP for involuntary extension of duty) that may be paid to an individual member in any 1 month is \$1500.

B. The maximum total HDP-M that may be paid to an individual member in any 1 month is \$150.

C. The maximum total HDP-L that may be paid to an individual member in any 1 month is \$150.

D. Effective February 15, 2007, the maximum total HDP-L that may be paid to an individual member in any 1 month who is also in receipt of Hostile Fire Pay/Imminent Danger Pay (HFP/IDP) is \$100 and the total entitlement of HDP-L plus HFP/IDP in any 1 month may not exceed \$325.

E. The maximum total HDP for involuntary extension of duty that may be paid to an individual member in any 1 month is \$200.

170302. Location Assignment Restrictions. Prorate or restrict payment of HDP-L in accordance with the following guidance.

A. Hardship Duty Pay-L entitlement ends:

1. On the day the member departs the station as a result of permanent change of station reassignment;

2. On the last day of the effective period as stated in Figures 17-1 and 17-2 (except as provided in subparagraph 170302.B); or

3. On the day specified in Tables 17-1 and 17-2 for specific situations.

B. Hardship Duty Pay-L (CP) entitlement began to phase out on January 1, 2002. On December 31, 2001, all locations in Figure 17-2 were closed. Only enlisted members assigned to those locations on that date individually will have rate protection. Within the rules of Table 17-2, those personnel will continue to receive HDP-L (CP) until they depart from the station as a result of permanent change of station reassignment.

C. Hardship Duty Pay-L (CP) is not payable to members who are residents of a designated hardship duty location while serving on otherwise qualifying duty within that state, possession, or foreign country. A member's residence shall be the same as the member's designated legal residence for income tax purposes.

D. Hardship Duty Pay-L (CP) is not payable to midshipmen, aviation cadets, or academy cadets.

E. Hardship Duty Pay-L (CP) is not payable to members receiving career sea pay for the same period of service.

F. Hardship Duty Pay-L (CP) is not payable for any period a member is in a non-pay status.

**NOTES:**

1. If already in a location when it is designated a hardship duty area, then the day of designation starts pay for those on permanent duty and begins the count towards the 30-day entitlement criteria for those on temporary duty. Absences from a designated location of less than 24 hours do not break continuity. After March 30, 2003, for purposes of satisfying the requirement to perform more than 30 days of continuous duty in a designated location, a member on operational flight duty, temporary duty, or hospitalized in an area on the date it becomes designated for HDP-L may count the number of consecutive days already served in that area immediately preceding the date of designation. Additionally the member may count the number of consecutive days served in a different designated area or areas if the member served in such area(s) immediately preceding arrival in the newly designated area. In any case, entitlement to payment for HDP-L cannot accrue for any area prior to the date it is designated.
2. Any enroute TDY/TAD, travel time or leave will accrue hardship duty location pay at the PDS/prevaling area rate. Hardship Duty Pay terminates if more than 30 days pass before a member (other than a member with accompanied status at an HDP-L PDS) reports for duty in another designated area.
3. If time from more than one designated area is combined to meet the 30-day qualifying criteria, then pay the rate for the area at which the greatest time was earned during the first 30 days. After the first 30 days pay the applicable rate for the area in which duty is served, prorated if necessary.
4. Rule 2 applies when a medical evacuee has been reassigned on PCS from the designated area for medical treatment
5. Non-judicial punishment does not result in loss of hardship duty pay.
