## CHAPTER 32

ADVANCE, LOCAL, PARTIAL AND EMERGENCY PARTIAL PAY3201 ADVANCE PAYMENTS320101. Advance Pay for Permanent Change of Station (PCS)

A. General Provisions. The purpose of an advance payment is to give funds to a member to meet extraordinary expenses incident to a government-ordered relocation. It is intended to assist with the out-of-pocket expenses, not typical of day-to-day military living, that precede or exceed reimbursements incurred in a member's change of duty locations. An advance of pay shall not be authorized for the specific out-of-pocket expenses covered by advances of other allowances and entitlements, if those advances are used (to include travel allowances and per diem, overseas station housing allowance, basic allowance for housing, and dislocation allowance).

\* B. Commander's Responsibility. The member's commander has a responsibility to ensure that an advance of pay is used only to help with the financial burden of a PCS. This financial burden can be complicated when a member files for bankruptcy. Commanders should be aware when a member has filed for bankruptcy and then makes a request for an advance pay. Some Bankruptcy Court jurisdictions hold that a creditor does not have the authority to recoup any post-petition debt, including advance pay, without permission from the Bankruptcy Court. This is true in cases when a member has filed a Chapter 13 bankruptcy. In such instances, the government may not be able to collect any amount of the advance pay unless the Defense Finance and Accounting Service (DFAS) receives approval from the court or after the bankruptcy is discharged or terminated. Additionally, in situations when DFAS has withheld funds for repayment of the advanced pay, DFAS will have to return the funds to the member. Accordingly, commanders should approach such advance pay requests fully aware that the government may not be able to collect the advance pay from the member even though the advanced pay was issued after the member filed for bankruptcy.

C. Entitlement. The conditions and amounts payable are contained in Table 32-1.

D. Repayment. Advances are repaid per Table 32-2.

E. Effect on Allotments. Do not pay an advance of pay in an amount that will require the stoppage of allotments for insurance or support of dependents. No allotment may be started after the advance is made if that allotment would prevent repayment of the advance of pay within the allowed period. If separation of the member from the Service is imminent, then stop all allotments necessary to collect the advance.

F. Military Service Regulations. The following regulations provide additional guidance appropriate for the specified Military Service:

1. Army: [AR 37-104-4](#)
2. Navy: [MILPERSMAN 7220](#)
3. Marine Corps: [MCO 7220.21E](#)
4. Air Force: [AFMAN 65-116 VI](#)

320102. Advance of Pay and Allowances. The purpose of an advance of pay is to ease hardships imposed by the lack of regular payments when a member is mobilized, ordered to duty at distant stations, or deployed aboard ships for more than 30 days.

A. Entitlement. The conditions and amounts payable are contained in Table 32-1, rules 7 through 10.

B. Repayment. These advances are repaid per Table 32-2, rules 3 through 5 and rules 10 through 13.

320103. Advance Pay for Assignment of 1 Year or More to Hostile Fire/Imminent Danger Pay Area

A. Entitlement. A member may be paid an advance of basic pay not to exceed 3 months less deductions. The conditions and amounts payable are contained in Table 32-1, rule 3.

B. Repayment. This advance is repaid based on Table 32-2, rule 6.

320104. Advance Pay When Ordered to Indoctrination Center

\* A. Entitlement. A member may be paid an advance of basic pay not to exceed 15 days. The conditions and amounts payable are contained in Table 32-1, rule 4.

B. Repayment. Collect the advance in full from the member's next available payday.

320105. Advance of Basic Allowance for Subsistence (BAS)

A. Entitlement. An enlisted member may be paid an advance of BAS not to exceed 3 months if the member is entitled to BAS and the commanding officer authorizes the payment following a determination that it is necessary. Individual Military Service regulations may limit BAS advances to less than 3 months.

B. Repayment. This advance is repaid based on Table 32-2, rule 7.

320106. Advance Pay Upon Evacuation of Members or Dependents. The purpose of this advance is to give funds to evacuated members or dependents to cover costs of travel, food, and other needs.

A. Entitlement. The conditions and amounts payable are contained in Table 32-1, rule 5.

B. Repayment. The advances are repaid per Table 32-2, rule 8.

320107. Advance of Allotment(s) to Dependents. The purpose of this advance payment is to allow a member to be paid the amount of an allotment(s) to dependent(s) if the member is assigned or scheduled for assignment to sea duty or other duty with a unit or command deployed or to be deployed outside the United States and the allotment(s) is made by the member not more than 60 days before the scheduled date of the assignment of the member to this duty.

A. Entitlement. The conditions and amounts payable are contained in Table 32-1, rule 6.

B. Repayment. This advance is repaid per Table 32-2, rule 9.

320108. Advance Pay for Members of the Armed Forces Health Professions Scholarship Program (AFHPSP) on Active Duty

A. Entitlement. An advance of pay, not to exceed basic pay for 1 month, may be paid to a member of the AFHPSP when reporting for the annual 45-day active duty tour.

B. Repayment. Collect the advance in full by the end of the 45-day active duty tour.

320109. Military Paydays

A. Since September 1, 1987, and except for an authorized midmonth payroll, payday is the first calendar day of the month after the month in which the entitlement was earned.

B. Except for payrolls otherwise payable on October 1, if the payday falls on a Saturday, Sunday, or Federal legal holiday, payment is authorized on the preceding workday, but not more than 3 days before the scheduled payday. This exception applies to foreign holidays recognized abroad by United States Forces. It also applies to payments made to members upon separation from the Military Service through retirement or discharge when the last day of active duty falls on a Saturday, Sunday, or Federal legal holiday.

C. For payrolls otherwise payable on October 1, the Secretary of Defense shall determine if the payroll may be dated in September.

D. If a member dies after receiving an advance payment under any of the provisions in paragraphs 320102 through 320108, then the U.S. government may not recover any part of the payment.

320110. Advance of Housing Allowances. An advance of Basic Allowances for Housing and overseas housing allowance may be authorized under the terms and conditions in the [Joint Federal Travel Regulations \(JFTR\), Volume 1, Chapters 9 and 10.](#)

320111. Advance Pay for Senior Reserve Officer Training Corps (SROTC) Cadets and Midshipmen Ordered to Field Training or Practice Cruises. An advance of pay, not to exceed the entitlement for 1 month, or the amount the SROTC member will accrue for the training, whichever is less, may be paid to an SROTC member who is ordered to perform field training or a practice cruise. Collect the advance in full from the member's field training or practice cruise entitlement.

### 3202 LOCAL, PARTIAL, AND EMERGENCY PARTIAL PAYMENTS

320201. Local and Partial Payments. These payments are authorized only for overseas areas where on-base military banking facilities are not readily available. Exceptions may be granted for members assigned to classified or contingency operations where the exigencies of their assignments may require local cash or partial payments. In this circumstance, the member's commander may authorize immediate cash payments up to the amount of accrued entitlement to date, when deemed appropriate to the mission (see Table 32-3).

#### 320202. Emergency Partial Payment

A. For members residing or assigned within the United States (including Alaska and Hawaii), this is a payment deemed time sensitive and required within 24 hours due to an unforeseen set of circumstances or the resulting state that calls for immediate action (see Table 32-3). Payment shall be made in an expeditious manner, e.g., direct deposit or a check payment. The supporting DFAS site may be able to affect overnight electronic funds transfer (EFT) payment if circumstances warrant.

B. The member's commander, in coordination with the supporting finance office, may authorize emergency payments, up to the amount of accrued entitlement to date in the Master Military Pay Account (MMPA) in the following circumstances:

1. Emergency pay and allowances earned to date as reflected on the MMPA, when no pay was received on regular payday or when there is a major medical emergency or death in the member's immediate family and payment is needed within 24 hours.

2. Emergency travel advance, when the traveler does not have a government travel charge card.

3. Discharge gratuity (as required by [Table 35-11](#)), when payment is needed within 24 hours.

4. Payment of military death gratuity benefit to a beneficiary, when payment is needed within 24 hours.

5. Payment to military member of advance pay and allowances and/or evacuation allowance, when dependents must be evacuated as result of a natural disaster or life threatening situations.

6. Payment to dependents, when forfeiture of pay and allowances is waived under conditions defined in subparagraph [480306.C](#).
