CHAPTER 34

**PAY ENTITLEMENT OF MEMBERS MISSING, MISSING IN ACTION (MIA),
INTERNEED, AND PAYMENTS TO DEPENDENTS**

3401 GENERAL

340101. Purpose

This chapter establishes policy regarding pay entitlements of service members missing, MIA, interned, and payments to dependents. A member in a missing status is entitled to the pay and allowances to which the member was entitled when the missing status began, or to which the member later becomes entitled. The fact that the member did not receive payment before entering a missing status does not affect the right to a certain pay or allowance.

340102. Authoritative Guidance

The authoritative references are listed at the end of this chapter.

3402 DEPENDENT

See Volume 7A, Definitions for the general definition of a dependent. For the purposes of this chapter, the term dependent also means a person designated as a dependent in the “missing” member’s official records, or a person determined to be a dependent of the “missing member” by the Secretary of the Military Service concerned.

***3403 MISSING PERSONS’ PAY ACCOUNTS UNDER THE MISSING PERSONS ACT**

The Secretary of the Military Service concerned makes official determinations on missing status or death. The Director of the Defense Finance and Accounting Service (DFAS) makes determinations necessary for the administration of missing persons’ accounts under the Missing Persons Act. These include determinations of facts of dependency, starting, stopping, or changing allotments of pay, waiving recovery of erroneous payment or overpayment, and settling accounts.

3404 ENTITLEMENT TO PAY AND ALLOWANCES WHILE IN A MISSING STATUS

340401. General

See Table 34-1 for a list of all pay and allowances.

340402. Basic Allowance for Housing (BAH) and Basic Allowance for Subsistence (BAS) Entitlement

Members without dependents are entitled to BAH at the without-dependent rate. Enlisted members are entitled to BAS. Payments of these allowances are authorized from the beginning of

the missing status, even though there was no housing or subsistence allowance entitlement before the missing status began.

*3405 ALLOTMENTS FOR MEMBERS IN MISSING STATUS

Allotments in effect before a member enters a missing status may be continued. As directed by [the Director of DFAS](#), allotments may be initiated, suspended, resumed, increased, decreased, or discontinued where circumstances so warrant in the interests of the missing member, the dependents, or the government.

3406 TAX WITHHOLDING FOR MEMBERS IN MISSING STATUS

See Chapter 44 [for tax withholding for members in missing status](#).

3407 REVIEW OF CASE AFTER 12 MONTHS AND FINDING OF DEATH

340701. Review of Case After 12 Months

When a 12-month period (starting from the date of the member's absence) is about to end and the member has not been reported officially as dead, imprisoned or interned, the case is fully reviewed. After this review and when the 12-month period has ended, or following any later review warranted by information received, or other circumstances, the Secretary of the Military Service concerned:

A. Directs continuance of the member's missing status, if the member reasonably may be presumed to be living; or

B. Makes a finding of death.

340702. Continuance of Member's Missing Status

When a member continues in a missing status under subparagraph 340701.A, credit pay and allowances to his or her account. Allotments are continued, discontinued, increased, or initiated as provided in Chapters 40 through 43. When the Secretary of the Military Service concerned officially reports that a missing member is alive and in the hands of a hostile force, or is interned in a foreign country, allotment payments are authorized. These payments on the member's behalf continue through the date on which the Secretary of the Military Department concerned receives evidence that the member is dead. When a member returns to Military Service control, the member resumes control of allotments.

340703. Finding of Death

A finding of death includes the date upon which death is presumed to have occurred for the purposes of stopping pay and allowances, settlement of accounts, and payment of death gratuities. This date is the day following the day the member has been absent 12 months, unless

the missing status continues beyond that day. In this case, the date of death is the date determined by the Secretary of the Military Department concerned.

340704. Change in Date of Death

Payment of an account made following a report, determination, or finding of death may not be recovered, and the case may not be reopened, because of a later report or determination fixing an earlier date of death. If a later date of death is established, then the account is reopened and settled on the basis of the later date.

3408 PAYMENT OF DEATH GRATUITY

See Chapter 36 for payments when a member in a missing status is reported dead, or for whom a finding of death is made.

3409 ACCRUED LEAVE

340901. Accumulation

Members, while in a missing status, can accumulate leave without regard to any leave accrual limitations stated in Chapter 35. However, a member whose death is determined under section 3407 may, in addition to leave accrued before entering a missing status, accrue not more than 150 days of leave during the period of a missing status, unless the actual date of death is found to have occurred on a date when the member had accrued leave in excess of 150 days. Leave accumulated while in a missing status may not be taken, but shall be paid.

340902. Settlement

Leave accumulated while in a missing status will be accounted for separately and settled according to subparagraphs 340902.A and B.

A. Return From Missing Status. Members will be paid for all leave accumulated while in a missing status as soon as possible after return from a missing status. Items to be included in the accrued leave payment are provided in [Chapter 35, paragraphs 350202 and 350203](#). Computation will be based on the rates to which the member was entitled on the date that his or her name was removed from the missing status.

B. Death in a Missing Status. Notwithstanding the death of a member while in a missing status, leave will continue to accrue to his or her account through the date that the Secretary of the Military Department concerned (or designee) receives evidence that the member is dead or through the date of death as prescribed or determined under section 3407. Although leave will accrue for the entire missing status period, the actual accrued leave settlement will vary according to circumstances.

1. Death Prior to Fifth Year MIA Status. Payment for unused leave accrued to the member's credit while in a missing status is for 150 days, providing that he or she

was continued in a missing status for 5 or more years. Payment for 150 days is made even though it later is found that member's actual death occurred within the first 5 years after entry into missing status or upon entry into such status. Settlement for accrued leave is based on the amount of leave accrued to the member's credit before entering the missing status and the 150 days of leave described in paragraph 341001. Items to be included in the accrued leave payment are identified in [Chapter 35, paragraphs 350202 and 350203](#). Computation is based on the rates to which the member was entitled on the date of death.

2. Death Subsequent to Fifth Year MIA Status. When it is found that the member's actual death occurred subsequent to the fifth year after entry into a missing status, payment for unused leave accrued to his or her credit while in a missing status is for the total accrued until death. Settlement for accrued leave is based on the amount of leave accrued to the member's credit before entering the missing status plus the accrual until death described herein. Items to be included in the accrued leave payment are identified in [Chapter 35, paragraphs 350202 and 350203](#). Computation is based on the rates to which the member was entitled on the date of death.

3. Death, MIA Status Less Than 5 Years. Payment for unused leave accrued to a member's credit while in a missing status, when he or she was continued in a missing status for less than 5 years, is for the total accrued through the date that the Secretary of the Military Department concerned makes a finding of death. Settlement for accrued leave is based on the amount of leave accrued to the member's credit before entering the missing status plus the accrual until finding of death described herein. Items to be included in the accrued leave payment are identified in [Chapter 35, paragraphs 350202 and 350203](#). Computation is based on the rates to which the member was entitled on the date of death.

4. Special Conditions of Entitlement. Settlement of accrued leave for a deceased member who was promoted while in a missing status is based on the amount of leave accrued to his or her credit before entering the missing status and the amount of leave accumulated in a missing status as provided in the applicable provisions of subparagraphs 340902.B.1, 2, or 3. Computation is based on the grade to which promoted and rate of pay in effect on the date of the presumed finding or the date of the determination of death. This will apply even though the Secretary of the Military Department concerned later determines that the member died before the date of promotion. See Table 34-1, rule 6.

NOTES:

1. Members without dependents are entitled to BAH at the without-dependent rate. Enlisted members are entitled to BAS. See paragraph 340402.
2. A member may qualify for FSA-Temporary while in a missing status if the continuous period of more than 30 days is completed after entering the missing status. (See Chapter 27, paragraphs 270403 and 270404.)
3. Travel per diem and clothing monetary allowances do not accrue during a missing status, even though member was entitled to them when missing status began.
4. See Chapter 44 to determine possible Combat Zone Tax Exclusion implications.
5. When facts or events warrant, the Secretary of the Military Department concerned may change or modify a prior determination.
6. This applies even though the Secretary of the Military Department concerned is later made aware that the member died before the date of promotion.
7. For example, if the sole dependent of a missing member dies, credit for BAH at the with-dependent rate ceases, and any allotment in force in the dependent's favor is stopped and deductions cease.
