CHAPTER 42

DISCRETIONARY ALLOTMENTS

4201 RESTRITIONS ON DISCRETIONARY ALLOTMENTS

420101. General. Military Service members are authorized no more than six purely discretionary allotments. Discretionary allotments are considered as class D allotments, and examples are indicated in sections 4202 through 4206 of this chapter. Service members are authorized no more than one discretionary allotment to the same allottee.

420102. Savings Provision. All existing approved registered allotments of military pay and allowances from active duty and retired members that were authorized previously by this part at the time registered may be continued as approved allotments. If any such allotments are discontinued, then they may not be reestablished except as a new allotment in accordance with the requirements of this part. Any change in the allotment initiated by the member is considered to be a discontinuance, except those that are beyond the control of the member. Changes beyond the control of the member are administrative changes that are dictated by events incidental to the allotment, i.e., name and address changes, or mortgage payment changes because of a variable rate mortgage or changing escrow requirements. Although the changes in this paragraph do not constitute a discontinuance, such administrative changes that adjust the amount of the allotment shall be accepted only when the member initiates a new allotment request. Discontinuance occurs with any mortgage refinancing action.

420103. Allotments to Nonindividuals. Allotments shall be sent by direct deposit/electronic fund transfer.

4202 ALLOTMENTS TO DEPENDENTS OR RELATIVES

420201. Authorized Allottee. Officers and enlisted members of the Military Services may authorize allotments of pay to their dependents, relatives, or divorced spouse. These allotments may be authorized by the member or administratively initiated under procedures established by the Military Service concerned. It may be made payable to an individual or to a financial organization for credit to the account of the allottee, or a joint account of the allotter and allottee. The member may request to stop a dependent allotment administratively started.

420202. Locally Paid Dependent Allotment (Class X) – Army and Air Force Only. This allotment is locally paid and is authorized only in emergency circumstances which prevent the member from supporting the member’s dependent(s) by the usual means. It may be paid directly to the member’s dependent or made payable to a financial organization for credit to an account. This allotment is intended to be flexible enough to cope with the various types of emergencies that may arise. The following are examples where an Army or Air Force member may authorize a class X allotment:
Example 1: An Army member stationed overseas (including Alaska and Hawaii) with dependents residing in the same overseas area but in a different foreign country may authorize a class X allotment (Type I) for an indefinite period.

Example 2: An Army member, stationed anywhere, who is required to depart the permanent station in a timeframe which precludes normal arrangements for support of dependents may authorize a class X allotment (Type II) for a definite period not to exceed 6 months. If the member has not returned to the permanent station by the date the allotment is due to expire, then the commander may extend the allotment for another 6 months.

Example 3: An Air Force member stationed overseas (including Alaska and Hawaii) with dependents residing in the same overseas area may authorize a class X allotment for an indefinite period during periods the member is away from the permanent station.

Example 4: An Air Force member stationed anywhere, may authorize a class X allotment for a one-time emergency payment.

Example 5: An Air Force member, stationed anywhere, who is in a temporary duty status for more than 30 days may authorize a class X allotment for a period not to exceed 6 months. If the member has not returned to the permanent station by the date the allotment is due to expire, then the accounting and finance officer or the appointed agent establishes a class D allotment to replace the class X allotment.

420203. Allotment or Deduction for Rent. An allotment or deduction of pay may be authorized by the appropriate Secretary of the Military Department (or designee) concerned for the payment of rent of premises occupied for dwelling purposes by the spouse, children, or other dependents of a member. Such allotment or deduction will be processed in accordance with the procedural instructions of the Military Service concerned.

4203 INSURANCE ALLOTMENTS

420301. Purpose. Allotments are authorized to be made by all Military Service members for paying insurance premiums.

420302. Eligible Allottees

A. United States Government Life Insurance/National Service Life Insurance. The allottee for this allotment is:

Department of Veterans Affairs (VA)
Insurance Center
P.O. Box 8079
Philadelphia, PA 19101
A member may have only one National Service Life Insurance allotment. If the member has more than one policy in effect under one class of insurance, or a combination of United States Government Life Insurance and National Service Life Insurance, then the premium payments are combined into one allotment.

B. Commercial Insurers. Commercial insurers are eligible allottees. All new allotments for paying premiums on commercial insurance must be approved under the following Military Service regulations:

1. Army: AR 37-104-4 and AR 210-7
2. Navy and Marine Corps: SECONAVINST 1740.2D Series
3. Air Force: AF Supplement to DoDI 1344.7 AFI 36-2917

All payments to an insurer are made to the home office of the agency issuing the policy or to a branch office named by the home office. A member is not authorized to establish an insurance allotment to a financial institution where the allotment is established for and/or controlled by the insurance company. A member may have more than one allotment for commercial insurance. If the member has more than one insurance policy with the same company, then premium payments must be combined into one allotment to that company.

C. Navy Mutual Aid Insurance (Navy and Marine Corps only). The Navy Mutual Aid is an authorized allottee for the payment of life insurance. If the member has both the regular premium and the extra hazardous duty premium, then the payments must be combined into one allotment.

420303. Effective Dates for Starting, Changing, and Stopping Insurance Allotments. Tables 42-1, 42-2, and 42-3 prescribe effective dates to start, change, or stop insurance allotments.

420304. Mandatory Stoppages

A. When Required. Table 42-3 gives conditions which require stopping insurance allotments.

B. Temporary Indebtedness or Forfeitures

1. Navy and Marine Corps Members. Do not stop a National Service Life Insurance allotment because of temporary indebtedness due to a request for collection of pay, or because of an authorized advance of pay, or temporary forfeiture of pay imposed by sentence of court-martial.

C. Cash Deposit for Insurance. Navy or Marine Corps members in a nonpay status may make cash deposits to protect a National Service Life Insurance allotment.

4204 ALLOTMENTS TO FINANCIAL ORGANIZATIONS AND INVESTMENT FIRMS

Officers and enlisted members may authorize allotments of pay to financial organizations for credit to the account of the member. Allotments may be deposited to a financial organization for credit to a savings, checking, or trust account of the allottee without restricting the use of the funds allotted, or a mutual fund company or investment firm.

4205 ALLOTMENTS FOR PAYMENT OF MORTGAGE OR RENT

Authorized Allottee. Officers and enlisted members may authorize allotments of pay for mortgage or rent payment to a financial institution, mortgage company, and realtor or to a landlord. See paragraph 420101, for restrictions that apply to this type of allotment.

4206 ALLOTMENT FOR THE SAVINGS DEPOSIT PROGRAM

Active duty officers and enlisted members may authorize an allotment into the Savings Deposit Program. Such allotment shall be processed in accordance with the procedural instructions of the Military Service concerned. However, the restrictions in Chapter 51 are applicable when starting this type of allotment.

4207 OTHER ALLOTMENTS

The restrictions in Chapter 41, section 4108 are applicable when starting those types of allotments are enlisted members may authorize an allotment for payment of car or personal loans. Air Force members may authorize an allotment to the Air Force Enlisted Members Widow’s Home.
