## CHAPTER 50

**STOPPAGES AND COLLECTIONS OTHER THAN  
COURTS MARTIAL FORFEITURES**5001 VOLUNTARY AND INVOLUNTARY COLLECTIONS

500101. Collection With Member's Consent. Members indebted to the United States will be encouraged to discharge their indebtedness through lump-sum cash payment when possible. When the amount of the debt relative to the member's ability to repay indicates that lump-sum settlement would create financial hardship for the member, installment payments will be accepted. Members will be encouraged to voluntarily accept liability for their indebtedness and to agree to a repayment schedule which adequately protects the interests of both the United States and the member.

500102. Collection Without Member's ConsentA. Current Pay

1. Current pay is available for repayment of an indebtedness without the member's consent only if such recovery is authorized expressly by statute.

2. Where Tables 50-1 through 50-5 authorize collection to be made "involuntarily," there is a statute authorizing such collection. When the indebtedness is a type for which there is no statute authorizing collection from pay, the Tables authorize collection "with member's consent."

B. Final Pay. When a member receives final pay on separation, indebtedness to the United States may be collected under the general rule of setoff without specific statutory authority. Under this rule, debts which may be collected from current pay only with the member's consent may be collected from final pay and allowances without the member's consent. Amounts owed to a Service relief society (i.e., Army Emergency Relief, the Navy Relief Society, the Air Force Aid Society, or the Coast Guard Mutual Assistance) also may be collected from final pay without the member's consent (37 U.S.C. 1007(c) and (h) (reference (aa))).

500103. Limitation on Collections

A. Current Pay. Some of the laws authorizing collection of indebtedness from a member's pay impose restrictions on the amount that may be collected or on the items that may be collected or on the items of pay from which collection may be made. These limitations are shown in Tables 50-1 through 50-6. When a member voluntarily authorizes collection, a rate of collection agreeable to the member and the disbursing officer is determined within guidelines shown in the Tables; however, collection in greater amounts may be authorized or requested by the member.

B. Final Pay. Table 50-6 shows which items of final pay and allowances are available for setoff of debts. The items shown as not available are specifically exempted by statute.

C. Gross Pay. Compute gross pay by adding together basic pay, all special and incentive pays, and all reenlistment bonuses. Gross pay does not include allowances or reductions in pay, such as forfeitures and Montgomery GI Bill.

D. Disposable Pay. Disposable pay when used to calculate maximum allowable deduction, is computed by deducting the following from gross pay of active duty members: Federal Insurance Contributions Act (FICA), Armed Forces Retirement Home, Federal Income Tax Withholdings (FITW), Dependent Dental Plan (DDP), Servicemembers' Group Life Insurance (SGLI), State Income Tax Withholdings (SITW). For Reservists, the deductions to calculate disposable pay are: FICA, FITW, SITW, SGLI and DDP.

500104. Installment Deduction for Indebtedness to the United States. Statutory authority to collect indebtedness to the United States by deductions from the member's pay exists under 37 U.S.C. 1007(c) (reference (aa)), 5 U.S.C. 5514 (reference (cl)). Other statutes authorize collection of specific classes of debts. It shall be the policy of the Military Departments to collect debts owed to the Department of Defense or any of its instrumentalities or other Uniformed Services under 37 U.S.C. 1007(c) (reference (aa)). Debts administratively determined to be owed the United States or any of its instrumentalities, other than the Department of Defense or other Uniformed Services, shall be collected under 5 U.S.C. 5514 (reference (cl)). Court judgments against a member in favor of the United States may not be collected under Public Law 97-276, October 2, 1982 (reference (cm)).

A. Collections Under 37 U.S.C. 1007(c) (reference (aa)). The law authorizes the deduction from a member's pay of amounts that the Secretary of the Military Department concerned (or designee) administratively determines to be owed the United States or any of its instrumentalities. Where a member of one Military Service owes a debt to another Military Service and the creditor Service makes an administrative determination of indebtedness, the creditor Service may forward that determination, along with a certification of compliance with the appropriate procedures set forth below, to the cognizant DFAS Center. That Center then may initiate collection action.

1. Categories of Debt

a. All debts will be divided into three categories: Adjustments of \$100 or less, routine adjustments of greater than \$100, and debts requiring due process. A routine adjustment corrects an overpayment resulting from clerical or administrative errors, delays in processing pay documents, or an automated pay system error which is discovered and collected within no more than two monthly pay periods after the date of overpayment. The member shall be provided with notice of adjustment when it is made, or as soon thereafter as practicable.

b. Categories

(1) Adjustments of \$100 or less, regardless of when discovered or collected, will be treated the same as routine adjustments for collection purposes. The member shall be provided with notice of adjustment when it is made, or as soon thereafter as practicable.

(2) Routine adjustments greater than \$100 will be processed for collection in the month in which the debt is discovered. The system will generate an advisory LES remark and management notice regarding an impending collection against the member's account. This notice provides an opportunity for the member to correct any errors or request a different repayment schedule. If the repayment schedules are not changed, the system automatically will collect the debt.

(3) Debts greater than \$100 that require formal notification to the member in the form of a due process letter from the servicing field office. The field office will initiate formal due process of the member after receipt of a management notice from the pay system and initiate debt collection based on an appropriate liquidation schedule.

c. Current Month Overpayments. Entitlement overpayments identified during the current month are not scheduled as debt when the member's current EOM pay is adequate to collect the overpayment using the 2/3rds rule. The member's pay will be automatically adjusted to eliminate the overpayment during the EOM payment processing.

d. "No Pay Due" Notice. As a precaution to prevent avoidable hardship to the member, a "no pay due" management notice will be generated to the servicing field office when a debt creates a "no pay due" situation for that member.

e. Separation. When a member is expected to be separated within the next ninety (90) days, the system will accelerate entitlement related debt schedules to collect all available funds prior to separation.

2. Due Process Debts. Before initiating any collection action other than adjustments as defined in subparagraph 500104.A.1., the member shall be given at least 30 days written notice of the following (the Secretary concerned may prescribe additional rights prior to administrative determination of indebtedness under 37 U.S.C. 1007(c)) (reference (aa)). These procedures do not apply when the member previously has consented to pay checkage for the debt. The notice shall stipulate:

a. The nature and amount of the debt due the United States, and the intent to commence collection through deductions from pay.

b. That the member has the opportunity to inspect and copy government records related to the debt.

c. That the member has an opportunity for review of all the decisions related to the debt.

d. That the member has an opportunity to enter into a written agreement with the Secretary of the Military Service concerned (or designee) under terms agreeable to both parties to establish a schedule for repayment of the debt.

e. That any portion of the debt remaining uncollected at the time of the member's separation shall be collected from the member's final pay and allowances.

f. That the member has the right to seek waiver or remission of the debt, if appropriate.

3. The procedures specified in subparagraph 500104.A.2, above, need not be completed prior to commencement of collection action if the time remaining before the member's estimated date of separation is not sufficient to complete collection and the government would be substantially prejudiced in its ability to collect the debt.

4. The maximum monthly amount that may be collected under this subparagraph is an amount equal to 2/3 of the member's pay less amounts deducted in arriving at disposable pay plus any amount collected under subparagraph 500104.B, below.

B. Collections Under 5 U.S.C. 5514 (reference (cl))

1. The Secretary of the Military Service concerned (or designee) determines that a member is indebted to the United States under the authority of 5 U.S.C. 5514 (reference (cl)). The designated office listed below is responsible for receiving these collection request:

DFAS-CL/ABA  
1240 E. 9th Street  
Cleveland OH 44199-8002

2. Collections may be made in monthly installments or at established pay intervals not to exceed 15 percent of disposable pay for any pay period, unless a greater percentage is authorized by written consent of the member. Unsatisfied debts at discharge or retirement shall be deducted from subsequent payments of any nature due the member. The collection of a debt owned to departments and agencies other than the Department of Defense, its instrumentalities, or other Uniformed Services resulting from a court judgment is included under this authority.

3. Due Process. Debts collected under 5 U.S.C. 5514 (reference (cl)) are those owed to departments or agencies other than the Department of Defense or other Uniformed Services. The creditor agency is responsible for providing due process to member debtors and for certifying to the Secretary of Defense that due process rights have been provided when requesting collection action. The requirement for due process does not apply to routine

intra-agency adjustments of pay that are attributable to clerical or administrative errors or delays in processing pay documents that have occurred within the four pay periods preceding the adjustment and to any adjustment that amounts to \$50 or less, if at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and a point of contact for contesting such adjustments. Once the Secretary of the Military Department concerned (or designee) accepts the debt for collection, the member must be given written notice that identifies the nature and amount of the debt due the United States and the intent to commence collection through deductions from pay. The notice should provide a point of contact at the creditor agency for any questions or disputes the member may have.

500105. Interest, Penalties and Administrative Costs

A. With respect to collections other than routine adjustments, the Secretary of the Military Department concerned shall charge a minimum annual rate of interest on an outstanding debt to the United States that is equal to the average investment rate for the Treasury tax and loan accounts for the 12-month period ending on September 30 of each year, rounded to the nearest whole percentage point.

B. Interest shall accrue from the date on which notice of debt and the interest requirements are first mailed or hand delivered to the debtor or such date as specified in the notice.

C. Interest may not be charged if the amount due on the claim is paid within 30 days after the date from which interest accrues in subparagraph 500105.B, above.

D. The Secretary concerned shall assess charges to cover administrative costs of processing and handling a delinquent debt.

E. A penalty charge not to exceed 6 percent a year shall be assessed for failure to pay a part of a debt more than 90 days past due. The charge will be calculated on the 91st day of delinquency, but shall accrue from the date the debt became delinquent.

F. Interest does not accrue on charges assessed under subparagraphs 500105.D and E; however, if the member defaults on a repayment agreement, uncollected interest, administrative costs, and penalty charges shall be added to the principal to be repaid.

G. The Secretary concerned may prescribe regulations identifying circumstances appropriate to waiving collection of interest and charges under subparagraphs 500105.A, D and E.

500106. Collection From Retired Pay. Conditions for collection of active duty debts from retired pay are in [Chapter 28, Volume 7B](#) of this Regulation (reference (cn)).

500107. Indebtedness Incurred in National Guard or Reserve. When a member reenters active military service, collect for unsatisfied indebtedness incurred in a National Guard or Reserve status.

500108. Early Payment. Payday payments made in advance in accordance with paragraph 320107 of this volume are not considered “indebtedness” if the member dies before the date through which the pay was computed and paid.

500109. Bankruptcy. A member may file a petition of bankruptcy under chapters 7, 11, or 13 of the Bankruptcy Code (reference (aj)):

A. When the amount of an indebtedness due the United States is incurred prior to the filing date of the petition, the debt is termed prepetition indebtedness. Such debt may be collected by setoff from the member’s pay account only through the day prior to the date the bankruptcy petition is filed, except as provided below.

1. After the date the bankruptcy petition is filed, prepetition indebtedness due the United States may be collected by the filing of proofs of claim with the United States Bankruptcy Court.

2. After the date the bankruptcy petition is filed, prepetition indebtedness due the United States may be setoff from the member's pay account if the member reaffirms indebtedness due the United States. Reaffirmation agreements must be approved by the court.

3. If the court subsequently dismisses a bankruptcy case, collection is permitted by setoff if otherwise authorized.

B. An indebtedness due the United States, but incurred after the filing date of the petition of bankruptcy, is collected by setoff if otherwise authorized.

C. A member voluntarily may enter into a “Chapter 13 Plan” (formerly Wage Earner’s Plan) under the Bankruptcy Code (reference (aj)). When required by a Chapter 13 Plan (reference (aj)), send the member’s pay to the court-appointed trustee as ordered by the court.

D. Refer to Military Service regulations listed below for payment procedures required by the foregoing paragraphs:

1. Army: Chapter 13, AR 37-103 (reference (co)).
2. Navy: DoD Financial Management Regulation, [Volume 5](#).
3. Air Force: AFR 177-108, and AFR 110-24 (reference (cq)).
4. Marine Corps: DoD Financial Management Regulation, [Volume 5](#).

500110. Pay Not Affected by Civil Process. An officer or enlisted member may not be deprived of pay by civil process except as follows:

A. Garnishment for child support or alimony (see section 5002, below).

- B. Levy for delinquent federal income taxes (see section 4402 of this volume).
- C. Levy for child support (see section 5002, below).
- D. Statutorily-required child or child and spousal support allotments ([Chapter 43](#)) of this volume.
- E. Involuntary allotment of pay for enforcement of commercial debts (see paragraphs 430501-430507, above, and section 5004, below).

## 5002 LEGAL PROCESS FOR ENFORCEMENT OF CHILD SUPPORT AND ALIMONY OBLIGATIONS

### 500201. Garnishment of Pay for Enforcement of Child Support and Alimony Obligations

A. General. Moneys due from or payable by the United States to active duty members, members of the Reserve Components not on active duty, and retired members (including members of Fleet Reserve and Fleet Marine Corps Reserve) are subject to legal process issued by a state or federal court of competent jurisdiction to enforce a legal obligation to pay child support or alimony. Legal process issued by foreign courts may be honored under this authority if issued by a court of competent jurisdiction of a country with which the United States has an agreement which requires the United States to honor such process. Such an agreement has been reached with the Federal Republic of Germany. When the law of the state or foreign nation in which the issuing court is located conflicts with the federal law, the more restrictive law applies. The Code of Federal Regulations (5 CFR 581) (reference (cs)) takes precedence when in conflict with the contents of this paragraph.

B. Pay Subject to Garnishment. Except for amounts excluded under subparagraph 500201.D, below, all moneys due uniformed personnel, regardless of duty status or component, entitlement to which is based on remuneration for employment, are subject to legal process. The following items of pay and bonuses are subject to legal process:

1. Basic pay (including Military Service academy cadet, academy officials, and midshipmen pay) but excluding reduction for educational benefits under the New G.I. Bill (38 U.S.C. 1411 (reference (bx))).
2. Special pay (including enlistment and reenlistment bonuses).
3. Incentive pay.
4. Accrued leave payments (basic pay portion only).
5. Readjustment pay.

6. Severance pay (including disability severance pay).
7. Lump-Sum Reserve bonus.
8. Inactive duty training pay.
9. Retired pay (including disability retired pay).
10. Retainer pay.
11. Separation pay, Voluntary Separation Incentive (VSI), Special Separation Benefit (SSB), Reservists' Special Separation Pay (RSSP), and Reservists' Involuntary Separation Pay (RISP).

C. Pay and Allowances Not Subject to Garnishment. The following items of pay and allowances are not subject to legal process:

1. Basic allowance for subsistence.
2. Basic allowance for housing.
3. Family separation allowance.
4. Station allowances.
5. Clothing allowances-enlisted.
6. Uniform allowances-officer.
7. Personal money allowance.
8. Discharge gratuity.
9. Position pay (Navy only).
10. ROTC subsistence allowance.
11. Death gratuity.
12. Allowance for recruiting expenses.
13. Travel and transportation allowances.
14. Armed Forces Health Professions Scholarship Program monthly stipend.

D. Other Amounts Not Subject to Garnishment. The amounts deducted from the pay of a Military Service member for the following purposes are not subject to legal process:

1. Federal income tax withholding (amount limited only to that which is necessary to fulfill member's tax liability).
2. FICA tax.
3. Armed Services Retirement Homes.
4. Servicemen's Group Life Insurance.
5. Retired Serviceman's Family Protection Plan.
6. Survivor Benefit Plan.
7. State income tax withholding.
8. Indebtedness to the United States.
9. Other amounts required by law to be deducted (e.g., dental plan premium).

E. Maximum Amount of Pay Subject to Garnishment. The maximum part of disposable earnings to any pay period which is subject to legal process shall not exceed:

1. Fifty percent if the member concerned is supporting a spouse or dependent child (other than a spouse or dependent child with respect to whose support the legal process is issued).
2. Sixty percent if the member concerned is not supporting a spouse or dependent child within subparagraph 500201.E.1, above.

Disposable earnings is the pay subject to garnishment under subparagraph 500201.B, above, minus the amounts set forth in subparagraph 500201.D, above. If the member is in arrears for a period which is 12 weeks prior to the beginning of the pay period involved, the

maximum percentage under subparagraph 500201.E.1, above, is 55 percent and under subparagraph 500201.E.2, above is 65 percent. In no case may the amount of pay diverted exceed the limits prescribed by the applicable state law.

F. Allotments To Be Discontinued. The following allotments of the items of pay listed in subparagraph 500201.B, above, are subject to legal process. When possible, allow the member to determine which allotments are to be stopped.

1. If the member involved refuses to or is unable to advise which allotment should be stopped to permit compliance with the legal process, the allotments of such member shall be involuntarily stopped in the following order:

- a. Class C, CFC-Charity Drive.
- b. Class B, BOND, Q-BOND-US Savings Bond.
- c. Class D, FININ-Financial organizations.

- a. Class T, RED-Repay indebtedness to the United States and repayment of delinquent federal taxes.
- b. Class U, RSFPP-Remittance for RSFPP.

G. Designated Official Responsible for Dealing With Legal Process. The official listed below, or his or her representatives as designated in Military Service regulations, is responsible for receiving and processing all legal process concerning active duty members, members of the Reserve Components not on active duty, and retired members (including members of the Fleet Reserve and Fleet Marine Corps Reserve).

1. Director  
DFAS-CL/L  
PO Box 998002  
Cleveland OH 44199-8002  
Telephone (216) 522-5301

2. In the case of active duty members stationed in the Federal Republic of Germany, all legal process issued by German courts are to be served in the manner prescribed by German law on the appropriate liaison agency listed below for such members:

- a. Army, Navy and Marine Corps  
Headquarters  
USAREUR and Seventh Army  
Attn: AEAJA-1A  
6900 Heidelberg 1  
Postfach, 10 43 23
- b. Air Force  
HQ USAFE/JAIS  
Gebäude 527  
Ramstein-Flugplatz  
66877 Ramstein-Miesenbach

Legal process issued by German courts received by the liaison agencies listed above shall be reviewed to determine whether they comply with applicable German law. In addition, the liaison agencies listed above shall determine whether the member was served notice and certification of Service issued in accordance with the provisions of Article 32(1)(a) of the German Supplementary Agreement (reference (ct) in the prior German court proceeding which resulted in an order creating the member's obligation to pay child support or alimony. Once the appropriate liaison agency listed above determines that legal process issued by a German court is legally sufficient and that there has been compliance with the notice provisions of Article 32(1)(a), the legal process shall be forwarded to the appropriate official designated in clauses (1) through (4) above. Upon receipt by the appropriate official, the legal process shall be processed in the manner set forth in paragraphs 500201.H.1 through 8, below.

H. Action Required. Once legal process has been served on the United States, the appropriate designated official indicated in subsection 500201.G, above, shall take or cause to be taken the following actions:

1. Notify the member and, where appropriate, the member's commanding officer of the proceedings within 15 days after valid service. The written notification shall explain the potential effect of the legal process on the member's pay, including allotments, and advise the member that the burden to raise any available defenses in the appropriate court rests with the member. A copy of the legal process shall be included with the written notice. Further, the notice shall comply with any additional requirements for notice in the law of the state in which the proceeding is brought.

2. Determine the amount of pay due the member which is subject to the legal process.

3. Temporarily suspend payment of sufficient pay due the member named in the legal process so as to permit compliance with such process.

4. Examine the legal process to ensure that:

a. It was served in accordance with federal law and regulations by an official having authority, under the applicable law of the jurisdiction, to make service of process.

b. On its face, it complies with the applicable law.

c. It constitutes legal process.

d. The designated official is satisfied that the process is for the enforcement of a legal obligation of the Military Service member for child support or alimony in the form and amount specified in the process, and that the underlying judgment is not void on its face.

5. Determine whether the applicable law provides an exemption that is more favorable to the member than the exemption stated in subparagraph 500201.E, above. Apply the exemption more favorable to the member.

6. Determine whether the member is indebted to the United States. If the member owes a specific amount, that amount will be setoff against the amount of pay determined to be subject to legal process. Money owed to a nonappropriated fund activity may not be setoff. The following kinds of indebtedness may be setoff:

a. Amounts required to satisfy prior advance of pay and allowances.

b. Amounts required to satisfy prior overpayments of pay and allowances.

c. Courts-martial and nonjudicial fines and forfeitures.

d. Administratively determined indebtedness.

7. Where required, file an answer to the legal process with the court in which the proceeding was brought and answer any interrogatories regarding the pay and allowances due the member. In all cases, the designated official shall make an appropriate response to the issuing authority within 30 days or such longer period as may be allowed under the applicable state law.

8. Pay the amount determined to be due and subject to legal process as ordered by the court. Where notice is received that the member has appealed the issuance of a legal process, which meets the requirements of subparagraph 500201.H.4, above, the process shall be honored nevertheless unless the issuing or appellate court orders otherwise or the applicable law of the jurisdiction provides otherwise. Where written notice is received, including copies of any appeal documents, that the member has appealed the underlying alimony and/or child support order, payment of moneys subject to the legal process shall be suspended until the governmental entity is ordered by a court, or other authority, to resume payments. No suspension action shall be taken, however, where the applicable law of the jurisdiction wherein the appeal is filed requires compliance with the legal process while an appeal is pending.

9. If the legal process is determined not to be legally sufficient, and after any coordination within the department required by applicable Military Service directives, advise the General Litigation Section, Civil Division, Department of Justice, and the United States Attorney for the district in which the proceeding was brought that the legal process will not be honored. Send all pertinent documentation to the following address:

General Litigation Section  
Civil Division  
Department of Justice  
Washington, DC 20530

I. Priority. The amount of pay being withheld pursuant to legal process may not be used to satisfy a notice of levy for unpaid federal taxes.

500202. Levy on Pay and Allowances for Enforcement of Child Support Obligations

A. Authority. Under the provisions of Public Law 93-647, effective July 1, 1975, (reference (cu)), the Secretary of the Treasury, upon receiving the certification of the Secretary of Health and Human Services, shall assess and collect the amount certified as

unpaid child support in the same manner as if the amount were a delinquent federal tax, the collection of which would be jeopardized by delay. (See paragraphs 440201 and 440204 of this volume.)

B. Satisfaction of Levy. When the Secretary of the Treasury issues a notice of levy as described in subparagraph 500202.A, above, satisfy the levy in the manner prescribed in paragraph 440204 of this volume. However, in the case of a first assessment against an active duty, retired (including members of the Fleet Reserve and Marine Corps Fleet Reserve), or Reserve member for unpaid child support, satisfaction of the levy shall be stayed for a period of 60 days immediately following notice and demand. If a portion of such member's pay is being withheld in garnishment or attachment pursuant to a judgment entered by a court of competent jurisdiction for the support of minor children, the amount of pay withheld is exempt from the levy.

500203. Regulations

Detailed policies and procedures governing the administration of garnishment of pay for the enforcement of court-ordered child support and alimony and levy of pay and allowances for enforcement of court-ordered child support are contained in:

- A. Army: AR 37-104-3 (reference (bh)).
- B. Navy: SECNAVNOTE 7200 of May 20, 1975 (reference (cv)).
- C. Air Force: DFAS-DE 7073.1-M and DFAS-DE 7073.3-M (reference (ap)).
- D. Marine Corps: MCO P7220.31 (reference (cw)).

Monies due from, or payable by, the United States to active duty members (as defined in subparagraph 430502.B of this volume) are subject to the involuntary allotment to satisfy a judgment for commercial indebtedness. The involuntary allotment application must be supported by a final judgment. (For further procedures, see section 4305 of this volume.)

500304. Other Amounts Not Subject to the Involuntary Allotment. After computing the pay subject to involuntary allotment (see paragraph 500302, above), the following items must be deducted to compute the final value of pay subject to involuntary allotment:

#### 5004 REMISSION AND CANCELLATION OF INDEBTEDNESS - ENLISTED MEMBERS

##### 500401. Who May Apply

A. An enlisted member on active duty (including a Navy or Marine Corps temporary officer with permanent enlisted status) or member's commander may apply for remission of the enlisted member's indebtedness to the United States. The debt may not be

remitted or cancelled after the member is discharged, retired, or released from active duty. An indebtedness arising in one period of active duty may, however, be remitted during a later period of active duty.

B. Remission action is not for application in the case of Reserve Component personnel performing inactive duty training or active duty for training except:

1. Army: An enlisted member of the Army National Guard who is charged with liability for government property that is lost, damaged, or destroyed on or after October 1, 1980, may have such liability remitted or cancelled under regulations prescribed by the Secretary of the Military Service concerned.

2. Air Force: Any member of the Air National Guard (officer or enlisted member) who is charged with liability for government property that is lost, damaged, or destroyed on or after October 1, 1980, may have such liability remitted or cancelled under regulations prescribed by the Secretary of the Military Service concerned.

#### 500402. Indebtedness Which May Be Remitted

A. Debts to United States. Generally, any indebtedness may be considered for remission (including those listed in Tables 50-1, 50-3 and 50-4). Debts for erroneous payments may be processed for remission if relief action has been denied under the appeal provisions of this section. However, debts arising from erroneous payment of basic pay due to noncollection of courts martial forfeitures may not be remitted or cancelled.

B. Debts Within Jurisdiction of Military Service Concerned. The debt must be one over which the Military Department concerned has jurisdiction. For example, a Secretary of one Military Department may not remit a member's indebtedness because of liability for damage to property of another Military Service. The member must have incurred the debt while serving as an officer or enlisted member of the Military Department in which the member currently serves.

500403. How To Apply. Process applicants for remission and cancellation of indebtedness as prescribed in procedural regulations of the Military Service concerned.

#### 5005 APPEALS

500501. Right of Appeal. When it is established that a member is indebted to the United States because of an erroneous payment made by any Military Service within the Department of Defense, the member has the right to appeal. A member may appeal the validity of the debt, the amount, or the liability for that debt. A member may also request review of the rate of stoppage on the basis of undue hardship, or upon proof that the rate of stoppage is inequitable.

500502. Processing Appeals. Process appeals as prescribed in procedural regulations of the Military Service concerned.

500503. Claim for Refund. A member may file a written claim for any amounts considered erroneously collected from the pay account. The claim is sent to the disbursing officer or, if separated, to the cognizant Defense Finance and Accounting Service Center. After an adverse ruling the member has the right to submit a claim to the General Counsel, Department of Defense (Personnel & Health Policy). An adverse ruling by that office may be appealed to the Comptroller General or a civil suit for recovery may be started.

#### 5006 VALIDATION OF PAYMENTS BASED ON PURPORTED MARRIAGES

500601. Authority for Validation. Payment of allowances based on a purported marriage and made under Title 37, United States Code (reference (aa)) or prior laws, before the marriage is annulled or terminated, are valid if:

A. A court of competent jurisdiction adjudges or decrees that the military member entered the marriage in good faith.

B. In the absence of such judgment or decree, a finding of good faith is made by the Secretary of the Military Service concerned or a person designated by the Secretary of the Military Department concerned to investigate the matter.

500602. Responsibility for Validation. Findings of good faith under subparagraph 500501.B are made (or forwarded to the appropriate office) by the offices listed in subparagraph 260403.F of this volume. Purported marriages requiring such finding include those listed in paragraph 260403 of this volume.

500603. Payments Not Validated. Payments based on invalid marriages are considered erroneous payments or overpayments unless validated.

#### 5007 WAIVER OF CLAIMS FOR ERRONEOUS PAYMENTS OF PAY AND ALLOWANCES

When a member applies for waiver of a claim of United States arising out of erroneous payments under 10 U.S.C. 2774 (reference (c)), forward such applications to the cognizant DFAS Center. Only the waiver application processing office, as designated by the Directors of the DFAS Centers, has authority to suspend collection action pending action on a waiver application under 10 U.S.C. 2774 (reference (c)).

#### ★5008 BOARD OF CORRECTION OF MILITARY RECORDS OFFSET

Earnings received from civilian employment, self employment or any income protection plan for such employment during any period for which active duty pay and allowances are payable shall be deducted from the settlement. To the extent authorized by law and regulation, amounts found due shall be reduced by the amount of any existing indebtedness to the government arising from military service.

2. Applies to enlisted members who are entrusted with public funds. It includes military postal clerks and members who, though not bonded, are entrusted with public funds for small purchases.
3. If exact amount of debt is not known at the time the loss is discovered, establish the debt at the amount then known and adjust when investigation is completed.
4. A mere acknowledgment or report of a shortage in accordance with Military Service regulations is not an admission for the purpose of this rule. The phrase "debt is admitted" means either a written statement made by the accountable officer admitting indebtedness, acknowledged or witnessed before a person authorized to administer oaths or, another person designated by higher authority, or if the accountable officer refuses to sign a statement, a certification by a commissioned officer that the accountable officer clearly and unequivocally admitted the indebtedness is sufficient to authorize the withholding from officer's current pay.
