CHAPTER 55

RESERVE INCOME REPLACEMENT PROGRAM

5501 GENERAL

550101. Purpose

This chapter establishes policy pertaining to the Reserve Income Replacement Program (RIRP) for members of the Reserve Components (RC) as defined in Volume 7A Definitions.

550102. Authoritative Guidance

The authoritative references are listed at the end of this chapter.

5502 DEFINITIONS

550201. Involuntary Active Duty

For the purposes of this chapter, involuntary active duty is defined as an order to duty under Title 10, United States Code (U.S.C.), sections 688, 12301(a), 12301(g), 12302, 12304, 12304a, 12304b, or 14 U.S.C. § 3713 without the consent of the member, or is defined as an order to full-time National Guard duty under 10 U.S.C. § 251, 252, 12406, or 32 U.S.C. § 502(f)(1) without the consent of the member.

550202. Monthly Active Duty Income Differential

This differential is the difference between the average monthly civilian income of the member and the member’s total monthly military compensation (TMMC), when the member’s average monthly civilian income exceeds the TMMC.

550203. TMMC

The TMMC is the amount computed on a monthly basis, using the member’s regular military compensation and the amount of any special pays, incentive pays, and allowances (not included in regular military compensation) that are paid on a monthly basis (e.g., Foreign Language Proficiency annual bonus that may be paid in monthly installments). Bonuses paid in a lump sum or anniversary installments, such as enlistments, reenlistment, and affiliation bonuses, will not be included in the TMMC. Cost of living allowances will be included in the TMMC. Per Diem, to include meals and incidental expenses, will not be included in the TMMC.

5503 RIRP ELIGIBILITY

550301. Eligibility
An RC member currently serving on involuntary active duty is eligible for RIRP payments for any entire month of involuntary active duty (referred to in this chapter as a “service month”) that is served after the member completes the requisite eligibility period and for which the member realizes a monthly active duty income differential.

*550302. Eligibility

A member of a reserve component is entitled to a payment under this section for any full month of active duty of the member, when the total monthly military compensation of the member is less than the average monthly civilian income of the member, while the member is on active duty under an involuntary mobilization order, following the date on which the member:

A. Completes 547 continuous days of service on active duty under an involuntary mobilization order;

B. Completes 730 cumulative days on active duty under an involuntary mobilization order during the previous 1,826 days; or

C. Is involuntarily mobilized for service on active duty for a period of 180 days or more within 180 days after the date of the member's separation from a previous period of active duty for a period of 180 days or more.

Example: If continuous service on active duty began on February 1, 2016, the 547 days to establish eligibility would end at midnight on July 31, 2017. The member would meet the eligibility requirement for RIRP on August 1, 2017, and would be entitled to RIRP payment on September 1, 2017, for the month of August 2017, if the member serves on active duty for the entire month of August.

550303. RIRP Entitlement

Payment for RIRP is based on each full month of active duty following the date on which the member meets the eligibility criteria in paragraph 550302. RIRP payments are based on full months of service only. Partial payments are not authorized. Changes in pay grade, longevity, number of dependents, and special pays will be taken into account in calculating the RIRP payment in the month following the change.

550304. Special Conditions

Effective January 29, 2008, the entitlement of an RC member to a RIRP payment will commence, or if previously commenced, will continue if the member satisfies the required number of days on active duty specified in paragraph 550302, or is, following an involuntarily mobilization, retained on active duty under 10 U.S.C. § 12301(h)(1)(A) or (B) because of an injury or illness incurred, or aggravated while assigned to duty in an area for which special pay under 37 U.S.C. § 310 is available.
5504  **RESTRICTIONS**

A civilian employee of the Federal Government who is also a member of an RC is not entitled to a payment of RIRP for any period for which the employee is entitled to a civilian pay differential payment under 5 U.S.C. § 5538 or Volume 8, Chapter 3, paragraph 030509; or a comparable civilian pay benefit under an administratively established program for civilian employees absent from a position of employment with the Federal Government in order to perform active duty in the Uniformed Services.

5505  **PAYMENT**

550501.  **Frequency**

After an RC member has completed the requisite eligibility period, the member is entitled to RIRP payment on the first day of the calendar month after performing a preceding full calendar month of involuntary active duty service. See the example in subparagraph 550302.A.1.

550502.  **Limitation**

A member who realizes a monthly active duty income differential greater than $50 is entitled to RIRP. The maximum RIRP payment will not exceed $3,000 per month.

*550503.  **Termination of Payment**

Payment will terminate when one of the conditions in Table 55-1 is met. Unless authorized by Congress, authorization to RIRP will terminate after the date on the **Duration of Authority** table. No payments will be made after the termination date unless the member’s entitlement to RIRP commenced prior to that date.

5506  **TAXABILITY**

550601.  **Federal and State Tax Deduction**

RIRP payments are subject to federal and state income tax withholding.

550602.  **Federal Insurance Contribution Act (FICA)**

RIRP payments are not subject to FICA withholding.
