The bibliography at the end of this chapter lists the authoritative references.

6202 PAY COMPUTATION

*620201. Stipend

When a participant has agreed to serve in the Selected Reserve, the amount of a stipend effective [July 1, 2016](#) shall be [\\$2,229.30 per month](#), or one-half of that rate if the participant has agreed to serve in the Individual Ready Reserve.

A. Payment. The stipend is payable during specialized advanced training, during vacation periods, and during periods when officers are participating in annual training with the Selected Reserve. The stipend is prorated for portions of a month at the beginning and end of the course of specialized advanced training.

B. Termination. When an officer's eligibility to the stipend program is terminated, the officer no longer is entitled to receive a stipend. The effective date of termination is set by program administrators and communicated to the paying activity. Termination is based on criteria set by the Department of Defense.

C. Recoupment. A member of the program who, under regulations prescribed by the Secretary of Defense, is dropped from the program for deficiency in training, or for other reasons, shall be required:

1. To perform 1 year of active duty for each year (or part thereof) for which such person was provided financial assistance under this section; or

2. To comply with the repayment provisions of Title 37, United States Code (U.S.C.), section 303a(e) and Chapter 2.

NOTE: The Secretary of the Military Department concerned may relieve a member who is dropped from the program from any requirement that may be imposed under subparagraph

620201.C, but such relief shall not relieve the member from any military obligation imposed by any other law.

D. Prohibition of Duplicate Benefits. Financial assistance may be provided under this section to a member receiving financial assistance under 10 U.S.C. § 2107.

620202. Servicemembers' Group Life Insurance

For coverage, see Chapter 47, section 4702. For deductions during active duty periods, see Chapter 47, section 4705.

A. Active duty pay paid under this program is subject to Federal Income Tax Withholding (FITW) and Federal Insurance Contribution Act (FICA) withholding in the same manner as prescribed in Chapters 44 and 45.

B. Monthly stipends paid to students entering the program are subject to FITW.

C. Monthly stipends are not subject to FICA withholding.

620204. Settlement of Deceased Members' Accounts

See Chapter 36, section 3603 for authority for payment of any unpaid pay and allowances (includes the amount of unpaid stipend).

6203 REQUIRED ACTIVE DUTY TRAINING

A person who is required under the agreements described in sections 6204 through 6208 to serve in the Selected Reserve shall serve not less than 12 days of active duty for training each year during the period of service required by the agreement.

620302. Nonavailability

Members of the Ready Reserve, who incur a period of authorized nonavailability, shall be suspended without recoupment from their incentive. If subsequently assigned to the Reserve status and skill originally contracted for, then members may be reinstated in the incentive program if they extend their term of service or contract for service to be able to serve the full original incentive contract period. Entitlement to subsequent payments shall resume on the adjusted anniversary date of satisfactory and creditable Reserve service, as appropriate. These members are assigned temporarily to the Standby Reserve or to the Inactive National Guard, as appropriate, during the period of authorized nonavailability and are required to extend their

Selected Reserve service agreement for a period that equals the period of authorized nonavailability.
