

VOLUME 7A, CHAPTER 66: “CAREER STATUS BONUS (CSB)/CONTINUATION PAY (CP)”

SUMMARY OF MAJOR CHANGES

Changes are identified in this table and also denoted by [blue font](#).

Substantive revisions are denoted by an asterisk (*) symbol preceding the section, paragraph, table, or figure that includes the revision.

Unless otherwise noted, chapters referenced are contained in this volume.

Hyperlinks are denoted by [bold, italic, blue, and underlined font](#).

The previous version dated [February 2018](#) is archived.

PARAGRAPH	EXPLANATION OF CHANGE/REVISION	PURPOSE
All	Updated formatting and hyperlinks to comply with current administrative instructions.	Revision
1.2 (660102)	Updated the “Authoritative Guidance” paragraph to comply with current administrative instructions.	Revision
6.9 (660609)	Added the “CP and CZTE” paragraph in accordance with Title 26, Code of Federal Regulations, part 1.112-1.	Addition
References	Renamed “Bibliography” to “References” and updated supporting statutes and references.	Revision

CHAPTER 66

CAREER STATUS BONUS (CSB)/CONTINUATION PAY (CP)

1.0 GENERAL (6601)

1.1 Purpose (660101)

The purpose of this chapter is to provide policy pertaining to Career Status Bonus (CSB) and the Continuation Pay (CP) bonus, which is payable only to members who are in the Blended Retirement System (BRS).

*1.2 Authoritative Guidance (660102)

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 10, 26 and 37. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 CSB ENTITLEMENT (6602)

2.1 General (660201)

The Military Retirement Reform Act of 1986, (henceforth referred to as REDUX), covered Uniformed Service members who first became members beginning on or after August 1, 1986 and before January 1, 2018. These members could elect, upon completion of 15 years of Active Duty (AD) in the Uniformed Services, to either retire under the High-3 retirement system or receive a \$30,000 CSB and remain under the REDUX retired pay system. For details on the REDUX retirement plan, see [10 U.S.C. § 1409](#).

*Note: After December 31, 2017, CSB could not be elected. Sections 2.0 through 4.0 are included for historical information only. See section 5.0 for discontinuance of the CSB.

2.2 Eligibility (660202)

To be eligible for the opportunity to elect the CSB/REDUX, when the member completes 15 years of AD service, the member must simultaneously meet all the criteria for eligibility. A member who does not meet all criteria, but subsequently does, may not be given the opportunity to make a CSB/REDUX election, unless otherwise stated or approved by the Secretary of the Military Department concerned. A Uniformed Service member is eligible to make a CSB/REDUX Retirement election only when that member:

2.2.1. Is serving on AD;

2.2.2. First became a Uniformed Service member on or after August 1, 1986 (has a Date of Initial Entry to Military/Uniformed Service (DIEMS)/Date Initial Entry Uniformed Service (DIEUS) of August 1, 1986 or later);

2.2.3. Has completed 15 years of AD in the Uniformed Service; and

2.2.4. Is otherwise eligible, as determined by the Secretary of the Military Department concerned, to serve continuously on AD until the completion of 20 years of AD service.

2.3 CSB/REDUX Eligibility Notification (660203)

The Secretary of the Military Department concerned was required to notify all members with a DIEMS/DIEUS between August 1, 1986 and December 31, 2002, whether they were eligible to make a CSB/REDUX election. Notification letters were to be sent on or shortly before the date individuals completed 14 years and 6 months of AD. If a member was not eligible for the CSB/REDUX election, then the notification was to explain why, and inform the member whether, there was an opportunity to make an election in the future under exceptions established in guidance promulgated by the Secretary of the Military Department concerned if the member's impediment to eligibility was subsequently eliminated. The Secretary of the Military Department concerned promptly notified members who subsequently became eligible to make a CSB election. Effective July 1, 2017, letters notifying members serving on AD of their eligibility to make a CSB election were discontinued. See section 5.0.

2.4 CSB/REDUX Election (660204)

To make a CSB/REDUX election, a member was required to submit a DoD (DD) Form 2839, Career Status Bonus (CSB) Election Form or Service equivalent form, and any other Service required forms as directed in the eligibility notification no later than the date the member attained 15 years of active military service or 6 months after the eligibility notification was sent, whichever was later. After December 31, 2017, CSB could not be elected.

3.0 CSB PAYMENT (6603)

3.1 Payments (660301)

Eligible members may elect to receive the CSB under one of the following options:

3.1.1. One payment of \$30,000;

3.1.2. Two annual installments of \$15,000 each;

3.1.3. Three annual installments of \$10,000 each;

3.1.4. Four annual installments of \$7,500 each; or

3.1.5. Five annual installments of \$6,000 each.

3.2 Timing of Payment (660302)

3.2.1. Initial Payment. The initial CSB payment must be paid not earlier than the date the member attains 15 years of active service and not later than the end of the first month that begins on or after the date that is 60 days after the date the election is effective.

Example: A member who will attain 15 years of AD service on October 10, 2002, should be sent the CSB/REDUX notification no later than April 10, 2002. The member may complete the necessary forms and return them as directed by the Service concerned, but the election is not effective until October 10, 2002. The Secretary concerned will pay the member the initial payment no earlier than October 10, 2002, and no later than January 31, 2003. The latter date is determined as follows: the date that is 60 days after the effective date of the election is December 9, 2002 so the first month that begins on or after that date is January 2003 – the member must be paid no later than the end of January 2003.

3.2.2. Second and Subsequent Payments. Subsequent annual installments will be paid on or about January 15th of each year following the calendar year of the initial payment. All CSB payments qualify for deposit to the Uniformed Services Thrift Savings Plan (TSP). For more information regarding TSP, see Chapter 51.

3.3 Tax Consideration (660303)

The CSB, if taxable, is income as of the date on which the payment is made to the member. The CSB/REDUX is considered tax exempt if the effective date of the election falls within the month in which the member is entitled to combat zone tax exclusion (CZTE). See Chapter 44, paragraph 440203, for more information.

4.0 CSB RECOUPMENT (6604)

4.1 Recoupment Computation (660401)

A CSB recipient who fails to serve continuously on AD until the completion of 20 years of AD must repay a comparable portion of the CSB received. The amount is calculated by multiplying \$30,000 by a factor that is determined by dividing the uncompleted period of AD by the total period of continuous AD required as a result of the CSB/REDUX election. In making the calculation, months and days must be expressed as decimal fractions of a year (to the nearest .00000001). Each month is 1/12th of a year, and each day is 1/360th of a year, rounded to the eighth decimal place. (See Figure 66-1 for computation decimals.) See Examples 1 and 2. Use this same formula to compute the installment repayment amount, except use the completed (vice the uncompleted) time served to determine the bonus amount earned, and deduct the figure from the installment totals to determine the overpayment (See Example 3).

Example 1: A member's CSB/REDUX election is effective upon attaining 15 years of active service on October 10, 2001. The member is obligated to serve through October 10, 2006 (5 full years). If the member's last day of AD is

December 31, 2002, then the member will have failed to complete 3 years, 9 months and 10 days of required service. The member's repayment is computed as follows:

The period of agreed additional service is: 5 full years.

The service not completed is: 3 years, 9 months, and 10 days, or
 $3 + .75 + .02777778 = 3.77777778$ years.

The required repayment is:
 $(3.77777778 / 5) \times \$30,000 = .75555556 \times \$30,000 = \$22,666.67.$

Example 2: A member not initially notified of eligibility for a CSB, was later notified and made a CSB/REDUX election that was effective upon attainment of 16 years, 6 months, and 23 days of service. The member thus agreed to complete an additional 3 years, 5 months, and 7 days of service, but later separated, failing to complete 2 years, 3 months, and 11 days of that time. The member's repayment is computed as follows:

The period of agreed additional service is:
 $3 + .41666667 + .01944444 = 3.43611111$ years.

And the service not completed is:
 $2 + .25 + .03055556 = 2.28055556$ years.

The required repayment is: $(2.28055556 / 3.43611111) \times \$30,000$
 $= .66370251 \times \$30,000 = \$19,911.08.$

Example 3. A member's CSB/REDUX election is effective after attaining 15 years of active service on October 10, 2002 and the member received the first installment of \$15,000. The member is obligated to serve through October 9, 2007 (5 full years). The member's last day on AD is December 31, 2003, after completing only 1 year, 2 months and 20 days of required service. The member's repayment is computed as follows:

The period of agreed additional service is: 5 full years.

The service completed is:

1 year, 2 months, and 20 days, or $1 + .16666667 + .05555556 = 1.22222223$ years.

The amount earned is: $(1.22222223/5) \times \$30,000 = .24444444 \times \$30,000 = \$7,333.33.$

The required repayment is: \$15,000 less \$7,333.33 = \$7,666.67.

4.2 Waiver of CSB Recoupment (660402)

The Secretary of the Military Department concerned may waive, in whole or in part, the required CSB refund if the Secretary determines that recovery would be against equity and good conscience or contrary to the best interests of the United States.

4.2.1. The Secretary of the Military Department concerned will waive the required refund if the member:

4.2.1.1. Dies;

4.2.1.2. Is separated or retired as a result of a physical disability under 10 U.S.C., Chapter 61; or

4.2.1.3. Is separated under a Service offer for early retirement such as Temporary Early Retirement Authority (commonly referred to as TERA) or other separation program.

4.2.2. The Secretary of the Military Department concerned will not waive repayment if the member's separation is due to misconduct or if a waiver of repayment would be inconsistent with other prescribed law, regulation, or policy.

5.0 DISCONTINUATION OF CSB (6605)

5.1 General (660501)

In accordance with section 631 of the National Defense Authorization Act for Fiscal Year 2016, Public Law (P.L.) 114-92, [37 U.S.C. §354](#) was amended to discontinue authorization of any new CSB agreements after December 31, 2017.

5.2 Limitations (660502)

An agreement to elect a reduced retirement multiplier in exchange for a CSB made on or prior to December 31, 2017, will remain in effect. Any payments pursuant to a CSB agreement entered into on or before December 31, 2017, may continue to be made on or after January 1, 2018. December 31, 2002 is the last date a member could have the qualifying DIEMS date, achieve 15 years of active military service required for CSB eligibility, and be able to enter into an agreement for CSB.

6.0 CP (6606)

6.1 General (660601)

Public Law 114-92, as amended by P.L.114-328 (section 633), established CP as a bonus payable on or after January 1, 2018. CP is a one-time, mid-career bonus payment for [Service](#) members of the Uniformed Services covered by the BRS, in exchange for an agreement to perform

additional obligated service. CP is only payable to members in the BRS. A CP payment is in addition to any other career field-specific incentives or retention bonuses.

Note: The Deputy Secretary of Defense (DepSecDef) memo, January 27, 2017; the DoD Financial Management Regulation 7000.14-R, Volume 7B; and Service regulations provide comprehensive policy and guidance regarding retirement under the BRS.

6.2 Eligibility (660602)

6.2.1. The following Active Component (AC) members are eligible to receive CP. Any AC member who:

6.2.1.1. Is covered under the BRS;

6.2.1.2. Has completed not less than 8 and not more than 12 years of service (YOS), as computed from the member's Pay Entry Base Date (PEBD); and

6.2.1.3. Is eligible to enter into an agreement to serve not less than an additional 3 years in the AC.

6.2.2. The following Reserve Component (RC) members are eligible to receive CP. Any RC member who:

6.2.2.1. Is covered under the BRS;

6.2.2.2. Has completed not less than 8 and not more than 12 YOS as computed from the member's PEBD;

6.2.2.3. Is a [Service](#) member of the Selected Reserve (SELRES), or otherwise a member of the Ready Reserve in a status in which the member is eligible to receive basic pay or inactive duty pay;

6.2.2.4. Is eligible in accordance with criteria published by the Secretary of the Department concerned; and

6.2.2.5. Is eligible to enter into an agreement to serve not less than an additional 3 years in the SELRES.

6.3 CP Amount (660603)

The Secretary concerned determines the CP amount, the timing of when CP is offered, and the duration of the associated additional obligated service. The amount of CP payable depends on whether a member is AC or RC.

6.3.1. For an AC member, CP will be not less than 2.5 times and not more than 13 times the monthly basic pay of an AC member based on the member's current paygrade and YOS.

6.3.2. For an RC member, CP will be an amount not less than 0.5 times and not more than 6 times the monthly basic pay of a member of the same grade and YOS on AD. An RC member performing active Guard and Reserve service, as defined in [10 U.S.C. § 101\(d\)\(6\)](#), will be paid CP at the rate of an AC member subject to agreement to continue serving not less than an additional 3 years in active service as defined in 10 U.S.C. § 101(d)(3).

6.4 Obligated Service (660604)

6.4.1. A Service member who accepts CP and enters into an agreement will serve not less than 3 years of additional service, the length of mandatory service to be determined by the Secretary concerned in the component they were serving in at the time of agreement, commencing upon acceptance by the Secretary concerned of the agreement to continue serving.

6.4.2. The obligated service will run concurrently with any other service obligations, unless other service obligations incurred specifically preclude concurrent obligations.

6.4.3. RC members will perform obligated service in the SELRES, subject to the conditions and requirements prescribed by the Secretary concerned.

6.4.4. RC members performing active Guard and Reserve service, as defined in 10 U.S.C. § 101(d)(6), who receive CP at the rate of an AD member, will perform obligated service on AD unless otherwise prescribed by the Secretary concerned.

6.5 Payment (660605)

A [Service](#) member who qualifies for CP may elect to receive the payment in a single lump sum or elect a series of equal installment payments, not to exceed four annual payments over 4 consecutive years.

6.6 Timing (660606)

6.6.1. Full TSP Members. In accordance with [37 U.S.C. § 356](#), the Secretary concerned will pay CP to full TSP members (as defined in [5 U.S.C. § 8440e\(a\)](#)) who meet the eligibility requirements in paragraph 6.2 and who have completed not less than 8 and not more than 12 YOS.

6.6.2. CP Multiple. The CP multiple used in calculating is the actual paygrade and YOS of a member on the day CP is authorized. See subparagraphs 6.3.1 and 6.3.2 for the AC and RC multiples for calculating CP.

6.6.3. YOS Rate. For CP payments, the following rates apply:

6.6.3.1. A member with at least 8 YOS but less than 10 YOS will be paid at the rate of over 8 YOS.

6.6.3.2. A member with at least 10 YOS but less than 12 YOS will be paid at the rate of over 10 YOS.

6.6.3.3. A member with exactly 12 YOS but no more than 12 YOS will be paid at the rate of over 12 YOS.

6.7 Non-availability (660607)

Service members who incur a period of extended absence, subject to the approval of the Secretary concerned, which precludes meeting the terms of obligated service **must** have installment payments suspended during this period. If subsequently re-assigned to the member's previous status, or a new status at the discretion of the Secretary concerned, CP installment payments may resume and the term of service extended accordingly to ensure fulfillment of the original agreement period. The date of completion of the obligated service **must** be adjusted for periods of authorized absence. Failure to meet reinstatement criteria will result in termination of the CP and repayment, as appropriate.

6.8 Repayment (660608)

6.8.1. A Service member who received CP but who fails to complete the period of obligated service described in paragraph 6.4, or fails to maintain the skills for which an amount greater than the minimum amount specified in paragraph 6.3 was paid; is subject to full or partial repayment in accordance with [37 U.S.C. § 373](#), and the repayment provisions in Chapter 2.

6.8.2. A Service member who received CP, but is later discovered to be ineligible to enroll or whose enrollment is determined to be erroneous will have their enrollment voided. Such members will be placed under the correct retirement system upon discovery of the error. The Secretary concerned will initiate action to obtain repayment of CP, in accordance with 37 U.S.C. § 373 and Chapter 2.

6.8.3. The Secretary concerned may grant an exception to the repayment requirement and requirement to terminate the payment of unpaid amounts of CP if the Secretary concerned determines that the imposition of the repayment and termination requirements with regard to a member of the **Uniformed Services** would be contrary to a personnel policy or management objective, would be against equity and good conscience, or would be contrary to the best interests of the United States.

Note: The Secretary of the Military Department concerned will not grant the exception for repayment if the member's separation is due to misconduct or if a waiver of repayment would be inconsistent with other prescribed law, regulation, or policy.

*6.9 CP and CZTE (660609)

Service members, who become entitled to CP while serving in a designated combat zone, are entitled to have the amount of the CP excluded from their gross income for the tax year in which the CP is received, subject to the limitation amount as discussed in Chapter 44.

A Service member must be eligible for CP in accordance with their Service's eligibility requirements and enter into agreement while serving in the designated combat zone to be eligible

to exclude the payment from their taxable income. The CZTE applies to CP when the member becomes entitled to the pay while serving in a combat zone, even if received outside of a combat zone.

The CZTE is not dependent upon when the Service member receives the compensation.

Example 1: The Service member is deployed in a combat zone. Just before departing the combat zone, the member reaches 11 years, 10 months of service and signs an agreement for an additional 4 YOS in return for CP. The Secretary concerned has established that to be eligible for the CP, the member must have 12 YOS. The member reaches 12 YOS two months after returning from the combat zone and receives a lump sum payment of \$8,000.

The Service member's \$8,000 CP is not eligible for CZTE and must be included in the member's gross income for the year in which received. It is not eligible for CZTE because it was not earned in a combat zone. The Service member did not become entitled to the CP until two months after returning from the combat zone, when the member met the eligibility requirements for CP.

Example 2: The Service member is deployed in a combat zone. While in the combat zone, the member enters into an agreement for CP in exchange for an additional 4 YOS. The member also elects to receive CP in annual installment payments. The Secretary concerned has established that to be eligible for the CP, the member must have 12 YOS. The member reaches 12 YOS just before departure from the combat zone. The member receives each of the subsequent annual installment payments of \$2,000 outside of a combat zone.

Each of the Service member's \$2,000 annual installment payments for CP are eligible for the CZTE and are not included in the member's gross income for the year in which received. The member became entitled to the CP while serving in a combat zone. Each of the annual payments relates back to the member's service in the combat zone, and thus retains the CZTE.

Figure 66-1. Recoupment Computational Factors of Fractional Years

Months (Mos)	Days	Fractional Years	Mos	Days	Fractional Years	Mos	Days	Fractional Years	Mos	Days	Fractional Years
