CHAPTER 66

CAREER STATUS BONUS/REDUX ELECTION OPTION6601 CAREER STATUS BONUS

660101. General Provisions. The National Defense Authorization Act for Fiscal Year 2000 significantly changed the retired pay system for those members of a Uniformed Service who first became members on or after August 1, 1986. (See Public Law 106-65, October 5, 1999, sections 641 through 644.) Previously, they were covered by the Military Retirement Reform Act of 1986 (86 MRRA; henceforth referred to as REDUX). However, these members may now elect, upon completion of 15 years of active duty in the Uniformed Services, to receive a \$30,000 career status bonus (CSB), in which case they will again be under the REDUX retired pay system. (For details on the REDUX retirement plan, see Title 10 United States Code (U.S.C.). section 1409.)

660102. Entitlement. To be eligible for the CSB/REDUX election opportunity at the time the member completes 15 years of active service, all of the criteria listed below must be satisfied simultaneously. A member, who does not meet all criteria at that time but subsequently does, may not then be given the opportunity to make a CSB/REDUX election, unless otherwise stated or approved by the Secretary of the Military Department concerned. A member of the Uniformed Service is eligible to make a CSB/REDUX Retirement election only when a member:

- A. Is serving on active duty, and
- B. First became a member of a Uniformed Service on or after August 1, 1986; i.e. has a Date of Initial Entry to Military/Uniformed Service (DIEMS or DIEUS) of August 1, 1986 or later, and
- C. Completes 15 years of active duty in the Uniformed Service, and
- D. Is otherwise eligible, as determined by the Secretary of the Military Department concerned, to serve continuously on the active duty until the completion of 20 years of active duty service.

660103. CSB/REDUX Eligibility Notification. The Secretary of the Military Department concerned shall notify all members with a DIEMS of August 1, 1986, or later, whether or not they are eligible to make a CSB/REDUX election. Notification letters will be sent on or shortly before the date individuals complete 14 years and 6 months of active duty. If a member is not eligible, the notification will explain why not, and will inform the member whether, under exception established in guidance promulgated by the Secretary of the Military Department concerned, there will be an opportunity to make a CSB/REDUX election in the future, if the impediment to eligibility is subsequently eliminated. The Secretary of the Military Department concerned will promptly notify a member who subsequently becomes eligible.

660104. CSB Election. To make a CSB/REDUX election, a member submits the Career Status Bonus Election Form (DD Form 2839) or Service equivalent form, and any other Service required forms as directed in the eligibility notification not later than the date the member attains 15 years of active military service or 6 months after the eligibility notification is sent, whichever is the later date.

6602 BONUS PAYMENT

660201. Lump Sum Payment. The \$30,000 CSB shall be paid to an eligible military service member who made a valid CSB/REDUX election. A member whose CSB/REDUX effective election date and the date of payment fall on or before December 27, 2001, must receive the bonus in a lump sum payment.

660202. Payment by Installment. Under Public Law 107-107, effective December 28, 2001, eligible members may elect to receive the CSB under one of the following options:

- A. One payment of \$30,000;
- B. Two annual installments of \$15,000 each;
- C. Three annual installments of \$10,000 each;
- D. Four annual installments of \$7,500 each; or
- E. Five annual installments of \$6,000 each.

660203. Types of Payment

A. Initial Payment. The initial CSB payment must be paid not earlier than the date the member attained 15 years of active service and not later than the end of the first month that begins on or after the date that is 60 days after the date the election is effective.

Example: A member who will attain 15 years of active duty service on October 10, 2002, should be sent the CSB/REDUX notification no later than April 10, 2002. The member may complete the necessary forms and return them as directed by the Service concerned, but the election is not effective until October 10, 2002. The Secretary concerned will pay the member the initial payment no earlier than October 10, 2002, and no later than January 31, 2003. The latter date is determined as follows: the date that is 60 days after the effective date of the election is December 9, 2002 so the first month that begins on or after that date is January 2003 – the member must be paid no later than the end of January 2003.

B. Second and Subsequent Payments. Subsequent annual installments shall be paid on or about January 15th of each year following the calendar year of the initial payment. All CSB payments qualify for deposit to the Uniformed Services Thrift Savings Plan (TSP). For more information regarding TSP, see chapter 51 of this volume.

660204. Tax Consideration. The CSB, if taxable, is income as of the date on which the payment is actually made to the member. The CSB/REDUX is considered tax exempt if the effective date of the election falls within the month in which the member is entitled to combat zone tax exclusion. See paragraph 440103 for more information.

6603 RECOUPMENT

660301. A CSB recipient who fails to serve continuously on active duty until the completion of 20 years of active duty must repay a comparable portion of the CSB received. The amount of repayment is calculated by multiplying \$30,000 by a factor that is determined by dividing the uncompleted period of active duty by the total continuous active duty required as a result of the CSB/REDUX election. In making the calculation, months and days must be expressed as decimal fractions of a year (to the nearest .00000001). Each month is 1/12th of a year and each day is 1/360th of a year, rounded to the eighth decimal place. (See Figure 66-1 for computation decimals.) See Examples 1 and 2 below. Use the same formula above in computing installment repayment amount except use the completed (vice uncompleted) time served to determine the bonus amount earned. Deduct that figure from the installment totals to determine the overpayment (See Example 3 below).

Example 1: A member's CSB/REDUX election is effective upon attaining 15 years of active service on October 10, 2001. The member is obligated to serve through October 10, 2006 (5 full years). If the member's last day of active duty is December 31, 2002, the member will have failed to complete 3 years, 9 months and 10 days of required service. The member's repayment is computed as follows:

The period of agreed additional service is: 5 full years

The service not completed is: 3 years, 9 months, and 10 days, or
 $3 + .75 + .02777778 = 3.77777778$ years

The required repayment is:

$(3.77777778 / 5) \times \$30,000 = .75555556 \times \$30,000 = \$22,666.67$

Example 2: A member not initially notified of eligibility for a CSB, was later notified and made a CSB/REDUX election that was effective upon attainment of 16 years, 6 months, and 23 days of service. The member thus agreed to complete an additional 3 years, 5 months, and 7 days of service, but later separated, failing to complete 2 years, 3 months, and 11 days of that time. This member's repayment is computed as follows:

The period of agreed additional service is:

$3 + .41666667 + .01944444 = 3.43611111$ years

and the service not completed is:

$2 + .25 + .03055556 = 2.28055556$ years

The required repayment is: $(2.28055556 / 3.43611111) \times \$30,000$
 $= .66370251 \times \$30,000 = \$19,911.08$

Example 3. A member's CSB/REDUX election is effective after attaining 15 years of active service on October 10, 2002 and the member received the first installment of \$15,000. The member is obligated to serve through October 9, 2007 (5 full years). The member's last day on active duty is December 31, 2003, after completing only 1 year, 2 months and 20 days of required service. The member's repayment is computed as follows:

The period of agreed additional service is: 5 full years.

The service completed is:

1 year, 2 months, and 20 days, or $1 + .16666667 + .05555556 = 1.22222223$ years

The amount earned is: $(1.22222223/5) \times \$30,000 = .24444444 \times \$30,000 = \$7,333.33$

The required repayment is: $\$15,000.00$ less $\$7,333.33 = \$7,666.67$.

660302. Waiver of CSB Recoupment. The Secretary of the Military Department concerned may waive, in whole or in part, the required CSB refund if the Secretary determines that recovery would be against equity and good conscience or contrary to the best interests of the United States.

A. The Secretary of the Military Department shall waive the required refund if the member:

1. Dies, or
2. Is separated or retired as a result of a physical disability under 10 U.S.C., Chapter 61, or
3. Is separated under a Service offer for early retirement (such as TERA (Temporary Early Retirement Authority)) or separation program.

B. The Secretary of the Military Department concerned shall not waive repayment if the member's separation is due to misconduct or if waiver of repayment would be inconsistent with other prescribed law, regulation, or policy.
