CHAPTER 23

SPECIAL SEPARATION BENEFITS (SSB) AND VOLUNTARY SEPARATION INCENTIVE (VSI) PAY

1.0 GENERAL

1.1 Purpose

The purpose of this chapter is to provide policy for the authorization, administration, and payment of the SSB and VSI programs to mid-career Service members of the military services in over-strength inventories. The applicable period for SSB and VSI was January 1992 through December 2001. Both programs required member affiliation with a Reserve Component.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 10 and 31. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 RESPONSIBILITIES

2.1 Defense Finance and Accounting Service (DFAS), Cleveland (CL)

DFAS-CL will:

2.1.1. Maintain the VSI account until all annual installments are paid, or until the death of the VSI member recipient. A member's entitlement to VSI is not transferable, except that the member may designate beneficiaries to receive the payments in the event of the member's death, in accordance with paragraph 5.0; and

2.1.2. Make all VSI annual beneficiary payments. Following the death of a VSI member recipient, DFAS-CL will provide customer service support for designated beneficiaries and be the primary source for VSI member beneficiary account assistance and maintenance.

2.2 Defense Manpower Data Center (DMDC)

DMDC will:

2.2.1. Maintain a personnel database that identifies and tracks participation in the VSI programs; and

2.2.2. Provide information concerning Reserve participation to DFAS-CL due to the requirement of Reserve affiliation.

2.3 Secretary of the Treasury

The Secretary of the Treasury administers the VSI Fund (hereafter referred to as the “Fund”). All VSI payments made by the Secretary of Defense after December 31, 1992, pursuant to [10 U.S.C. § 1175](#), are to be paid out of the Fund. The Fund is classified as a trust fund and has been designated as account number 97X8335. This fund consists of a receipt and expenditure account.

2.4 DoD Board of Actuaries

For each fiscal year (FY) after September 30, 1999, the Board:

2.4.1. Carries out an actuarial valuation for the Fund and determines any new unfunded liabilities arising from gains and losses to the Fund;

2.4.2. Determines an amortization schedule for liquidating these new unfunded liabilities; and

2.4.3. Determines for the upcoming FYs the amount of DoD contributions to the Fund necessary to comply with the amortization schedules for the Fund’s original and new unfunded liabilities in sufficient time to be included in the FY budget requests.

3.0 PAYMENT PROCESSING

3.1 VSI Payments

3.1.1. Upon Separation. A Service member completed a DoD [\(DD\) Form 2058](#), State of Legal Residence Certificate, and Internal Revenue Service [\(IRS\) Form W-4](#), Employee’s Withholding Allowance Certificate at the time of separation and a [DD Form 2864](#), VSI Beneficiary Designation in order to designate any beneficiaries if desired.

3.1.2. Annual Payments. DFAS-CL issues annual payments on the anniversary of the member’s separation. In the event that the anniversary date falls on a weekend or holiday, DFAS-CL will make the payment according to the same rules followed for regular active duty paydays. DFAS-CL will send annual VSI payments to the VSI recipient’s bank via Electronic Funds Transfer (EFT). The Service member should complete an updated Standard Form [\(SF\) 1199A](#), Direct Deposit Sign-Up Form, as information changes. If an SF 1199A is not available, the VSI recipient must submit a signed and dated request with the address of the bank and a canceled check that shows account number and routing transit number.

3.2 Effect of Disability Compensation

A member receiving VSI must not be deprived of the VSI by reason of entitlement to disability compensation under the laws administered by the Department of Veterans Affairs (VA).

3.2.1. Deduction. The amount of any such disability compensation concurrently received must be deducted from VSI payments.

3.2.2. No Deduction. No deduction is made from VSI for any disability compensation received because of an earlier period of active duty if the VSI is received because of discharge or release from a later period of active duty.

3.3 Withholding Requirements for Members

3.3.1. Federal Income Tax Withholding (FITW) is withheld from VSI payments based upon the annual Percentage Method of Withholding Table. A valid IRS Form W-4 is required to compute the proper withholding amount under this method. If the member has not submitted an IRS Form W-4, the tax withholding is computed as if the member is single, with no withholding exemptions.

3.3.2. State Income Tax Withholding. VSI payments are subject to state income tax withholding for residents of states that have entered into an agreement with the Secretary of the Treasury. State withholding and reporting for the SSB and the initial VSI payment is based on the member's legal residence at the time of separation from active duty. For annual VSI payments, state income tax is withheld based upon the state of legal residence claimed on the member's DD Form 2058. See Volume 7A, Chapter 44 for those states that have entered into an agreement with the Secretary of the Treasury.

3.3.3. Withholding of Federal Insurance Contributions Act (FICA). FICA (or any other payroll taxes) is not withheld from VSI payments.

3.4 Recoupment of SSB or VSI

A member who has received SSB or VSI and who later qualifies for retired or retainer pay will have the amount of the SSB or VSI received deducted from each payment of such retired or retainer pay. SSB will also be deducted from disability compensation under the laws administered by the VA. See Chapter 4 for detailed information on recoupment.

4.0 DEBT COLLECTION

SSB and VSI initial payments were subject to offset for debt collection. If a Service member separated from active duty with debts due to the United States (including non-appropriated fund instrumentalities and non-DoD debts), the amount of the debt was subject to offset from the SSB and initial VSI entitlement. In the case of VSI, if the debt was greater than the initial payment, the remaining debt will be collected from subsequent installments. Collections are made according to the administrative offset provisions contained in [31 U.S.C. § 3716](#) and are subject to standard debt collection procedures and policies in Volume 16. Garnishment orders remain in effect for VSI recipients and must be transferred to DFAS-CL for administration.

5.0 BENEFICIARY PAYMENT

5.1 Designation of Beneficiaries

5.1.1. Service members may designate beneficiaries to receive VSI installments that remain unpaid after the death of the member using a DD Form 2864. The VSI recipient may designate different percentages for multiple recipients to receive. In the event percentage elections are not made, payments are divided evenly among the designated beneficiaries. The VSI recipient may change his/her beneficiary information by sending a signed and dated DD Form 2864 to DFAS-CL at any time after separation.

*5.1.2. DFAS-CL will maintain beneficiary forms for all VSI accounts at least until the end of the VSI entitlement period. [If the member dies before the end of the VSI entitlement period, the beneficiary forms will be retained and will not be disposed until after the settlement and payment of any claims made by beneficiaries and until after the retention periods in DFAS 5015.2M \(Records Disposition Schedules for Administrative Records Manual\) expire.](#)

5.2 Notification of Death and Beneficiary Claim

5.2.1. DFAS-CL requires notification of a VSI recipient's death. Proof of death, such as a [certified](#) death certificate, is required. Upon receipt of proof of death, DFAS-CL will close out the member account and establish the beneficiary account. If the beneficiary is responsible for the death of the retiree, the annuity may not be paid to that person unless evidence is received which clearly absolves the beneficiary of any felonious intent.

5.2.2. No specific form is required for making a claim for beneficiary payments. A statement signed by the beneficiary claiming future VSI payments will be sufficient. A claim by a beneficiary for VSI payments will be settled in accordance with 31 U.S.C. § 3702 and therefore must be received within 6 years after the date the claim accrues in order to be timely. The statement should include the beneficiary's social security number. Mail beneficiary claims to DFAS-CL, Retired and Annuitant Pay (R&A):

DFAS Indianapolis
Attn: Uniques
8899 East 56th Street
Indianapolis, IN 46249-1300

5.3 Beneficiary Payment

5.3.1. Death of the Member. Upon the death of the member, DFAS-CL will make all remaining annual payments to the member's designated beneficiaries for the remainder of the deceased VSI recipient's entitlement period. If a valid designation was not made or received, payments will be distributed to the person highest on the list, living on the date of death (see [10 U.S.C. § 2771](#)) as follows:

5.3.1.1. The Beneficiary designated by the member in writing, if the designation is received by the Military Department concerned before the member's death;

5.3.1.2. The surviving spouse;

5.3.1.3. The children and their descendants, by representation:

5.3.1.3.1. Adopted Child. An adopted child is a legal heir in every state and, therefore, is entitled to payment of unpaid pay and allowances, if otherwise proper. If others adopt the deceased member's child, the child is a beneficiary only in those states where an adopted child inherits from its natural parent.

5.3.1.3.2. Stepchild. A stepchild is not an eligible beneficiary unless adopted by the deceased retiree.

Note: In certain instances, evidence of paternity may be required to determine eligibility.

5.3.1.4. The father and mother in equal parts or, if either is dead, the survivor;

5.3.1.5. The legal representative; or

5.3.1.6. The person entitled under the law of the domicile of the deceased retiree.

5.3.2. Death of the Beneficiary. Upon presentation of a claim, payments will be distributed to a beneficiary's estate in the event a beneficiary dies after a VSI recipient's date of death. DFAS-CL will make such payments according to the laws governing the beneficiary's state of legal residence.

5.3.3. Withholding Requirements

5.3.3.1. A payment to a beneficiary is subject to FITW. The FITW is based upon the [IRS Form W-4P](#), Withholding Certificate for Pension or Annuity Payments, submitted by the recipient. If an IRS Form W-4P is not submitted, the DFAS site will calculate withholding as for a married person claiming three withholding allowances.

5.3.3.2. State income taxes or FICA will not be withheld from beneficiary payments.

5.3.3.3. DFAS-CL will issue an IRS Form 1099-R, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc., to each beneficiary recipient.

5.3.4. Garnishment of Beneficiary Payments. DFAS-CL will not honor garnishment orders against beneficiary payments.

5.3.4. Offset of Beneficiary Payments. Beneficiary payments generally are not subject to

offset. For instance, VSI beneficiary payments are not offset even though the beneficiary is entitled to receive Social Security on behalf of the deceased VSI recipient. However, if a beneficiary is indebted to the government, the debt may be collected from VSI installment payments.
