CHAPTER 25

COMPUTATION OF FEDERAL INCOME TAX WITHHOLDING (FITW)

2501. GENERAL

250101. Purpose

This chapter provides information pertaining to Retired and Annuitant (R&A) pay that is subject to FITW and the computation of FITW.

250102. Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with Title 26 of the United States Code (U.S.C.). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each section are listed in a reference section at the end of the chapter.

2502 RATES FOR REGULAR AND ADDITIONAL WITHHOLDING OF FITW

250201. FITW

Federal income tax will be withheld in accordance with the Department of the Treasury, Internal Revenue Service (IRS), Publication 15 (Circular E) Employer's Tax Guide. Taxable pay, as computed under provisions of Chapter 24, is subject to FITW.

250202. Request Additional FITW

A member may authorize an additional monthly amount of federal income tax to be withheld.

250203. FITW for an Annuitant

The gross monthly amount of the annuity, or the monthly amount of the Survivor Benefit Plan (SBP) annuity remaining after it has been reduced by a Dependency and Indemnity Compensation award and/or Social Security offset (as applicable), is taxable income and subject to FITW unless the annuitant elects no withholding. See also Chapter 37, Retired Serviceman’s Family Protection Plan (RSFPP) Annuities and Chapter 46 for SBP Annuities.

250204. Nonresident Alien

Federal income tax is withheld for a nonresident alien pursuant to 26 U.S.C. § 871 and Title 26, Code of Federal Regulations (CFR), section 1.861-4. Taxable retired pay, as determined under Chapter 24, is subject to FITW at the rate of 30 percent, without being reduced by withholding allowances of personal exemptions, unless the member is a citizen of a country that...
has a tax treaty with the United States. Use the withholding rate specified in the treaty if the
member files IRS Form W-8BEN, Certificate of Foreign Status of Beneficial Owner for United
States Tax Withholding and Reporting (Individuals), with the Defense Finance and Accounting
Service, U.S. Military Retirement Pay, 8899 E. 56th Street, Indianapolis, IN 46249-1200.

Note: When a member files an income tax return, the IRS will refund any excess tax withheld. A
member who is not a U.S. citizen or resident alien is responsible for reporting the income to the
country of the member’s citizenship and paying any tax owed on this income.

2503 RATES OF FITW FOR ONE-TIME PAYMENTS

250301. One-Time Payments

When DFAS Retired Pay pays a one-time payment concurrently with a regular
monthly payment, it separately identifies the one-time payment from the regular payment. As
such, the same FITW computation rules apply if the one-time payment is made concurrently with
or separately from the regular monthly payment. There are two computation methods, and the
method that may be used depends upon whether Federal income tax was withheld from regular
monthly payments of retired pay made to the member during the current or immediately preceding
calendar year. (See IRS Publication 15, Section 7.)

A. When federal income tax was not withheld from regular payments during
the current or preceding calendar year, the one-time payment must be combined with the wages
paid for the last pay period (in the same calendar year) or with the wages paid for the current pay
period. The amount of withholding is then computed as if this was a single payment, taking into
consideration the member’s claimed withholding exemptions. Compute the aggregate withholding
amount. Subtract the amount of federal income tax previously withheld or the amount scheduled
to be withheld from the regular wages for the current period. The excess amount then would be
deducted from the one-time payment.

B. When federal income tax was withheld from regular monthly payments
made during either the current or immediately preceding calendar year, there are two alternatives:

1. Use the procedure described in subparagraph 250301.A; or

2. Withhold a flat 22 percent of the taxable portion of the one-time
payment without regard to the withholding exemptions claimed. (See Revenue Ruling 66-190,
1966 CB 457.)

250302. Blended Retirement System (BRS) Lump Sum Payments

BRS lump-sum payments made under 10 U.S.C. § 1415(b) are treated as supplemental
wages for tax purposes. Federal income tax is withheld from BRS lump sum payments in the
same manner as described in paragraph 250301.
