CHAPTER 61

ANNUITIES FOR CERTAIN MILITARY SURVIVING SPOUSES (ACMSS)

6101 GENERAL

The authority for ACMSS payments has been in effect since November 18, 1997. [It is payable only to certain qualified surviving spouses.](#)

*610101. Authoritative Guidance

[The authoritative guidance for this chapter is shown in the bibliography page.](#)

610102. Eligibility for Payment: An annuity shall be paid to the qualified surviving spouse of each member of the uniformed services who either:

A. Eligible for Retired or Retainer Pay: Became eligible for retired or retainer pay before September 21, 1972, died before March 21, 1974, and was entitled to retired or retainer pay on the date of death; or

B. Entitled to Retired Pay: Was a member of a Reserve Component of the Armed Forces and died before October 1, 1978, and at the time of his/her death would have been entitled to retired pay under [Title 10, United States Code \(U.S.C.\), chapter 67 \(10 U.S.C. 1331](#), et seq.) (as in effect before December 1, 1994), but for the fact that he/she was under 60 years of age.

6102 ANNUITY APPLICATION

An annuity application is required before payment will be made. A Department of Defense [\(DD\) Form 2769](#), Application for Annuity Certain Military Surviving Spouses, should be submitted to the Military Service concerned. The Military Service reviews the claim and determines whether the applicant is qualified for an ACMSS annuity. If information is unavailable from existing records, such as the Defense Enrollment Eligibility Reporting System (DEERS), then the applicant may be required to submit the following documentation to the Military Service: certified copies of the member's death certificate and/or marriage certificate; DD Form 214, Certificate of Release or Discharge From Active Duty; retirement order; retired pay statement; or any additional information needed to substantiate the claim. The Military Service notifies the applicant on the disposition of the claim within 60 days. The Military Service forwards approved claims to the Defense Finance and Accounting Service (DFAS)-Cleveland Site for payment.

6103 DEFINITION OF A QUALIFIED SURVIVING SPOUSE AND DECEASED RETIRED MEMBER

610301. Qualified Surviving Spouse

A qualified surviving spouse is defined as a spouse who:

A. Was married to a deceased retired member of a Uniformed Service described in paragraph 610302 at the time of such member's death and has never been remarried, or;

B. Was married to the member at the time the member became eligible for retired pay, had been married to the member for at least 1 year before the date of death, or was the parent of a child born of such marriage.

610302. Deceased Retired Member

For purposes of this chapter, a deceased retired member is one who:

A. Became entitled to retired pay or retainer pay before September 21, 1972, died before March 21, 1974, and was entitled to retired or retainer pay on the date of death; or

B. Was a member of a Reserve Component of the Armed Forces and died before October 1, 1978 and at the time of his/her death would have been entitled to retired pay under 10 U.S.C., chapter 67 (10 U.S.C. 1331, et seq.) (as in effect before December 1, 1994), but for the fact that he/she was under 60 years of age.

6104 PAYMENT OF ANNUITY

610401. Payment Effective Date

Upon receipt of a validated claim endorsed by the Military Service, DFAS-Cleveland Site shall begin payment to a qualified surviving spouse within 30 days. The monthly payments begin effective December 1, 1997, except where entitlement is under subparagraph 610302.B, in which case entitlement begins effective October 1, 1999.

610402. Representative Payee

ACMSS payments due to a mentally incompetent or otherwise legally disabled person for whom a guardian or other fiduciary has not been appointed may be paid to a representative payee, the same as the Survivor Benefit Plan (SBP). See Chapter 46, paragraph 460103.

610403. Report of Existence (ROE) and Certificate of Continued Eligibility (COE)

The procedures for ROE and COE on SBP annuity payments also apply to ACMSS payments. See Chapter 46.

610404. Debt Collection

Overpayments of annuity are subject to the same collection action as SBP. See Chapter 46.

610405. Taxability

The taxability of ACMSS payments is similar to an SBP annuity. See Chapter 46.

610406. Death of Annuitant

The annuity terminates the first day of the month in which the annuitant dies.

610407. Arrears of Annuity

Any amounts that are due and payable at the time of the annuitant's death may be paid in accordance with the provisions of Chapter 31, paragraph 310103. The unpaid annuity will only be paid upon receipt of a properly executed and documented claim, approved by the Secretary of the Military Department concerned (or designee).

610408. Remarriage

The annuity terminates the first day of the month in which the annuitant remarries, [without regard to the age of the amount.](#)

6105 ANNUITY AMOUNT AND OFFSET

610501. Amount

The annuity to a qualified surviving spouse was initially established at \$165 per month. The amount is subject to the same cost-of-living adjustments and at the same time as military retired pay increases. The first cost-of-living adjustment was effective December 1, 1997 as shown on Table 61-1. The provision for rounding monthly SBP annuity is not applicable.

610502. Offset

The amount of annuity to which a surviving spouse is entitled under this section for any period shall be reduced (but not below zero) by any amount paid to the surviving spouse for the same period under any of the following:

- A. Retired and Reserve Component SBP, or;
- B. [Retired](#) Serviceman's Family Protection Plan;

- C. Minimum Income Widow's benefit, or;
- D. Dependency and Indemnity Compensation.

6106 FUNDING

Annuities must be funded by the approving Military Service from operation and maintenance funds for the fiscal year in which the payment is made.
