SPECIAL CATEGORY EMPLOYEES

1001 OVERSEAS EMPLOYEES

100101. General

The general pay provisions for General Schedule (GS) employees stateside also apply to GS employees stationed overseas. The Department of Defense Instruction (DoDI) 1400.25, Department of Defense (DoD) Civilian Personnel Management System, Volume (V)1250, Overseas Allowances and Differentials, authorizes and governs the payment of allowances and differentials to DoD civilian employees who are citizens of the United States (U.S.) and located in a foreign area. The Department of State Standardized Regulations (DSSR) prescribe eligibility requirements, the applicable rates to be paid, and the provisions to be observed in paying overseas foreign area allowances and differentials to employees.

100102. Foreign Nationals

A. Authority. Title 22 United States Code (U.S.C.), Section 3968, establishes the pay for foreign national employees. Delegation of authority is established by DoDI 1400.25-V1231, Employment of Foreign Nationals. Authority is delegated to each military department to re-delegate to its Service Component Commanders the authority to establish salaries, wages, fringe benefits, related compensation items, and other terms of employment for foreign national employees. Additional guidance can be found in the DoD Manual for Foreign National Compensation, DoD 1416.8-M. The DoD 1416.8-M prescribes procedures and instructions for the development of compensation programs for foreign nationals employed by the U.S. Forces in foreign areas.

B. Entitlements. The Wage and Salary Branch of the Defense Civilian Personnel Advisory Service (DCPAS) establishes wage schedules for foreign national employees based on locality wage surveys, or other available data, as provided by the activity labor agreement between the U.S. and the foreign country. The basis for salary determinations and deductions are contained in the employing activity’s applicable inter-country agreements and personnel regulations.

100103. Canadian Employees

A. General. Canadian national direct-hire employees receive compensation comparable to that paid to Canadian Government employees in the same locality and performing essentially the same work with relatively the same degree of responsibility.

B. Authority. DoDI 1400.25-V1231 contains the authority for the administration of foreign nationals, including Canadians.
C. **Entitlements**

1. **Holidays.** Canadian legal holidays are observed with no charge to leave. If an emergency requires work on a Canadian holiday, the pay for an additional day is provided or the employee is given compensatory time off. The following are the legal Canadian holidays:
   
   a. New Year’s Day (January 1);
   
   b. Good Friday (March-April);
   
   c. Easter Monday (March-April);
   
   d. Victoria Day (May 24);
   
   e. Canada Day (July 1);
   
   f. Civic Holiday (1st Monday in August);
   
   g. Labor Day (1st Monday in September);
   
   h. Thanksgiving Day (Oct-Nov);
   
   i. Remembrance Day (November 11);
   
   j. Christmas Day (December 25); and
   
   k. Boxing Day (December 26).

2. **Absence and Leave.** Sick leave is accrued at the rate of 4-1/4 hours each pay period except for the last pay period of the leave year. During the last pay period, 6-1/4 hours accrue. The total annual accumulation is 112-1/2 hours or 15 days of sick leave.

3. **Work-Related Injury or Illness.** Compensation for work-related injuries or illness is covered by the Federal Employees' Compensation Act.

D. **Pay.** Salaries are based on rates in approved agreements between the Treasury Board of Canada and the Public Service Alliance of Canada for Canadian Civil Service Employees. The effective dates are the same as in the basic Canadian agreements. Pay is in Canadian dollars on a biweekly basis.

E. **Hours of Duty.** The workday is 7-1/2 hours and the workweek is 37-1/2 hours.
F. **Step Increases.** Step increases are made, until the top step is reached, upon written certification by the supervisor that an employee has demonstrated an acceptable level of competence during the waiting period. Certification is completed and forwarded to the human resources organization (HRO) for processing prior to the effective date of the step increase. Step increases are effective at the beginning of the first pay period following the effective date of the anniversary.

G. **Retroactive Pay.** Retroactive pay adjustments are made based on agreements covering Canadian Civil Service employees. These adjustments are payable to employees separated during the retroactive period.

H. **Leave Without Pay (LWOP).** Aggregate periods of LWOP of more than 80 hours during the waiting period for a step-increase will delay the increase. Extended periods of LWOP also affect leave accruals.

I. **Awards.** Canadian National employees generally are eligible for all awards, except quality increases.

J. **Canada Pension Plan.** Employees’ contributions to the Canada Pension Plan are deducted from their salaries. The U.S. Government pays the employer’s contribution.

K. **Registered/Retirement Pension Plan.** The U.S. Government pays an amount equivalent to the employees’ contributions up to a legal maximum of annual salaries.

L. **Severance Pay.** Employees are paid a lump-sum amount according to the following:

1. **Lay-Off.** Two weeks of pay for the first complete year of continuous employment and one week of pay for each additional complete year of continuous employment with a maximum benefit of 28 weeks of pay.

2. **Resignation.** When an employee resigns with 10 or more years of continuous employment, they will be paid one-half week of pay for each complete year of continuous employment up to a maximum of 26 years with a maximum benefit of 13 weeks of pay.

3. **Retirement.** Upon retirement, when an employee would be entitled to an immediate annuity, or to an immediate annual allowance had the employee been under the Canadian Government Public Service Superannuation Act, an employee is paid one week of pay for each complete year of continuous employment with a maximum benefit of 28 weeks of pay.

4. **Death.** When an employee dies, pay one week of pay to the employee’s estate for each complete year of continuous employment with a maximum benefit of 28 weeks of pay, regardless of any other benefits payable.
M. **Ontario Health Insurance Plan.** When employees are enrolled in the Ontario Health Insurance Plan, they are reimbursed an amount equivalent to the Canadian Government contributions under the plan. Claims for reimbursement, supported by receipts, are submitted annually by the end of the calendar year.

N. **Unemployment Insurance.** The U.S. Government contributes an amount equal to that which would be paid by a Canadian government employer to the Canadian fund. Employee contributions are deducted from their salaries. See information on unemployment insurance for Canadian employees in Chapter 6.

O. **Canadian Income Tax.** Employees’ tax contributions are deducted from their biweekly salaries.

P. **Accidental Life Insurance.** This is a voluntary contribution deducted from the employee’s biweekly salary at the employee’s request.

1002 OTHER THAN FULL-TIME CAREER EMPLOYEES

*100201. Part-Time Employment*

Part-time employment generally is no less than 16 hours and no more than 32 hours per week under a schedule consisting of an equal or varied number of hours per day. Agencies may permit employees to work less than the minimum 16 hours per week based on guidance provided in Title 5, Code of Federal Regulations (C.F.R.), Section 340.202(b). Employment may be between 32 and 64 hours in a biweekly pay period in the case of a flexible or compressed work schedule. See 5 U.S.C. 3401(2). Part-time employment does not include employment on a temporary or intermittent basis. A part-time employee must have a regular schedule, set in advance, of at least one hour in each administrative workweek in each biweekly pay period. See 5 U.S.C. 3401-3408 and 5 C.F.R. 340.

A. **Pay.** Gross basic pay is computed by multiplying the employee’s hourly rate of pay by the total of the hours worked and the hours of paid leave during the pay period.

1. **Overtime Pay.** Under 5 U.S.C. 5542, overtime pay for eligible part-time employees is authorized only for work over eight hours a day or 40 hours in a week.

2. **Compensatory Time Off.** Under 5 U.S.C. 5543, part-time employees may elect to take compensatory time off in lieu of overtime pay. Under 5 U.S.C. 5550a, part-time employees may elect to perform compensatory overtime work to replace time taken off for religious observances.

3. **Sunday Pay.** Under 5 U.S.C. 5544(a) and 5 U.S.C. 5546(a), a part-time employee is entitled to pay at his or her rate of basic pay plus premium pay at a rate equal to 25 percent of his or her basic pay for each hour of Sunday work. Sunday work means non-overtime work performed by an employee during a regularly scheduled daily tour of duty that begins or ends on Sunday. An employee must perform actual work to receive Sunday pay.
Employees who do not work during their Sunday tour of duty because they are on paid leave or excused absence, using compensatory time off or credit hours, or because Sunday is a holiday, are not entitled to Sunday premium pay. See Fathauer v. United States, 566 F.3d 1352 (Fed. Cir. 2009) and Office of Personnel Management (OPM) Memorandum, dated December 8, 2009, for additional guidance. Information pertaining to Sunday premium pay for full-time employees is located in Chapter 3.

4. **Night Differential Pay.** Under 5 U.S.C. 5545 GS part-time employees are entitled to night pay for work performed between 6:00 p.m. and 6:00 a.m. as part of their regularly scheduled administrative workweek. See Chapter 3.

5. **Night Shift Differential Pay.** Under 5 U.S.C. 5343(f) Federal Wage System (FWS) part-time employees who work a regular scheduled shift of eight hours or less are entitled to night shift differential. A majority of the hours worked, however, shall be on the second or third shift. For information on hours for the second and third shifts, see Chapter 3.

6. **Holiday Premium Pay.** Under 5 U.S.C. 5546, a part-time employee who works on a holiday that falls during his or her regularly scheduled hours is entitled to holiday premium pay only for those scheduled hours. However, part-time employees who are excused from work on a holiday may only receive their rate of basic pay for the hours they are regularly scheduled to work on that day. Additionally, part-time employees do not receive holiday premium pay for working on an “in lieu of” holiday that is scheduled for full-time employees. Part-time employees are not entitled to an “in lieu of” holiday and therefore they are not entitled to holiday premium pay for work performed on that day.

B. **Leave**

1. **Annual Leave.** Part-time employees having a regular tour of duty or a biweekly work requirement earn annual leave under 5 U.S.C. 6302 on a prorated basis based on the total number of hours in a pay status in each biweekly pay period, excluding overtime hours. Hours in a pay status include straight time and additional hours worked up to a total 80 hours in the biweekly pay period. To earn annual leave, part-time employees shall have a regularly assigned tour of duty on at least one day of each week in the biweekly pay period. Maximum carryover at the end of the leave year is the same as for a full-time employee. Leave is charged for an absence during the hours the employees are regularly scheduled to work. See Chapter 5.

2. **Sick Leave.** Part-time employees with a regularly scheduled tour of duty shall earn and be credited with one hour for each 20 hours in a pay status. See 5 U.S.C. 6307.
3. **Other Leave.** Part-time employees are eligible for other leave categories (e.g., absent without leave (AWOL), LWOP, court leave, funeral leave, or excused absences) on the same basis as full-time employees. The rules governing the Family and Medical Leave Act of 1993 and the Federal Employees Family Friendly Leave Act also apply to part-time employees. See Chapter 5.

4. **Military Leave.** Each member of a Reserve Component who is an employee of the U.S. is entitled to a leave of absence from his or her duties without loss of pay, time, or efficiency rating for each day, but for no more than 15 days in any fiscal year in which he or she is on active duty or training. Eligible part-time employees accrue military leave that is prorated based on the tour of duty. See 5 U.S.C. 6323(a)(2) and Chapter 5.

5. **Holiday Leave.** When a holiday falls on a scheduled workday, a part-time employee is entitled to basic pay for the number of hours the employee is regularly scheduled to work on that day, not to exceed 8 hours, unless covered by a compressed work schedule. A part-time employee is not entitled to pay for a holiday that falls on a day the employee is not normally scheduled to work.

6. **“In Lieu of” Holiday.** An “in lieu of” holiday is granted to replace the day designated as a holiday by federal statute or executive order when the holiday falls on a full-time employee’s non-work day. Under DoDI 1400.25-V610, Hours of Duty, part-time employees are not entitled to in lieu of holidays. However, if a part-time employee is prevented from working because the activity is closed, he or she may either be placed in an appropriate leave category or be excused (placed on administrative leave) without loss of pay for the number of hours that he or she is regularly scheduled to work on that day.

C. **Deductions from Pay**

1. **Retirement.** Part-time employees are subject to deductions for retirement benefits on the same basis as full-time employees.

2. **Federal Employees’ Health Benefits (FEHB).** Part-time employees are eligible to participate in the FEHB Program. See the FEHB Handbook. The cost to the employee is the total cost of health benefits (both the employee and the employer’s share) less the prorated government contribution. See Chapter 11 for more information on FEHB for part-time employees.

3. **Federal Employee Group Life Insurance (FEGLI)**
   a. **Part-time Eligibility.** A part-time employee is eligible to participate in the FEGLI Program. See the FEGLI Handbook. Participation is voluntary and eligible part-time employees are automatically covered under the basic insurance option unless they waive the insurance coverage. The part-time employee’s basic insurance amount is the greater of their annual rate of basic pay rounded up to the next even $1,000 plus $2,000, or a flat $10,000. Basic life insurance coverage is effective from the first day the employee is in an official duty status. Employees may elect additional optional insurance within 31 days from their appointment date if they choose. All new employees must complete a Standard Form
100202. Intermittent Employment

Intermittent employees work sporadically and have no fixed or guaranteed schedules. This is other than full-time employment in which employees serve under an excepted or competitive service appointment without a regularly scheduled tour of duty. See 5 C.F.R. 340.403. An intermittent work schedule is appropriate for a position involving work that is sporadic and unpredictable such that a regular tour of duty cannot be scheduled in advance.
A. Pay. Intermittent employees are paid only for hours of work performed while in a duty status. The gross basic pay is computed by multiplying the employee’s hourly rate of pay by the total of the hours worked during the pay period. Because intermittent employees do not maintain a regularly scheduled workweek as defined at 5 C.F.R. 610.102, intermittent employees are not eligible for premium pay for holiday work, night pay or night shift differential or Sunday work. See 5 C.F.R. 532.509, 5 C.F.R. 550.121, and 5 C.F.R. 550.103. Intermittent employees are entitled to overtime when appropriate. Intermittent employees receive their normal salary for working holidays, Sundays, or during a night shift. An exception exists for a FWS intermittent employee assigned to a regularly scheduled shift of less than eight hours. The FWS intermittent employee in this situation is entitled to night shift differential pay if a majority of the hours are worked during the period when night shift differential is payable. See OPM Operating Manual for FWS Employees, Subchapter S8-4. A GS intermittent employee is not eligible for night pay differential unless temporarily assigned to a regular tour of duty with night work.

B. Leave. Intermittent employees do not earn annual or sick leave.

1. Sick Leave Recredit upon Transfer. When a full or part-time employee transfers to an intermittent position to which he or she cannot transfer previously earned sick leave, the sick leave must be held in abeyance until the employee returns to the original leave system under which the leave was earned. The payroll office (PRO) must recredit the sick leave if the employee returns to the original leave system on or after December 2, 1994, without regard to the original date of transfer. See 5 C.F.R. 630.502.

2. Lump-Sum Annual Leave Payment. When a full-time or part-time employee is changed to an intermittent employee, any unused annual leave is paid as lump-sum. A lump-sum payment is not required when the employee is part of a continuing program under which employees are required to return to full-time or part-time employment after a period of intermittent employment (e.g., student trainee). See 5 C.F.R. 550.1203.

C. Deductions

1. Retirement. Intermittent employees are not eligible for retirement coverage except when the intermittent employment follows employment in a covered position and there has not been a break in service of more than three days. Intermittent employees are subject to Social Security and Medicare deductions. See 5 C.F.R. 831.201.

2. FEHB. Intermittent employees are not eligible for health insurance coverage except when the intermittent employment follows employment in a covered position and there has not been a break in service of more than three days. See the FEHB Handbook.

3. FEGLI. Intermittent employees are not eligible to participate in FEGLI except when the intermittent employment follows employment in a covered position, there has not been a break in service of more than three days, and the employee is expected to return to a covered position. The annual pay for intermittent employees is the annual rate that they were receiving at the end of the pay period or, in the event of death or dismemberment, the
annual rate they were receiving at the time of the death or accident. For example, if an intermittent employee is paid $17.84 per hour, his or her rate of pay fixed by law is $37,232 (17.84 \times 2,087 = $37,232). If this employee works only two days or 16 hours during a particular pay period, the annual rate of pay for insurance purposes is based on actual time worked during that pay period. In this example, $7,421 is the annual rate of pay for insurance purposes (17.84 \times 16 \times 26 = $7,421/year). However, insured employees whose annual pay is $8,000 or less are covered for the minimum $10,000 of basic insurance. See the FEGLI Handbook.

*100203. Seasonal Employment

Seasonal employment was established to allow agencies to recruit and train employees for duty that occurs on a predictable yearly basis and is expected to last less than 12 months each year. See 5 C.F.R. 340.402. As with other career employees, seasonal employees are entitled to receive full benefits. At the end of the season, the employee is placed into a non-duty/nonpay status and will be recalled at the onset of the next season in accordance with a pre-established agreement between the agency and the employee. OPM eliminated the use of the term “on-call employment” on January 13, 1995, when it issued a rule at 5 C.F.R. 340.401 that defined “seasonal employment.” OPM determined for purposes of regulations governing other than full-time career employment, there is substantially no difference between the terms “on-call employment” and “seasonal employment”.

A. Pay. Gross basic pay is computed by multiplying the employee’s hourly rate of pay by the total of the hours worked and the hours of paid leave during the pay period.

B. Leave. Seasonal employees earn leave during the time in pay status and during the first 80 hours in nonpay status each year.

C. Deductions. Regularly scheduled seasonal employees under career or career-conditional appointments and who are expected to work at least six months per year are subject to deductions. The deductions (e.g., retirement, health insurance, and life insurance) are made on the same basis as those of full-time employees.

100204. Piecework Employees

When Executive Agency employees are hired on a piecework basis, the employee’s earnings are determined based on the amount of work produced. The general authority for entitlement of pay, scheduling of work, and excusing absences for piecework employees are granted under 5 U.S.C. 6104 and 5 C.F.R. 610.301-306. Employees working limited appointments of one year or less and being paid piecework rates are excluded from retirement coverage unless they are covered by an exception. See 5 C.F.R. 831.201(a)(5). For life insurance purposes, the annual pay for a piecework employee is the total basic earnings for the previous calendar (52-week) year, not counting premium pay for overtime or holidays. See 5 C.F.R. 870.204(d). Piecework employees are excluded from FEHB coverage except for those with a work schedule that provides for full-time or part-time service with a regularly scheduled tour of duty. To determine rates payable for piecework, see 5 C.F.R. 532.241.
1003 REEMPLOYED ANNUITANTS

100301. General

A retired Federal employee may be reemployed in Federal service as a reemployed annuitant. The retired employee’s annuity may continue to be paid upon reemployment, or may be terminated or suspended. Reemployment may result in an increase in the employee’s retirement and death benefits. Special provisions apply to annuitants reemployed by DoD on or after November 25, 2003, and to former members of Congress.

A. Employees Retired from Competitive Service

2. Treatment of Annuity upon Reemployment. As a general rule, if a CSRS or FERS annuitant is reemployed, the annuity continues to be paid, but the annuity payment is offset from the reemployed annuitant’s salary. Certain exceptions apply which may result in the CSRS or FERS annuity being terminated or suspended upon reemployment. The director of OPM may waive the reemployment provisions for CSRS or FERS annuitants on a case-by-case basis for employees in positions where there is exceptional difficulty in recruiting or retaining a qualified employee.

a. Termination of a Disability Annuity. A CSRS or FERS disability annuitant may be reemployed in a temporary or permanent position and given the same type of appointment that would be given to any other person appointed to the position. Reemployment may cause the disability annuity to terminate if OPM determines the annuitant has recovered or been restored to earning capacity prior to reemployment. Additionally, reemployment may terminate the annuity of a CSRS or FERS disability annuitant who was medically disqualified for continued membership in the National Guard.

b. Termination of an Annuity Based on Involuntarily Separation. When involuntary separation such as for reduction-in-force and lack of funds is the basis for a CSRS annuitant’s retirement, and the new appointment is subject to retirement coverage, the annuity payment is terminated upon reemployment and retirement deductions shall be taken from the salary.

c. Termination upon Presidential Appointment or Election to Congress. When a CSRS annuitant receives a Presidential appointment subject to retirement deductions, or is elected as a member of Congress, payment of the annuity terminates upon reemployment.
d. **Suspension upon Judicial Appointment.** When a CSRS or FERS annuitant is appointed as a justice or a judge of the U.S., payment of the annuity is suspended.

e. **Suspension upon Interim Appointment by Merit System Protection Board (MSPB).** When a CSRS or FERS annuitant receives an interim appointment under 5 U.S.C. 7702 by the MSPB, payment of the annuity is suspended.

3. **Reemployment of Law Enforcement Officers (LEOs), Firefighters and Air Traffic Controllers (ATCs).** A retired law enforcement officer or firefighter mandatorily separated is generally barred from reemployment in a primary position involving law enforcement or firefighting duties after reaching age 57. However, he or she is not barred from reemployment in a secondary position or any other position. Similarly, a retired air traffic controller is generally barred from reemployment in the same position after reaching age 56. He or she is not barred from reemployment in any other position not covered by the special retirement provisions for air traffic controllers. The agency must withhold the required deductions from the reemployed annuitant’s pay (one-half percent higher than the regular deduction rate). See 5 U.S.C. 8335 and 5 U.S.C. 8425.

4. **Supplemental Annuity or Redetermined Annuity.** A reemployed annuitant may earn future benefits either in the form of a supplemental annuity or a redetermined annuity.

a. **Supplemental Annuity.** A supplemental annuity is an annuity added to the reemployed annuitant’s present annuity. An employee who works as a reemployed annuitant on a full-time basis for at least one year, or on a part-time basis for a proportionately longer period, may be entitled to a supplemental annuity. For a reemployed annuitant who qualifies for a supplemental annuity, the SF 2806, Individual Retirement Record CSRS, or SF 3100, Individual Retirement Record FERS, typically prepared for a new employee is prepared at the time of separation rather than at the time of appointment.

b. **Redetermined Annuity.** A redetermined annuity is recomputed and takes the place of the employee’s present annuity. A reemployed annuitant who completes at least five years of actual continuous full-time service and/or part-time service that is equivalent may elect to have their annuity redetermined under the law in effect at the time of separation from reemployment, in lieu of a supplemental annuity.

c. **LEOs, Firefighters, and ATCs.** The special retirement provisions for law enforcement officers, firefighters, and air traffic controllers do not apply to service from reemployment. Therefore, any service credit from reemployment that is used to calculate a supplemental or redetermined annuity is treated as regular service, even if the employee is reemployed in an approved LEO, firefighter, or ATC position.

B. **Annuitants Reemployed by DoD on or after November 25, 2003.** The Secretary of Defense was granted the authority to reemploy annuitants without a reduction in pay or of the annuity (see 5 U.S.C. 9902). Instructions governing annuitants who are reappointed by
DoD on or after November 25, 2003, are found in the **DoDI 1400.25-V300**, Employment of Federal Civilian Annuitants in the DoD. Generally, annuitants hired by DoD prior to November 25, 2003, are subject to salary offset unless an exception is approved by OPM or DoD. However, reemployed annuitants hired by DoD after November 25, 2003, may continue to receive their full annuity and salary upon appointment and shall not have their salary offset by their annuity or further retirement deductions. An exception applies for certain discontinued service retirement (DSR) annuitants who are receiving annuities based on involuntary separation for reasons other than for cause based on misconduct or delinquency. A DSR annuitant hired by DoD after November 25, 2003, may elect retirement contributions and earn further retirement credit in lieu of receiving their full salary plus annuity.

C. Former Members of Congress

1. **Suspension of Annuity upon Reemployment.** The CSRS annuity of a retired Member of Congress is generally suspended when the annuitant becomes reemployed or accepts an appointment. See **5 U.S.C. 8344(d)**. Contact OPM Retirement and Insurance Programs, Annuitant Services Division, Washington, DC 20415 for further guidance regarding reemployment of Members.

2. **Supplemental or Redetermined Annuities.** Members of Congress are not covered under the provisions for supplemental or redetermined annuities. The agency retirement counselor should contact OPM concerning the benefits for reemployed former Members.

100302. Prorating Annuities for Appropriate Reductions of Wage and GS Salaries

A. **General.** Upon reemployment, the HRO provides the **SF 50**, Notification of Personnel Action, data to the PRO as to the amount of annuity being received by a reemployed annuitant.

B. **Employees Retired from the Competitive Service.** A reemployed annuitant, who retains his or her annuity, shall have his or her salary reduced by a sum equal to the retirement annuity allocable to the period of actual employment. The appropriate reduction and adjusted salary shall be determined as follows:

1. An annuitant reemployed on an annual pay basis shall have his or her per annum salary reduced by the amount of the annual annuity. The remainder of the salary is computed in amounts payable on a biweekly pay period basis. Payment for overtime worked is based on an annuitant’s full rate of basic pay before any reduction by the amount of their annuity.

2. An annuitant reemployed on an hourly pay basis shall have his or her daily or hourly rate of pay converted to the per annum equivalent. The per annum rate is reduced by the total amount of the annuity being received by the employee. The remainder converts to a per diem or per hour rate, as appropriate.
3. The PRO adjusts the reimbursement to OPM following increases in an annuity as provided in the CSRS and FERS Handbook and any OPM instructions issued with periodic cost-of-living adjustments.

C. Former Members of Congress. A former Member of Congress who is employed in an appointive position on an intermittent service basis, and who retains his or her annuity, shall have his or her salary reduced by a sum equal to the retirement annuity allocable to the period of actual employment. The amount of annuity allocable to each pay period shall be processed as a payroll deduction rather than as a reduction in pay period earnings, as is the case with reemployed competitive service annuitants. Therefore, annuities withheld shall not reduce earnings for tax and other purposes. Annuities withheld in the case of former Members of Congress shall be remitted to OPM.

100303. Processing

Retirement deductions are optional for CSRS reemployed annuitants, and there is no requirement for a matching government contribution. Retirement deductions are required for FERS reemployed annuitants, as are government contributions. These deductions are computed on the reemployed annuitant’s basic pay before any offset due to receipt of an annuity. Deductions for Medicare (CSRS employees) or Social Security/Medicare (FERS employees) are computed on the amount remaining after subtracting the annuity offset, in accordance with Social Security Administration guidance. Federal, state, and local taxes are computed on the amount remaining after subtracting the annuity offset. Upon an annuitant’s reemployment, do not recredit any sick leave that may have been reported to OPM for use in the computation of an annuity. See 5 C.F.R. 630.405.

100304. Computation of Lump-Sum Leave Pay

Under the provisions of 5 U.S.C. 8344, the lump-sum payment for unused annual leave payable to a reemployed annuitant upon separation will be computed on the basis of the employee’s wage or salary rate fixed for his or her position or occupation without reduction for the amount of annuity received by the employee. This includes reemployed annuitants who are retired from the competitive service or who are former Members of Congress.

1004 DECEASED EMPLOYEES

100401. General

Procedures governing the settlement of accounts of deceased civilian employees are set at 5 U.S.C. 5581-5583 and 5 C.F.R. 178.201-208. An employee may designate a beneficiary or beneficiaries to receive his or her unpaid compensation using an SF 1152. Designation of Beneficiary for Unpaid Compensation of Deceased Civilian Employee. If no beneficiary has been designated by the employee, payment is made pursuant to the order of precedence set out at 5 U.S.C. 5582(b). Deceased civilian employees also include former employees who die
after separation from the employing installation, but prior to receiving final pay and allowances. The procedures do not apply to the settlement of accounts for deceased Members of Congress or to the employees of certain Federal banks. For death gratuity payments, refer to paragraph 100408.

100402. Unpaid Compensation

The settlement of a deceased employee’s account includes payment of any unpaid compensation due the employee in the form of pay, allowances, or other amounts due at the time of death including, but not limited to:

A. Current salary (including any retroactive salary), including cost-of-living allowances, overtime and premium pay;

B. Unclaimed or unnegotiated checks;

C. Cash awards;

D. Foreign and nonforeign area differentials and allowances;

E. Lump-sum annual leave payment;

F. Travel reimbursement; or

G. Severance pay.

100403. Payment

When the HRO is notified of the death of an employee, the HRO forwards a copy of the employee’s SF 1152 (if available) and all SF 1153s, Claim for Unpaid Compensation of Deceased Civilian Employee, submitted by claimants to the PRO. Claimants must provide supporting documentation as requested by the PRO. Upon notice of the death of a civilian employee, the PRO prepares an SF 1154, Public Voucher for Unpaid Compensation Due a Deceased Civilian Employee, to permit prompt payment of the amounts due. If undisputed, then the unpaid compensation due a deceased employee may be paid directly by the agency to the designated beneficiary/beneficiaries or, if none, to the person or persons eligible for payment under the order of precedence set out at 5 U.S.C. 5582. Disputed claims for unpaid compensation due a deceased employee are submitted to the OPM Office of Merit Systems Oversight and Effectiveness (OMSOE) for settlement.

A. Undisputed Claims. Direct payment is permitted to claimants legally entitled to such payments. When paying more than one beneficiary, the PRO applies percentages due each beneficiary as specified by the deceased employee on the SF 1152. If the SF 1152 does
not specify percentages, the total amount of unpaid compensation should be divided equally among the eligible claimants. The SF 1152 must be signed by the employee and filed with the employee’s employing activity prior to his or her death. Legal claimants are determined based on the following order of precedence:

1. The designated beneficiary or beneficiaries as indicated on the SF 1152. A designated beneficiary means the person or persons identified by the employee on the SF 1152 or other acceptable form. A designated beneficiary may include a legal entity such as a charity or a trust or the estate of the deceased employee. A designated beneficiary must survive the employee. A witness to the SF 1152 is not eligible to receive payment as a beneficiary.

2. The widow or widower of the employee.

3. The child or children of the employee, and descendants of deceased children by representation.

4. The parents or surviving parent of the employee.

5. The duly appointed legal representative of the estate of the employee.

6. The person or persons entitled under the laws of the domicile of the employee at the time of his or her death.

B. Disputed Claims. Disputed claims include those claims where doubt exists as to the amount or validity of the claim or as to the person properly entitled to payment. Disputed claims may also include unnegotiated or undelivered checks for money due the decedent. Disputed claims are submitted to OMSOE in accordance with 5 C.F.R. 178.102 and 5 C.F.R. 178.207 either by the claimant or by the agency on the claimant’s behalf. After the OMSOE settles the dispute and certifies the SF 1154, the form is returned to PRO for payment. Any disputed claim being submitted to OMSOE should first be coordinated through the Defense Finance and Accounting Service (DFAS) Office of General Counsel. To submit a disputed claim to OMSOE for settlement, the PRO shall perform the following actions:

1. Write a letter of transmittal to the office identified in Chapter 8. Include the following:
   a. A statement regarding designation of beneficiary.
   b. A statement explaining why referral to OMSOE is recommended. As appropriate, cite unusual circumstances surrounding the death of the employee or eligibility of the claimant(s) to receive the unpaid compensation.
   c. A statement with amount of the claim and any indebtedness.
d. A statement that the claim must be settled by OMSOE before it can be paid.

2. Attach the following to the letter of transmittal:

a. The written claim in the form and manner prescribed by 5 C.F.R. 178.102 and 178.207, including the agency’s administrative report.

b. The original SF 1154 and sub-vouchers with the statement “Payment after OMSOE Settlement.” in the block for the name of the payee.

c. The certified copy of the leave record and time and attendance report for the period covered by the voucher.

100404. Computation of Amount Due

Pay earned through the date of death and lump-sum payment for unused annual leave must be computed and shown on a regular biweekly payroll disbursement voucher or a special payroll voucher with a charge to the applicable appropriation and other applicable accounting information. The following instructions govern deductions from unpaid salary.

A. **Retirement.** If the employee was covered by a retirement system, deduct the retirement contribution from unpaid salary earned through the date of death.

B. **Social Security and Medicare Portions of the Federal Insurance Contributions Act (FICA) Tax.** If the employee was subject to Social Security/Medicare, deduct for Social Security/Medicare tax from unpaid salary paid in the same calendar year as the employee’s death (Internal Revenue Service (IRS) Circular E). Gross wages paid in the calendar year through the date of death, subject to the statutory limitation, are subject to Social Security/Medicare. Social Security/Medicare taxes shall be withheld on wages paid to a beneficiary or to the estate of the deceased employee in the same calendar year that the employee died. If payment is made after the calendar year of employee’s death, wages are exempt from Social Security/Medicare taxes.

C. **Federal Income Tax.** Do not deduct Federal income tax withholding from unpaid salary earned by an employee through the date of death. See IRS Circular E.

D. **State Tax.** Do not deduct withholding for state, territory, or District of Columbia income tax from the unpaid salary and lump-sum leave earned by an employee through the date of death.

E. **Local Tax.** Do not deduct withholding for local taxes from the unpaid salary and lump-sum leave earned by an employee through the date of death.
F. FEHB. If a survivor is eligible to continue enrollment, then make withholding using the daily proration rule according to Chapter 4. If there is no eligible survivor, or the employee maintained self-only enrollment, then a full deduction is withheld for the pay period during which the employee died. See Chapter 4.

G. FEGLI. If the employee was subject to FEGLI, then deduct for premiums for the periods for which pay is due, including the pay period during which death occurred.

H. Thrift Savings Plan (TSP). Make deductions for TSP and for any TSP loans outstanding.

I. Allotments. Make no deduction for the pay period in which death occurred.

J. Other Deductions. Make any additional deductions required under specific cases, such as indebtedness.

100405. Lump-sum Payment for Accrued Leave

Do not deduct retirement, federal, state, or local income tax, health benefits, or life insurance from the lump-sum payment.

100406. Preparation of Tax Statement

A. Decedent Form W-2 (Wage and Tax Statement). Gross amounts of final pay for the pay period of death plus any lump-sum annual leave payments must be reported as Social Security wages (box 3) and Medicare wages (box 5) only if these amounts are paid to the estate or beneficiary in the same year that the death of the employee occurs. Show the Social Security and Medicare taxes withheld in boxes 4 and 6. Do not include these amounts as wages, tips, or other compensation in box 1. Do not report payments made after the year of death on a Form W-2 and do not withhold Social Security and Medicare taxes.

B. Form 1099-MISC (Miscellaneous Income). Prepare a Form 1099-MISC for amounts payable to the decedent’s estate or beneficiary(s) whether payment is made in the year of death or after the year of death. Report the payment in box 3, other income. Include the gross amounts of final pay for the pay period of death, lump-sum annual leave, and other moneys such as travel reimbursements. Use the name and taxpayer identification number of the payment recipient on the Form 1099-MISC. If the recipient is an individual beneficiary, enter the name and Social Security Number (SSN) of the individual. If the recipient is the estate, enter the name and Federal tax-identification number for the estate.

C. Federal Income Tax. A deceased employee’s unpaid wages are not subject to federal income tax withholding in either the calendar year in which the employee died or afterwards.
100407. Transfer of Funds

The unpaid compensation is placed in deposit fund suspense account (X6276) pending receipt of a claim for the compensation. If a claim has not been received within one year from the date on which the amount was placed in the deposit fund suspense account, transfer the funds.

A. Transfer to deposit fund account 20X6133, Payment of Unclaimed Moneys, any unpaid compensation that meets the following criteria:

1. The amount is $25 or more;
2. A refund, upon claim, would be absolutely justified;
3. There is no doubt as to legal ownership of the funds; and
4. A named individual can be identified with the item.

Subsequent payment of claims from this account shall be made by preparing an SF 1154 citing account 20X6133 and the account of the disbursing officer that supports the consolidated PRO.

B. Transfer to miscellaneous receipt account –1060, Forfeitures of Unclaimed Money and Property, if the claim for unpaid compensation is less than $25 or amounts greater than $25 do not meet all the provisions for account 20X6133. Subsequent payment of claims from this account shall be made by preparing an SF 1154 citing account 20X1807, Refund of Money Erroneously Received and Recovered, and the account of the disbursing officer who supports the consolidated PRO.

100408. Life Insurance Status for Employee Death Cases within the Department

When an employee dies, the **SF 2821**, Agency Certification of Insurance Status, is processed according to the guidance in the FEGLI Handbook. The same official cannot make the dual certifications of personnel and payroll record data on the SF 2821. To reduce the time survivors or beneficiaries must wait for FEGLI benefit payments; expedite the processing of the SF 2821.

A. For Collocated HROs and PROs. Upon notification of an employee’s death, HRO shall complete and forward the SF 2821 to the servicing PRO for certification. The PRO certification will be completed and all copies of the SF 2821 returned to the HRO within 24 hours of receipt.

B. For HROs Geographically Separated from PROs. Upon notification of an employee’s death, HRO shall complete and mail the SF 2821 to the PRO for certification. The PROs certification will be completed within 24 hours of receipt and all copies of the completed SF 2821 will be express mailed back to the HRO.
100409. Death Gratuity Payments

A. Public Law (P.L.) 104-208 authorizes agencies to pay a death gratuity payment not to exceed $10,000 to the personal representative of any federal employee who dies from an injury sustained in the performance of duty on or after August 2, 1990. The gratuity is also payable when the employee died after separating from service and the death was a direct result of injuries received in the line of duty on or after August 2, 1990. The following information should be considered when making the $10,000 death gratuity payment:

1. The gratuity payment, when combined with certain other payments, may not exceed $10,000. Other payments include the $200 payable under 5 U.S.C. 8133(f) for reimbursement of the cost of termination of the decedent’s status as an employee of the U.S. and up to $800 payable under 5 U.S.C. 8134(a) for funeral and burial expenses. Pursuant to DCPAS guidance, the death gratuity is payable only if the death claim is approved by the Office of Workers’ Compensation Program (OWCP).

2. The gratuity payment is not considered wages for the purpose of Social Security, Medicare, or federal, state, or local tax withholding. Therefore, Form 1099-R, “Distributions for Pensions, Annuities, Retirement or Profit Sharing Plans, IRAs, Insurance Contracts, etc.” must be prepared by the PRO and forwarded to the personal representative.

B. Under the provisions of 22 U.S.C. 3973, a death gratuity shall be paid when a DoD employee dies as a result of injuries received in the performance of duties in Iraq or Afghanistan. The gratuity is equal to one year’s salary at the time of death. This gratuity payment shall be made as follows, regardless of other beneficiaries designated to receive any other benefits:

1. First, to the widow or widower, as defined under 5 U.S.C. 8101(6) and (11).

2. Second, to the child, or children as defined under 5 U.S.C. 8101(9), in equal shares, if there is no widow or widower.

3. Third, to the dependent parent, or dependent parents, as defined under 5 U.S.C. 8101(7), in equal shares, if there is no widow, widower, or child.

If there are no survivors as indicated subparagraph 100490.B., the death gratuity shall not be paid. See DoD DCPAS for additional information.

C. 5 U.S.C. 8102a provides a death gratuity of up to $100,000 to the survivors of a federal employee who dies from injuries received in connection with services performed with an Armed Force in a contingency operation. The gratuity is reduced by the amount of any death gratuity payments that have been paid under any other law of the U.S. based on the same death. See 20 C.F.R. 10.916. OWCP is responsible for administering and adjudicating all claims under this authority. For additional information, see 20 C.F.R. 10, subpart J.
100501. General

An agency may make excepted service appointments to hire experts and consultants for temporary or intermittent employment under 5 U.S.C. 3109 and 5 C.F.R. 304. PRO pays experts and consultants based on the SF 50 data received from the HRO. See also the Director of Administration and Management, Administrative Instruction Number 2, Employment of Experts and Consultants.

100502. Setting Pay on Initial Appointment

Determining the appropriate rate of basic pay for experts and consultants, including a decision to pay no salary, is made on an individual case basis. The rate of basic pay may be an hourly or daily rate. Normally, pay is set equal to a GS rate in grades GS-13 through GS-15. Unless specifically authorized by an appropriation or other statute, the highest payable rate is the daily rate for GS-15, step 10, or if paid on a biweekly basis, the biweekly rate for GS-15, step 10 (both excluding locality pay or any other additional pay). See 5 C.F.R. 304.105 for daily and biweekly basic pay limitations.

100503. Overtime and Premium Pay

Experts and consultants paid on a daily rate basis are not normally entitled to overtime pay under 5 U.S.C. 5542, regardless of the number of hours worked. Nevertheless, the designation of a regular tour of duty in the appointment documents does not necessarily preclude receipt of compensation at the agreed daily rate for work performed outside of that tour of duty. For example, if such an employee works six days a week, then the sixth day is paid at the straight time rate rather than the overtime rate. Experts and consultants employed on a daily basis may be paid the rate of basic compensation for work on days outside the prescribed tour of duty, provided the compensation within any biweekly pay period does not exceed the rate of basic pay for Level V of the Executive Schedule. Experts and consultants who are nonexempt under the Fair Labor Standards Act (FLSA) may be entitled to overtime pay. Overtime must be authorized and approved in advance by an appropriate official. Experts and consultants with a regularly scheduled tour of duty (i.e., not intermittent) are entitled to pay for any holiday occurring on a workday on which they perform no work, provided that workday is part of the basic workweek. Those employed on an intermittent basis do not earn leave and are not entitled to paid holidays.

100504. Salary Increases

Experts and consultants are not automatically entitled to an equivalent pay increase when the GS is adjusted under 5 U.S.C. 5303 unless noted in an appointment document. However, agencies may adjust expert or consultant pay on an ad hoc basis, subject to the limitations of 5 CFR 304.105. The SF 50 data from the HRO notifies the PRO of the proper salary increase.
100505. Offset of Uniformed Services Retired Pay

Effective October 1, 1999, Section 651 of P.L. 106-65 repealed the requirement of 5 U.S.C. 5532 that certain former members of the uniformed services are subject to reduction in retired pay if employed in the federal service including experts and consultants.

100506. Exception from Dual Pay Restriction

Generally, an individual is prohibited by statute from receiving basic pay from more than one position for more than an aggregate of 40 hours of work in one calendar week. An exception to this restriction is provided for an individual who earns pay for service on an intermittent basis from more than one consultant or expert position, provided the pay is not received for the same hours of the same day. See 5 U.S.C 5533(d)(1).

100507. Annual and Sick Leave

A. An expert, consultant, or other employee who serves on an intermittent or other basis without a prearranged regular tour of duty does not earn annual and sick leave. See 5 U.S.C. 6301(2)(B)(ii).

B. An expert, consultant, or other employees who serves on a regularly prescribed tour of duty, full-time or part-time, earns annual and sick leave. HRO shall determine the regular tour of duty in advance and annotate the appointment document specifically to show whether the employee earns leave. The accrual rate is the same as for other full-time and part-time federal employees as discussed in 5 C.F.R. 630.

100508. Retirement, Life Insurance, and Health Benefits

An expert, consultant, or other employee whose service is intermittent or temporary for one year or less is not covered under the federal retirement systems and is ineligible for life insurance and health benefits. Coverage is continued, however, if an employee currently covered by retirement, life insurance, or health benefits is appointed as an intermittent or temporary (full-time or part-time) expert or consultant without a break in service or after a separation from the service of three days or less. To continue life insurance coverage for an intermittent employee, there must be an expectation that the employee will return to the previous position on a full-time basis.

1006 LEGALLY INCOMPETENT EMPLOYEES

100601. General

The HRO must notify the PRO in writing when an employee is found to be legally incompetent. The HRO sends the PRO the SF 50 data showing the employee’s separation because of mental incompetence. The employee also may be placed on an extended leave of absence by means of an SF 50 action. The PRO makes no payments to the employee once it has been informed that the employee is declared legally incompetent. A claim must be filed on the
employee’s behalf before the pay account can be settled. No specific form is required to file a claim for amounts due mentally incompetent or former employees. The claim must be filed in writing over the signature of the person claiming on behalf of the incompetent. If the claim is from a claimant other than a guardian or committee, the servicing PRO’s Office of General Counsel should be consulted prior to making payment.

A. Guardian or Committee. The initial claim filed by the guardian or committee of the estate of a legally incompetent employee shall be accompanied by a certificate of the court showing the appointment and qualification of the claimant as guardian or committee. After the first payment has been made, subsequent recurring payments may be made to the same payee without further claim as long as the appointment as guardian or committee remains in effect and the matter is otherwise free from doubt. Each subsequent payment voucher must include a citation to the voucher upon which the initial claim was paid.

B. Other than Guardian or Committee. If a guardian or committee has not been appointed and will not be appointed, the initial claim shall be supported by a sworn statement that includes the following information:

1. The claimant’s relationship to the legally incompetent employee, if any;

2. The name and address of the person having care and custody of the legally incompetent employee;

3. A remark that any amount paid to the claimant shall be applied only to the use and benefit of the legally incompetent employee; and

4. A remark that no appointment of a guardian or committee is contemplated.

100602. Claim Action

Upon receipt of a claim, consider the proposed date of separation to determine whether compensation is due currently or a payroll voucher for final settlement should be processed. To avoid invalid payments when the employee is carried on extended paid leave, the HRO shall monitor the case for any changes in the employee’s condition and immediately advise the PRO.

*100603. Processing Claims

The PRO may pay claims for unpaid amounts owed to legally incompetent employees unless the PRO doubts the amount or validity of the claim or it doubts the claimant’s entitlement to the payment.

A. Any unclaimed, undelivered, or uncashed salary checks drawn in favor of the employee shall be returned to the disbursing officer for cancellation and credit to the appropriation or fund originally charged.
B. The net amount of any returned check must be posted to the appropriate pay record. Adjustment of the items originally deducted from the gross pay is not required if the proceeds of the check are due the employee. If the proceeds of the check are not due, prepare an SF 1098, Schedule of Canceled or Undelivered Checks, to cancel the check. Proper adjusting entries for the deductions from gross pay must also be made.

C. The amount to be paid to the claimant must be computed and must include any further payments due to the employee for each pay period in the regular payroll cycle (for example, payments due when the employee is carried on sick leave).

1. Prepare a statement for all arrears of pay due. Include the net amount of any uncashed checks if the proceeds are due.

2. Enter the following on the payroll voucher such as on a DD Form 592, Payroll for Personal Services, Certification, and Summary under “OTHER:”
   a. The term “Mentally Incompetent Employee;”
   b. The name of the proper claimant and capacity in which serving, followed by the name and SSN of the mentally incompetent employee;
   c. The citation of the designated deposit fund account; and
   d. The amount the claimant is due.

3. Upon receipt of a properly executed claim supported by a court certificate showing guardianship or sworn statement from the claimant, the PRO shall disburse funds from the deposit fund account designated on the payroll voucher to the claimant. See Volume 5, Chapter 11. The claimant’s name and address must appear on the voucher along with the employee’s name, SSN, and the pay period. The voucher is forwarded to the disbursing officer for payment.

4. Forward a copy of the processed voucher to the claimant. A copy should also be filed in the employee’s file.

5. Include in the final payment any lump-sum payment for annual leave and any other salary amount to which the employee is entitled.

6. Record the official date that the employee is declared legally incompetent in the payroll records.
100604. Processing Doubtful Claims for OPM Certification

Doubtful claims shall be submitted to OPM following these procedures:

A. Prepare the voucher for the net amount due a mentally incompetent employee per paragraph 100603. This voucher along with the required number of copies is sent to OPM. After OPM certifies the voucher, it will be returned to the submitting PRO for payment.

B. Enter “Local Payment After OPM Certification” on the face of the voucher. OPM adds the name and legal capacity of the claimant on the voucher.

C. Certify the voucher and attach the following:
   1. A legal authorization of the claimant including any certificate of the court showing appointment and qualifications of the claimant;
   2. A claim submitted by the claimant such as a letter from the guardian or administrator;
   3. A statement of the doubtful aspects and the reason the PRO recommends referral of the claim to OPM; and
   4. A certificate stating that the claim has not been paid and will not be paid until certified.

D. Retain a copy of the voucher and supporting documents in the employee’s file.

1007 MISSING PERSONS, CAPTURED OR INTERNED

100701. General

Civilian personnel who are determined officially to be missing are entitled to continued pay and allotments from their pay under the Missing Persons Act (5 U.S.C. 5561-5568) and the Terrorism Compensation Act (5 U.S.C. 5569). Missing status includes persons:

A. Missing;
B. Missing-in-action;
C. Interned in a foreign country;
D. Captured, beleaguered, or besieged by a hostile force; or
E. Detained in a foreign country against the employee’s will.
100702. Actions by the PRO

A. Upon receipt of an official determination that a civilian employee is in a missing status, return any unclaimed or un-cashed checks to the disbursing area.

B. The PRO retains responsibility for the employee’s pay, leave, and retirement records.

C. The initiation, continuance, discontinuance, increase, decrease, suspension, or resumption of an allotment from the pay and allowances of an employee in a missing status, is authorized when that action is in the interests of the employee, the dependents, or the U.S. See 5 U.S.C. 5563.

1. Allotments authorized by an employee before the missing status began normally are continued for the period of absence.

2. The missing employee’s dependents may receive an allotment of the employee’s pay. Dependent payments cannot exceed the employee’s net pay. The needs of the dependents, the number of dependents and their relationship to the employee, however, should be considered when determining the payment amount. If possible, reserve a reasonable amount each pay period to ensure that the employee will have funds available upon return.

D. The pay and allowances of a missing employee in a captive status may be allotted to an interest bearing savings fund established by the Secretary of the Treasury. See 5 U.S.C. 5569. Captive status means a missing status, which, as determined by the President, arises, because of a hostile action and is a result of the individual’s relationship with the government. All or any portion of the employee’s pay and allowances may be allotted to the extent that such pay and allowances are not subject to an allotment under 5 U.S.C. 5563 as outlined in subparagraph 100702.C.

E. Maintain the pay account on a pay-period basis. Include normal deductions for retirement, FICA, federal and state income tax withholding, FEHB, and FEGLI in the totals for the regular payroll voucher.

F. Establish a special leave account to restore any annual leave forfeited by an employee while in a missing status after January 1, 1965.

100703. Termination of Absence

Do not separate employees while they are entitled to pay and allowances under the Missing Persons Act (see 5 U.S.C. 5561-5568).
A. When an employee returns from a missing status, the PRO must voucher the balance withheld from the employee and furnish a list of allotments started and paid in the employee’s absence. The accounting classification must be charged to what was current when the pay accrued. The employee may initiate any allotment discontinuances or changes for any allotments that may have been started or changed during the absence. The PRO will pay future salaries using normal payroll procedures.

B. When the employee returns from missing status, a statement of the special leave account balance must be furnished to his or her HRO. The employee must elect, in writing, whether payment or credit for the leave is desired. If payment is requested, make the payment at the employee’s rate of pay in effect when the leave was forfeited.

C. When the official notice of the employee’s death or presumed death has been received, actions will be taken as outlined in Section 1004.

D. When the employee returns from missing status, charge the pay adjustment or final settlement including local allotment payments to dependents to the appropriated fund account that bore the employee’s salary.

1008 EMPLOYEES TRANSFERRED TO INTERNATIONAL ORGANIZATIONS

100801. General

An agency may detail or transfer an employee to any organization that the Department of State has designated as an international organization (IO). See 5 U.S.C. 3581-3584 and 5 C.F.R. 352, subpart C. A detail or transfer may not exceed five years; however, this may be extended three additional years upon the approval of the head of the agency. Employees who transfer are entitled to be reemployed in his or her former position, or one of like status, within 30 days of his or her application for reemployment.

100802. Computation of Payments

Under 5 U.S.C. 3582, an employee who transfers to an IO may elect to keep coverage for retirement, FEGLI, and FEHB. The agency continues to make the agency contributions to the funds and the employee’s coverage continues as long as the employee’s share of the payments remains current.

A. The PRO computes the retirement and FEGLI on the rate of basic compensation the employee was receiving at the time of transfer. If these amounts are changed by law or regulation while an employee is serving with an IO, the amounts will be recomputed based on notification from the HRO and the employee and the IO will be notified (if applicable) of the effective date and new amount. For regulations on retirement and FEGLI, refer to 5 C.F.R. 352.309. When the SF 50 data is received showing a step increase, or a general pay increase, the amounts due are recomputed.
B. The PRO computes FEHB based on the cost of the plan of the employee’s choice. If the enrollment cost changes while the employee is serving with an IO, recompute the amount based on notification from the HRO and notify the employee and the IO (if applicable) of the effective date and new amount. For regulations on retirement and FEGLI, refer to 5 C.F.R. 352.309.

100803. Payments from Transferred Employees

The HRO advises transferred employees to make payments for retirement, FEHB, and FEGLI promptly for each pay period. Payments are current if received within three months after the end of the pay period covered by the payment. See 5 C.F.R. 352.309(d). The PRO advises the HRO and carrier for FEHB of any delayed payments. If payments are not timely, coverage terminates on the last day of the pay period for which the required payment was timely received, subject to a 31-day extension of FEGLI and FEHB as provided in Chapter 11.

100804. Accounting for Payments

A *DD Form 1131*, Cash Collection Voucher, is used to deposit, into a deposit fund established for such purposes, amounts received either from the individual or the employing organization. An *SF 1080*, Voucher for Transfers Between Appropriations and/or Funds, or *SF 1081*, Voucher and Schedule of Withdrawals and Credits, is used to transfer the employer’s contribution, if required, from the appropriation which would have been charged for the employee’s pay to the proper deposit fund account. Total amounts (employee payments and government contributions) are included on the Report of Withholdings and Contributions for Health Benefits by Enrollment Code submissions to OPM through the Retirement and Insurance Transfer System (RITS). RITS calculates and tracks obligation due dates and payment timeliness. The employee’s SF 2806 or SF 3100 is posted with the total annual retirement costs paid by the employee. The employee’s status is shown in the Remarks section. The IO keeps the SF 2806 or the SF 3100 for the entire term of employment, unless OPM asks for its submission of the form(s).

100805. Thrift Savings Plan (TSP)

An employee, who transfers to an IO, is not eligible to participate in the TSP while employed by the IO even if they elect to retain federal retirement coverage. However, upon reemployment, an employee who elected to retain federal retirement coverage while employed by the IO and has made all deposits required for such coverage may make contributions to the TSP which they missed as a result of the service with an IO, and receive make-up agency contributions, as provided under 5 C.F.R. 352.311(e).

100806. Leave Account

Employees who are transferred to an IO may elect to receive payment for accumulated annual leave or have it remain to their credit until they return to federal employment. Employees also may request payment at any time before reemployment. The HRO sets the date of separation to allow employees to use all accumulated annual leave that might otherwise be
forfeited. The PRO prepares and delivers an extra copy of the *SF 1150*, Record of Leave Data, to the employee. Upon reemployment, the PRO uses a copy of the SF 1150 to recredit sick leave and annual leave, if applicable. If the employee is paid the balance of his or her leave and is reemployed within six months after transfer, he or she shall refund to the agency the amount of the lump-sum payment. See 5 U.S.C. 3582 and Chapter 3.

*100807. Equalization Allowances*

Equalization allowance provisions that had been at Section 3582(b) of Title 5, U.S.C., were replaced by [*P.L. 105-277, Section 2504*](https://www.gpo.gov/fdsys/pkg/PLAW-105publ277/pdf/PLAW-105publ277.pdf), with a requirement for agencies to provide an employee reemployed after transfer to an IO with the rate of basic pay to which the employee would have been entitled had the employee remained in the civil service. The equalization allowance had guaranteed payments to an employee who transferred to an IO in an amount no less than the amount the employee would have received had the employee been detailed to the IO.

100808. Retirement

An employee who transfers from a position covered by CSRS, CSRS-Offset, or FERS to a public IO may continue retirement coverage for up to five years of such service or up to eight years if authorized by the Secretary of State. See CSRS and FERS Handbook, *Chapter 12*.

1009 AUTHORITY FOR TEMPORARY ASSIGNMENTS

The authority for temporary assignments of employees between executive agencies and State, local, and Indian Tribal Governments, institutions of higher education, and other eligible organizations is found at [5 U.S.C. 3371-3376](https://www.gpo.gov/fdsys/pkg/PLAW-105publ277/pdf/PLAW-105publ277.pdf) and [5 C.F.R. 334](https://www.federalregister.gov/code-of-federal-regulations-volumes). An employee’s pay and leave provisions will be included in the employee’s written assignment agreement as required by [5 C.F.R. 334.106](https://www.gpo.gov/fdsys/pkg/PLAW-105publ277/pdf/PLAW-105publ277.pdf). If procedural problems arise in complying with the assignment agreements, then contact the HRO for guidance.

1010 EMPLOYEES WHOSE WHEREABOUTS ARE UNKNOWN

In the event an employee’s whereabouts are unknown and payment cannot be made to the employee, refer to Volume 5, *Chapter 27* for guidance.
1011 AIR TRAFFIC CONTROLLERS (ATC)

101101. General

ATCs are employees in an ATC facility (i.e., tower, ground-controlled approach, and approach control), actively engaged in the separation and control of air traffic or in providing preflight, in-flight, or airport advisory service to aircraft operations, or the immediate supervisor of any such employee. See DoDI 1400.25-V331, Civilian Air Traffic Controllers.

101102. Overtime

All overtime work scheduled in advance of the administrative workweek on a day containing part of an ATC’s basic 40-hour workweek must be compensated under 5 C.F.R. 550.111.

*101103. Premium Pay

Differential pay is authorized for certain DoD employees. The Secretary of Defense has authorized five percent ATC premium pay under 5 U.S.C. 5546a(a)(1). The payment of the premium is mandatory for Defense ATCs who are in the GS-2152 occupational series and occupy a position no lower than GS-9 at air traffic control centers, terminal or flight service stations. The HRO provides this information to the PRO via an SF 50.

101104. Leave

Leave accruals are based on guidelines published in 5 C.F.R. part 630.

101105. Mandatory Separation

Generally, under 5 U.S.C. 8335(a) for CSRS employees and 5 U.S.C. 8425(a) for FERS employees, an ATC who is otherwise eligible for immediate retirement must be separated from the federal service on the last day of the month in which the employee becomes 56 years of age. However, if the ATC has been granted a waiver of the mandatory separation age based on exceptional skills and experience, an ATC may delay separation until the day he or she becomes age 61. Additionally, an ATC who has received a waiver of the maximum entry age under 5 U.S.C. 3307(b) may delay separation until the last day of the month he or she completes 20 years of service.

101106. Retirement

ATCs have unique retirement deduction percentages for CSRS and FERS coverage. These rates are published by OPM in the CSRS and FERS Handbook, Chapter 30.
1012 PERSONNEL ON LONG-TERM FULL-TIME TRAINING

101201. General

Long-term full-time training is defined as a training period of 120 consecutive workdays or more. See 5 U.S.C. Chapter 41 and 5 C.F.R. 410. Employees on long-term full-time training are authorized payment of salary.

101202. Leave

If salary payments continue during the training period, then annual and sick leave regulations apply. Leave is reported via the time and attendance reporting mechanism and is administered as specified for the following leave types:

A. Annual Leave. Personnel on long-term full-time training shall continue to accrue annual leave. Ordinarily, an employee will be charged with annual leave during school vacation periods that fall on government workdays unless he or she returns to the work site or has made documented arrangements with his or her DoD point of contact to be actively involved in academic work. These documented arrangements should be accomplished well in advance of the vacation periods. Annual leave charges are reported to the PRO on the employee’s time and attendance report. See OPM Training and Development Policy.

B. Sick Leave. Personnel on long-term full-time training shall continue to accrue sick leave. Sick leave should be charged when the person is unable to attend classes due to illness. Such sick leave charges are reported to the PRO on the employee’s time and attendance report.

*1013 EMERGENCY MEDICAL TECHNICIAN (EMT)

101301. General

This section applies to EMTs or paramedics who are not classified as firefighters.

101302. Tour of Duty

EMTs and paramedics work various schedules including the basic 40-hour workweek, compressed work schedules, and uncommon tours of duty. An uncommon tour of duty means an established tour of duty that exceeds 80 hours of work in a biweekly pay period. See 5 C.F.R. 630.201. Schedules and changes to tours of duty for an EMT or paramedic working uncommon tours must be on file in the employing activity/timekeeper site. Sleep and meal time also must be documented. The hourly rate is multiplied by 40 hours, and the base pay and premium pay is based on this weekly rate regardless of the hours in the scheduled tour of duty for that week.
101303. Overtime Computation

A. Standby Duty Pay

1. FLSA Nonexempt EMTs and paramedics are compensated for regularly scheduled overtime hours in excess of 40 hours in a week by the payment of annual premium pay for standby duty plus .5 times the employee’s hourly regular rate for all overtime hours worked. If an EMT performs an additional 24-hour shift during a pay period and the shift is scheduled in advance of the workweek, standby duty pay covers all regularly scheduled overtime hours, but the employee is entitled to .5 times the employee’s hourly regular rate for all overtime hours worked. Sleep and meal periods during regularly scheduled tours of duty are hours of work for EMTs who receive annual premium pay for regularly scheduled standby duty. EMTs and paramedics are compensated for irregular or occasional hours of work in excess of 40 hours in a week by payment of the straight-time rate of pay for all irregular or occasional overtime hours of work plus .5 times the employee’s hourly regular rate of pay times the overtime hours. When an employee works an additional 24-hour shift, which is irregular or occasional overtime work, the “two-thirds rule” will apply. Up to 8 hours of sleep and meal time (from a shift of 24 hours or more) are excluded from irregular overtime hours providing all regulatory conditions under 5 CFR 551.432 are met.

2. FLSA exempt EMTs and paramedics are compensated for regularly scheduled overtime hours in excess of 40 hours in a week by the payment of annual premium pay for standby duty. If an EMT performs an additional 24-hour shift during a pay period and the shift is scheduled in advance of the workweek, standby duty pay covers all regularly scheduled overtime hours. When an employee works an additional 24-hour shift that is irregular or occasional overtime work, overtime is paid in accordance with 5 C.F.R. 550.113 or 5 C.F.R. 550.114. The “two-thirds rule” will apply providing all regulatory conditions under 5 CFR 550.112(m) are met.

B. Compressed Work Schedule. The customary FLSA standard of compensating an employee with overtime pay for all hours of work in excess of eight hours in a day and 40 hours in a week does not apply to an employee covered by a compressed work schedule under 5 U.S.C. 6128. Example: an EMT with a 12-hour day in their schedule will not be entitled to FLSA overtime until they work over the 12-hour schedule for the day.

101304. Charging Leave

One hour (or appropriate fraction thereof) of leave shall be charged for each hour (or appropriate fraction thereof) of absence from the uncommon tour of duty. For additional guidance on leave accruals for EMTs refer to DoDI 1400.25-V630, Leave, and 5 C.F.R. 630.210. When an employee takes 24 hours of leave, eight hours of sleep and meal time for that employee are deducted from actual hours of work under FLSA. Sleep and meal time for days of partial leave must be documented on the time and attendance report so that actual hours of work are shown. Sleep and meal time scheduled during leave periods shall be added to total sleep and meal time so that total hours of actual work and total hours of sleep and meal time will be shown. For employees with uncommon tours of duty established under
5 CFR 630.201 and 5 C.F.R. 630.210, employees may be charged leave for regularly scheduled overtime hours outside the 40-hour basic workweek. Thus, such employees may receive applicable premium pay and FLSA overtime pay during hours of paid leave.

101305. Accruing Leave

The leave accrual rates for such employees shall be directly proportional (based on the number of hours in the biweekly tour of duty and the accrual rate of the corresponding leave category) to the standard leave accrual rates for employees who accrue and use leave on the basis of an 80-hour biweekly tour of duty.

101306. Premium Pay

The amount of the premium pay for the irregular tour of duty shall be determined by the HRO and reported on the SF 50. An EMT employed as an intermittent employee is not entitled to premium pay on an annual basis, nor is he or she entitled to paid leave. An EMT is paid under regular overtime rules. Refer to 5 C.F.R. 551 for additional guidance on pay administration for EMTs under the FLSA.

1014 FIREFIGHTERS

101401. General

Firefighter pay is governed under 5 U.S.C. 5542(f), 5 U.S.C. 5545b, and 5 C.F.R. 550, subpart M. A firefighter is an employee classified in the GS-081 fire protection occupational series, which includes line firefighters, supervisory firefighters and fire inspectors whose regular tour of duty averages at least 106 hours per biweekly pay period. Newly hired firefighters going through initial basic training with a 40-hour basic work week are covered by the GS classification and pay system and classified in the GS-0099 General Student Trainee Series (as required by 5 C.F.R. 213.3202(b)). Uniform allowances may be authorized for firefighters, refer to Chapter 3.

101402. Regular Tour of Duty

The term “regular tour of duty” means a firefighter’s official work schedule as established by the employing agency on a regular recurring basis. The regular tour of duty may consist of a fixed number of hours each week or a fixed recurring cycle of work schedules in which the number of hours per week varies in a repeating pattern. The regular tour of duty includes only those overtime hours that are part of the fixed recurring work schedule. However, irregular hours are deemed included in a firefighter’s regular tour of duty if those hours are substituted for hours in the regular tour of duty for which leave without pay is taken, as provided in 5 C.F.R. 550.1303(d). There are generally two types of official work schedules for firefighters:

A. 24-Hour Shift Firefighters. Most commonly, firefighters work a 72-hour workweek consisting of three 24-hour shifts. These shifts include periods of actual work and
substantial periods of time during which firefighters are in a standby status. In standby status, firefighters are free to eat, sleep, and engage in personal activities, but are confined to the worksite and remain in a state of readiness to perform actual work as required.

B. 40-Hour Plus Firefighters. Other firefighters, (most commonly supervisors) have a regular 40-hour workweek consisting of five eight-hour days in addition to regularly scheduled standby duty (e.g., an extra 16-hour standby shift).

101403. Uncommon Tour of Duty

An agency shall establish an uncommon tour of duty for each firefighter compensated under 5 C.F.R. part 550, subpart M for the purpose of leave use and accrual. The uncommon tour of duty shall correspond directly to the firefighter’s regular tour of duty so that each firefighter accrues and uses leave based on that tour. See 5 C.F.R. 630.210.

101404. Hourly Rate of Basic Pay

The firefighter’s regular tour of duty is used in determining the appropriate pay computation method. Firefighters are paid on an hourly rate basis. A firefighter’s daily, weekly, or biweekly rate of basic pay must be computed using the applicable hourly rates derived under subparagraphs A and B. Premium pay caps apply to the additional non-overtime pay received by firefighters with schedules exceeding the basic 40-hour workweek. Non-overtime pay is considered as basic pay and is not subject to reduction, but is included in the aggregate pay when determining the overtime pay cap. See 5 C.F.R. 550.1305 and 5 C.F.R. 550.107.

A. 24-Hour Shift Firefighters. For firefighters with a regular tour of duty that does not include a basic 40-hour workweek (firefighters whose schedules generally consist of 24-hour shifts with a significant amount of designated standby and sleep time), the hourly rate of basic pay is computed by dividing the applicable annual rate of basic pay by 2756 hours.

B. Basic 40-Hour-Plus Firefighters. For firefighters with a regular tour of duty that includes a basic 40-hour workweek plus additional nonovertime hours, the hourly rate of basic pay is computed by dividing the applicable annual rate of basic pay by:

1. 2087 hours, for hours within the basic 40-hour workweek (or an 80-hour biweekly pay period); and

2. 2756 hours, for any additional nonovertime hours.

C. Training. Firefighters are entitled to pay for their regular tour of duty during training. A firefighter should receive basic pay and overtime pay for the firefighter’s regular tour of duty in any week in which attendance at agency-sanctioned training reduces the hours in the firefighter’s regular tour of duty. This guidance does not pertain to student trainee employees in the GS 0099 series. A firefighter is not prohibited from receiving a higher amount of pay if he or she is entitled to that higher amount based on hours of actual work. See 5 C.F.R. 410.402(b)(6).
101405. Meal and Sleep Time

For firefighters compensated under 5 U.S.C. 5545b, meal time and on-duty sleep time may not be excluded from hours of work.

101406. Overtime Computation

Under 5 U.S.C. 5542, for firefighters compensated under 5 C.F.R. 550, subpart M, overtime work means officially ordered or approved work in excess of 106 hours in a biweekly pay period, or in excess of 53 hours in an administrative workweek if the agency establishes a weekly basis for overtime pay computations. See 5 C.F.R. 550.111(g). Overtime pay is considered part of continuation of pay (COP) for firefighters. Overtime hourly rates of pay are calculated as follows:

A. FLSA Exempt. For a firefighter who is exempt from FLSA, the overtime hourly rate is computed as provided in 5 C.F.R. 550.113(e). Generally, the overtime-hourly rate is capped at 1-1/2 times the GS-10 minimum rate, but the rate may not fall below the firefighter’s own hourly rate of basic pay.

B. FLSA NonExempt. For a firefighter who is covered by nonexempt from the overtime provisions of FLSA, the overtime hourly rate of pay equals 1-1/2 times the firefighters hourly rate of basic pay for that particular firefighter as established under 5 C.F.R. 550.1303(a) or 1303 (b)(2).

101407. Premium Pay

Except for overtime pay in accordance with paragraph 101406, a firefighter is barred from being paid any other premium pay including night pay, Sunday pay, holiday pay, and hazardous duty pay. Premium pay for overtime in the firefighter’s regular tour of duty covered by 5 U.S.C. 5545b is subject to a biweekly limitation rather than an annual limitation. See 5 C.F.R. 550.107.

101408. Leave Accrual

The leave accrual rates for firefighters are established based on an uncommon tour of duty. See paragraph 101403. Leave accrual for firefighters is directly proportional based on the number of hours in the biweekly tour of duty and the accrual rate of the corresponding leave category to the standard leave accrual rates for employees who accrue and use leave on the basis of an 80-hour biweekly tour of duty. One hour or an appropriate fraction thereof of leave is charged for each hour or appropriate fraction thereof of absence from the uncommon tour of duty. See 5 C.F.R. 630.210(c).
101409. Mandatory Separation

A firefighter, who is otherwise eligible for immediate retirement under 5 U.S.C. 8336(c) (CSRS) and 5 U.S.C. 8412(d) (FERS), must be separated from the federal service on the last day of the month in which the employee becomes 57 years of age unless he or she has not yet completed 20 years of service. In that case, the employee shall be separated on the last day of the month in which he or she completes 20 years of service. See 5 U.S.C. 8335(b) and 5 U.S.C. 8425(b).

101410. Retirement

Firefighters have a unique retirement deduction percentage for CSRS and FERS employees. These rates are published by OPM in the CSRS and FERS Handbook, Chapter 30. Percentages of basic pay for withholding and contributions for FERS employees are described at 5 U.S.C 8422(a)(2)(B) and 5 U.S.C. 8423(a)(1)(B). Percentages of basic pay for withholdings and contributions for CSRS employees are described at 5 U.S.C. 8334(a). Additionally, a firefighter’s special retirement coverage provides for an enhanced annuity formula and reduced age/service requirements as follows:

A. CSRS Coverage. Under 5 U.S.C. 8336(c) once an employee reaches 50 years of age and completes 20 years of service as a firefighter or law enforcement officer, or any combination of such service totaling at least 20 years, they are entitled to a special annuity computation as provided under 5 U.S.C. 8339(d).

B. FERS Coverage. Under 5 U.S.C. 8412(d), an employee is entitled to a special annuity computation as provided under 5 U.S.C. 8415(d) after:

1. Completing 25 years of service as a LEO or a firefighter, or any combination of such service totaling at least 25 years; or

2. Reaching the age of 50 and completing 20 years of service as a LEO or firefighter, or any combination of such service totaling at least 20 years.

1015 JUDGES

101501. Administrative Law Judges (ALJs)

A. Authority. Under 5 U.S.C. 3105, the Department may appoint ALJs for proceedings conducted in accordance with administrative procedures under 5 U.S.C. 556-557. These employees may not perform duties inconsistent with their duties and responsibilities as administrative law judges.

B. Pay for ALJs. There are 3 levels of basic pay for ALJs (designated as AL-1, AL-2, and AL-3, respectively) and each ALJ is paid at one of the levels as established under 5 U.S.C. 5372. The ALJ positions are (lowest to highest): AL-3, Rate A; AL-3, Rate B; AL-3,
Rate C; AL-3, Rate D; AL-3, Rate E; AL-3, Rate F; AL-2; and AL-1. The minimum rate for an ALJ (AL-3, Rate A) is set at 65 percent of Level IV of the Executive Schedule. The maximum rate for an ALJ (AL-1) is set at 100 percent of Level IV of the Executive Schedule.

101502. Judges of the U.S. Court of Appeals for the Armed Forces

The U.S. Court of Appeals for the Armed Forces (formerly the U.S. Court of Military Appeals) is established under 10 U.S.C. 941-946. See DoDI 1400.25-V805, Special Retirement and Survivor Benefits for Judges of the U.S. Court of Appeals for the Armed Forces. The President of the U.S., with the advice and consent of the U.S. Senate, appoints the judges for a term of 15 years. The court, consisting of five judges, is located within the DoD for administrative purposes. Washington Headquarters Services (WHS) is the employing office for the judges. For pay purposes, the judges are civilian employees as defined in 5 C.F.R. 213. The judges are entitled to the same salaries and travel allowances as are provided to the judges of the U.S. Courts of Appeals (GS Salary Table, Schedule 7, for Judicial Salaries). The maximum annual salary is that of Level I of the Executive Schedule.

A. Entitlements. Judges are entitled only to regular base pay. Judges are excluded from the leave provisions of 5 U.S.C. 6301(2). As Federal judges under 5 U.S.C. 5541(2)(i), they also are excluded from the provisions of premium pay under 5 U.S.C. Chapter 55, subchapter V.

B. Deductions

1. Judges under CSRS are required to contribute eight percent of basic pay for retirement. Judges under FERS have the same deduction rate as other FERS employees. See the CSRS and FERS Handbook, Chapter 30.

2. The FEGLI for the judges is based on Level II of the Executive Schedule.

3. Judges are subject to the Social Security tax wage base limit as published yearly by IRS. There is no wage base limit for Medicare tax and all covered wages are subject to Medicare tax.

C. Special Retirement and Survivor Benefits for Judges of the U.S. Court of Appeals for the Armed Forces. Upon becoming eligible for retirement, judges may elect to receive a retirement annuity from the DoD Military Retirement Fund (MRF) in lieu of an annuity under CSRS or FERS. See 10 U.S.C. 945. Survivor and former spouse annuities may also be elected. The DFAS-Indianapolis Site serves as the “payroll office” for retiree and survivor entitlements. DFAS shall perform functions such as:

1. Maintaining individual retirement records of individuals who elect annuity benefits under 10 U.S.C. 945;
2. Issuing annuity payments from moneys in the DoD MRF, including the collection of applicable federal and state income taxes, and collections of debts owed the U.S. Government;

3. Arranging with OPM for transfer of moneys, including interest payments authorized under 10 U.S.C. 945(a)(3)(A), from the Civil Service Retirement and Disability Fund (CSRDF) to the DoD MRF;

4. Withholding, as appropriate, contributions from the annuity for payment of FEHB, FEGLI, making correct agency contributions, and transmitting these moneys to the CSRDF;

5. Readjusting the annuity payment when events change the retiree or survivor entitlements;

6. Accounting for retirement moneys received from OPM and disbursing to benefit recipients, insurance carriers, and federal and state tax entities; and

7. Ceasing annuity payment if the employee elects judiciary retirement benefits under 10 U.S.C. 945(g).

D. Notifications. Judges in receipt of an annuity under 10 U.S.C. 945 are responsible for notifying WHS of any dual compensation issues that may arise under 10 U.S.C. 945(f) and/or their election of judicial retirement benefits under 10 U.S.C. 945(g).

E. Senior Judges of the U.S. Court of Appeals for the Armed Forces. Under 10 U.S.C. 942(e), a senior judge who formerly served on the Court of Appeals for the Armed Forces may perform judicial duties for the court. When performing duties, a senior judge is considered an employee or official of the government. A senior judge is paid for each day he or she performs judicial duties in an amount equal to that of a sitting judge. Payment for a senior judge’s service is made in lieu of any retired and annuity pay due the judge. However, a senior judge may continue to receive his or her retired and annuity pay if the senior judge performs non-judicial duties for the court and receives no pay other than per diem and travel expenses. See U.S. Court of Appeals for the Armed Forces Rules of Practice and Procedure.

1016 AUXILIARY CHAPLAINS AND WEST POINT MILITARY ACADEMY CHAPLAIN

101601. Auxiliary Chaplains

Civilian clergy may be assigned to perform essential religious services of the chapel program that are beyond the staffing capabilities of the commissioned officer Armed Forces chaplains. Auxiliary chaplains normally perform their services on military installations. To serve as auxiliary chaplains, civilian clergy must be ordained or accredited by a faith group recognized by the Armed Forces Chaplains Board. They must meet any additional qualifications required by the Armed Forces.
101602. Appointing and Paying Auxiliary Chaplains

A. Auxiliary chaplains may be appointed by the HRO on an intermittent basis. They are paid on a fee basis from the employing activity’s appropriated funds for civilian personnel such as Operation and Maintenance funds. The HRO may appoint auxiliary chaplains under the excepted service authority at 5 C.F.R. 213.3101.

B. Work Schedules. Auxiliary chaplains employed on an intermittent basis have no work schedule. They are paid for religious services performed.

C. Absence and Leave. There is no entitlement for leave.

D. Entitlements. The pay scale for auxiliary chaplains is determined by the employing activity’s HRO. Social Security, Medicare, federal and state income tax withholdings are made in accordance with the tax documents filed by the chaplain. Social Security, Medicare, federal and state income tax withholdings do not apply to chaplains under non-personal service contracts.

101603. West Point Military Academy Chaplain

Under 10 U.S.C. 4337, the President may appoint a chaplain to serve at the Military Academy at West Point. The civilian chaplain is entitled to a monthly housing allowance, in the same amount as the basic allowance for housing (BAH) allowed to a lieutenant colonel and to fuel and light for quarters. However, because utility costs are already factored into the BAH rate, no separate allowance for fuel and light should be paid. The chaplain’s salary is taxable and is subject to the withholding of income, Social Security, and Medicare taxes. The BAH is not subject to the withholding of income taxes under 26 U.S.C. 107 which excludes from a minister’s gross income the value of rental allowances he/she receives for a home. However, Social Security and Medicare taxes shall be withheld from the BAH.

1017 SERVICE SECRETARIES

101701. General

Effective the pay period beginning November 30, 2003, 5 U.S.C. 5504 was amended to allow the Cabinet Secretaries (e.g. the Secretary of Defense) and the Secretaries of the Military Departments to be paid on a biweekly basis.

101702. Time and Attendance

Time and attendance is not reported for Service Secretaries. Accrual or usage of annual, and sick leave is not authorized. Military Department Secretaries are not eligible for premium pay.

101802. Premium Pay

The authority to compensate certain DoD healthcare professionals with additional pay is used to recruit and retain qualified employees in specific medical fields. For additional guidance, see DoDI 1400.25-V540, Pay Pursuant to Title 38--Additional Pay for Certain Healthcare Professionals
101803. Baylor Plan Nurses

Baylor Plan nurses work at DoD Health facilities and are hired to work a “Baylor workweek” consisting of two regularly-scheduled 12-hour tours of duty. The tours are worked entirely between the last day and the first day of the administrative workweek (Friday midnight to Sunday midnight) authorized under 38 U.S.C. 7456. The Baylor workweek is considered to be a full 40-hour workweek for pay and leave accrual purposes. For additional guidance on the Baylor Plan nurses see DoDI 1400.25-V541, Pay Pursuant to Title 38—Special Rules for Nurses Pursuant to the Baylor Plan.

101804. On-Call Employees

Health care professionals are eligible to receive on-call pay when assigned to a work unit that has been officially designated as requiring employees to be on-call. On-call pay is a premium paid to certain professionals for working under circumstances or conditions authorized by 38 U.S.C. 7457. The employee must be officially scheduled to be on-call outside of his or her regular duty hours. An employee, who is excused from regular duty on a holiday, or “in lieu of” a holiday, may be scheduled to be on-call and receive on-call pay.

101805. DoD Physicians and Dentists Covered by the General Schedule

The DoDI 1400-25-V543, Pay Plan for DoD Civilian Physicians and Dentists Covered by the GS, establishes policy and provides guidance to establish the Physicians and Dentists Pay Plan (PDPP) for eligible DoD civilian physicians and dentists (full-time or part-time with tours of at least 20 hours per pay period) at grade GS-15 equivalent or below, who provide direct patient care and services. Every two years, the DVA publishes the minimum and maximum amounts of annual pay for the PDPP in the Federal Register. Under the PDPP, a physician or dentist’s annual pay is the sum of base pay plus market pay. Base pay is the GS rate for the physician or dentist before any deductions and without additional pay of any kind. Market pay reflects the recruitment and retention needs for the specialty or assignment of a particular physician or dentist. Annual pay is basic pay for all purposes, including the computation of retirement benefits, lump-sum annual leave payments, life insurance, TSP, and other benefits. See 38 U.S.C. 7431(f). For further information and a discussion of limitations on market pay, see DoDI 1400.25-V543 and Chapter 3.

1019 LAW ENFORCEMENT OFFICERS (LEOs)

101901. General

LEOs as defined by 5 U.S.C. 8331(20), are employees whose primary responsibility is the investigation, apprehension, or detention of individuals suspected or convicted of offenses against the U.S.
101902. **Premium Pay**

The majority of LEOs are covered by the standard premium pay provisions established in 5 U.S.C. Chapter 55, subchapter V (including provisions that reflect overtime pay entitlements under FLSA for covered nonexempt employees). Premium pay with specific implications for LEOs includes:

A. **Availability Pay.** LEOs who meet the definition of criminal investigators under 5 C.F.R. 550.103 are authorized to receive premium pay in the form of availability pay in accordance with *5 U.S.C. 5545a* and *5 C.F.R. 550.185*. Availability pay was established to compensate the employee for unscheduled duty in excess of a 40-hour workweek based on the needs of the employing agency. An exception under *5 C.F.R. 550.181(b)* allows any Office of Inspector General employing less than five investigators to elect not to cover their employees under the provisions of 5 U.S.C. 5545a. Availability pay recipients are not covered by FLSA. Availability pay is subject to a biweekly limitation under 5 C.F.R. 550.107. Under *5 C.F.R. 550.186*, LEOs receiving availability pay are not entitled to other types of premium pay based on unscheduled duty hours.

B. **Annual Premium Pay for Standby Duty.** The rate of annual premium pay for standby duty is determined by the HRO and forwarded to the PRO via SF 50. (See Chapter 4, Table 4-1 for a list of deductions withheld). Standby duty pay is generally not used for Federal law enforcement employees however, for more information concerning standby duty pay, refer to Chapter 3. Standby duty pay under *5 C.F.R. 550.141* may not be paid to a LEO who is receiving availability pay. See *5 C.F.R. 550.163*.

C. **Overtime Computation.** Overtime work scheduled in advance of the administrative workweek on a day containing part of a criminal investigator’s basic 40-hour workweek must be compensated under *5 C.F.R. 550.111*.

D. **Administratively Uncontrollable Overtime (AUO).** Information concerning AUO for LEOs is located in Chapter 3 and on the OPM website for pay and leave.

101903. **Leave Accrual**

Leave accrual guidance for LEOs is based on the guidelines published at 5 C.F.R. 630.

101904. **Mandatory Separation**

LEOs eligible for immediate retirement must separate from the federal service on the last day of the month in which the employee becomes 57 years of age, unless he or she has not yet completed 20 years of service. In that case, the employee separates on the last day of the month in which he or she completes 20 years of service. See 5 U.S.C. 8335(b), 5 U.S.C. 8425(b), 5 U.S.C. 8336(c), and 5 U.S.C. 8412(d).
101905. Retirement

LEOs have unique a retirement deduction percentage rate for CSRS and FERS employees, which are published by OPM in the CSRS and FERS Handbook, Chapter 30.

1020 MILITARY SEALIFT COMMAND (MSC)

The pay of officers and members of crews of vessels shall be fixed and adjusted from time to time as nearly as is to be consistent with the public interest in accordance with prevailing rates and practices in the maritime industry. See 5 U.S.C. 5348. Hours of work and premium pay policy for MSC civil service mariners are covered by Department of the Navy Civilian Marine Personnel Instruction 610, Hours of Work and Premium Pay, which has been approved by the Department of the Navy's Office of Civilian Human Resources. Base wage and premium pay scales for Military Sealift Command civil service mariners are approved by the DoD Wage Setting Authority, in coordination with OPM.
