CHAPTER 1

GENERAL INFORMATION

0101 AUTHORITY

This volume of the Department of Defense Financial Management Regulation (DoD FMR) is issued under the authority of Department of Defense (DoD) Instruction 7000.14, DoD Financial Management Policy and Procedures, March 3, 2006; Joint Federal Travel Regulations (JFTR), Introduction; and Joint Travel Regulations (JTR), Introduction. This volume provides supplemental instructions on the payment of allowances authorized by the JFTR/JTR. The DoD chartered Per Diem, Travel and Transportation Allowance Committee (PDTATAC) publishes both the JFTR and JTR. The JFTR directly implements the travel and transportation entitlements authorized by law for members of the Uniformed Services and thus has the force and effect of law; therefore, it cannot be waived. The JTR prescribes travel and transportation allowances authorized for DoD civilian employees. The JTR is the DoD’s implementing guidance for the Federal Travel Regulation (FTR) issued by the General Services Administration (GSA).

0102 APPLICATION

The policies and procedures addressed in this volume apply to all personnel traveling under orders funded by the DoD. This includes military members, DoD civilian employees, members of the Reserve Components, dependents on official orders, and travelers on DoD invitational travel authorizations. Individual DoD Component travel implementing guidance remains in use to provide direction for order preparation, office administration, and accounting until a standard travel pay system is implemented at the specific installation.

010201. Additional Procedures

A. Additional procedures pertinent to the U.S. Army are in DFAS-IN 37-1 Regulation, Chapter 10, Travel and Transportation Allowances.

B. Additional procedures pertinent to the U.S. Air Force are in Air Force Instruction 24-101, Passenger Movement.

C. Additional procedures pertinent to the U.S. Navy are available in the Navy Passenger Transportation Manual (OPNAVINST 4650.15A).

D. Additional procedures pertinent to the U.S. Marine Corps are in the Marine Corps Assignment, Classification, and Travel System Manual (ACTS Manual)

010202. Exceptions

Exceptions to the policies and/or procedures in this volume must be authorized by the Office of the Under Secretary of Defense (Comptroller) (OUSD(C)). Requests for exceptions
should be sent through the appropriate DoD Component to the Director, Policy and Performance Management (DFAS-NPF), for approval by the Office of the Under Secretary of Defense (Comptroller) (OUSD(C)).

0103 EFFECTIVE DATE OF CHANGES

See the information on “CHANGES” in the Introductions to the JFTR and JTR for explanations of JFTR/JTR effective dates. The DFAS-NPF releases travel advisories to implement PDTATAAC determinations, if necessary, as well as other procedural and policy changes. These advisories remain in effect until the information is published in a change to this volume.

0104 REFERENCES

Within this volume, paragraph references prefixed with the letter U refer to the JFTR for uniformed military personnel, and those prefixed with the letter C refer to the JTR for DoD civilian employees. Those paragraphs prefixed with the letter T refer to Appendix O in both the JFTR and JTR.

0105 RESPONSIBILITIES

010501. Policies and Procedures

The OUSD(C) has ultimate responsibility for the policies and procedures contained in this volume. The DoD Components may recommend changes, which should be processed through DFAS-NPF for consideration by the OUSD(C).

010502. Recommendations

The DFAS-NPF shall prepare and provide recommendations to OUSD(C) for changes to the policies and procedures contained in this volume.

0106 ROUTING AND FORMAT FOR RECOMMENDING CHANGES

Recommendations for changes to this volume should include a full explanation regarding the need and rationale for the proposed change. When the proposal is the result of an actual situation, the details surrounding the situation are to be provided. Addresses for submission of proposed changes are provided below:

Army: Assistant Secretary of the Army
(Financial Management and Comptroller)
109 Army Pentagon
Washington, DC 20310-0109
NOTE: Recommendations from the Military Services sent directly to the DFAS-NPF without passing through the specified organization above shall be returned without action to the sender.

*0107 REQUIREMENTS FOR REPORTING EMPLOYEE TRAVEL

Federal Agencies are required by the General Services Administration (GSA) to report the use of government aircraft to carry senior federal officials, on a semi-annual basis (*Federal Travel Regulation (FTR) 301-70.906*), and to report all instances of premium class travel when an individual’s transportation accommodations are anything other than coach-class, on an annual basis (*FTR 300-70.100 (Subpart B)*).

010701. Information for Travel on Government Aircraft by Senior Federal Officials Which Must be Reported

Except when a trip is classified, the following information must be reported to the GSA:

A. The person’s name with indication that he/she is either a senior federal official or a non-federal traveler, whichever is appropriate.

B. The traveler’s organization and title or other appropriate descriptive information, e.g., dependent, press, etc.

C. Name of the authorizing agency.
D. The official purpose(s) of the trip.

E. The destination(s).

F. For personal or political travel, the amount that the traveler must reimburse the government (i.e., the full coach fare or appropriate share of that fare).

G. For official travel, the comparable city-pair fare (if available to the traveler) or the full coach fare if the city-pair fare is not available.

H. The cost to the government to carry this person (i.e., the appropriate allocated share of the Federal or Close Air Support aircraft trip costs).

(Note: Further information concerning the GSA’s requirement to report travel on government aircraft by senior Federal officials, to include the Senior Federal Travel Reporting tool, may be found at Senior Federal Travel Reporting Tool.)

010702. Premium Class Accommodations Which Must be Reported

“Other Than Coach-Class (OTCC),” or “Premium Class,” is defined as any class of accommodations above coach-class, (i.e., first-class/business class). When reporting OTCC accommodations to GSA, Agencies are required to separate Business Class from First Class. If an Agency has no OTCC accommodations to report, a negative report must still be filed. Any and all instances of premium class accommodations paid by the government, which includes any premium class accommodations used as part of a multi-leg, or multi-segmented trip which was paid by the government must be reported. Each individual leg/segment of premium class must be reported. A leg/segment of a trip that is not premium class should not be reported.

010703. Premium Class Accommodations Which Do Not Need to be Reported

A. Any premium class accommodation(s) paid by the traveler.

B. Those acquired by the traveler through frequent flier points or benefits.

C. Those which are considered a free upgrade.

D. When the Federal Government pays coach class fares for premium class accommodations.

010704. Negative Reports and Exceptions to Reporting Premium Class Travel

A. Negative Reports. Negative reports must be submitted to GSA annually. The following two conditions permit submission of a negative report.
1. A DoD Component has previously reported first class accommodations, but, for the current reporting period, does not have any premium class accommodations to report; or

2. As a matter of the DoD Component’s policy, premium class accommodations are never authorized.

B. Exceptions to Reporting Premium Class Travel. Data that is protected from public disclosure, by statute or Executive Order, is not required to be reported by Agencies; however, a cover letter must be submitted to the GSA with the following information:

1. Total number of authorized OTCC trips protected from disclosure.

2. Total cost of actual OTCC fares paid that exceeded coach class fare.

3. Total cost of coach class fares that would have been paid for the same travel.

(NOTE: Further information concerning the GSA requirements for reporting Premium Class Travel, including the templates for the report, and negative report, may be found at *Premium Class Travel Report Guidelines.*)
