

CHAPTER 10**DEPARTMENT OF DEFENSE TRAVEL REENGINEERING PILOTS**1001 GENERAL

The Department has designated specific DoD Component organizations to operate under special authority as travel reengineering pilot test sites. Approved test sites have written designations from the OUSD(C). Special entitlement rules have been issued by the PDTATAC for the pilot sites. The JFTR, appendix O, identifies the travel entitlements for military service members supported by a designated pilot site. The JTR, Volume 2, appendix O, provides the travel entitlements for civilian personnel supported by a designated pilot site.

1002 POLICY

Questions of a policy nature regarding travel reengineering pilot test sites should be directed to the OUSD(C), Directorate for Financial Commerce, Crystal Square #4, Suite 201, 1745 Jefferson Davis Highway, Arlington, VA 22202-3402. Additional information can be obtained by telephone at 703-602-0300.

1003 IMPLEMENTATION

Questions concerning acquisition and implementation of the reengineered travel process to be exported to organizations not identified as pilot sites should be addressed to the Project Management Office---Defense Travel System, Crystal Square 4, Suite 100, 1745 Jefferson Davis Highway, Arlington, VA 22202-3402. Additional information can be obtained by telephone at 703-607-1498/2618 or from the Program Manager Home Page: <http://www.dtic.mil/travelink/> or Military Traffic Management Command Home Page: <http://mtmc.army.mil/>.
