SUBJECT: Chapter 9, “Support of International Military Activities,” of Volume 11A of the
DoD Financial Management Regulation 7000.14-R (“DoDFMR”)

Attached is a revised listing of designated administrative agents to support international
organizations. As requested by the Joint Staff, I have designated the administrative agents
responsible for arranging support to U.S. military elements at specific international organizations
located in Europe. In addition, the listing has been corrected so that the Army continues to be
the administrative agent for the Interallied Confederation of Reserve Officers. The designations
are effective immediately. The changes will be included in the next update of the “DoDFMR.”
