CHAPTER 24

INCENTIVE PAY - HAZARDOUS DUTY OTHER THAN AERIAL FLIGHTS

2401 GENERAL

*240101. Purpose

The Secretaries of the Military Departments may offer hazardous duty incentive pay (HDIP) payments to Service members who under competent orders are required to perform duties designated as hazardous, based upon the inherent dangers of the duty and the risks of physical injury. This chapter establishes the policy pertaining to the monetary incentive to Service members who perform these duties.

240102. Authoritative Guidance

The pay policies and requirements established by the Department of Defense (DoD) in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), Title 37. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

*2402 ENTITLEMENT

240201. Eligibility

In order to receive HDIP, a Regular or Reserve Component Service member must:

A. Be entitled to basic pay under 37 U.S.C., section 204 or 206;

B. Be serving under competent orders to perform the hazardous duty; and

C. Be in training, or have completed qualifying training and meet eligibility criteria for the performance of the hazardous duty.

240202. Member of the Reserve Components (RC)

A. A member of the RC on extended active duty (EAD), who is ordered to perform any of the hazardous duties listed in sections 2403 through 2413, is entitled to pay based on the terms of this chapter.

B. A member of the RC on active duty training (ADT), who is ordered to perform any of the hazardous duties listed in sections 2403 through 2413 is entitled to pay based on Chapter 57, paragraphs 570302 and 570401 and Table 24-1, rules 9 through 13.
240203. Payment Method and Amounts

A. Rates. A member who qualifies for HDIP under this chapter is entitled to the rate prescribed for the type of duty performed. The most current rates are in the Hazardous Duty Incentive Pay (HDIP) Rates table on DFAS.MIL.

B. Proration. In the case of a member of the Regular Component, HDIP commences on the date the member reports for, and begins performing an eligible duty in compliance with competent orders. Entitlement ceases on the effective date published in orders for termination of such duty or the date the member is detached from and no longer required to perform the hazardous duty, whichever occurs first. When a member commences hazardous duty on a date other than the first day of a month, or terminates that duty on a date other than the 30th of a month (28th or 29th of February, as appropriate) and otherwise meets the requirements of this chapter for the month, he or she is entitled to a prorated portion of rate of pay for the month. In the case of an RC member, see subparagraph 240202.B

240204. Multiple Payments of HDIP

Service members performing multiple hazardous duties may receive a maximum of three HDIP payments per month. Multiple HDIP is limited to those members required by orders to perform specific multiple hazardous duties necessary for successful accomplishment of the mission of the unit to which assigned. Members must meet minimum requirements for each hazardous duty, unless excepted as provided in paragraph 240206.

A. Aviation Incentive Pay (AvIP) and HDIP. Officers entitled to AvIP and enlisted members entitled to Critical Skill Incentive Pay (CSIP), may receive not more than two types of HDIP under the provisions of this chapter provided the conditions for entitlement have been independently met. Officers and enlisted members entitled to HDIP for flying duty (in lieu of AvIP or CSIP), may receive not more than two other HDIPs under the provisions of this chapter provided the conditions for entitlement have been independently met.

B. Restriction With Regard to Parachute Duty. Only one type of parachute duty payment (regular or military free fall) is authorized for a qualifying period. When a member qualifies for both types of parachute duty, the higher rate of pay is authorized. Unless otherwise restricted by Military Service regulations (for example, restrictions on manning classification), a member who qualifies for a military free fall rate for a month in which the member earlier qualified for the regular rate of parachute pay will be entitled to the difference between the monthly rate of $150 and $225.
240205. Injury or Incapacity Resulting From Performance of Hazardous Duty

Service members qualified for HDIP who are temporarily unable to perform a hazardous duty due to an injury or illness that is not the result of the Service member’s own misconduct may continue to receive HDIP for up to 6 months. Appropriate medical authority determines the cause of the incapacity and the dates thereof.

A. Case-by-Case Exception. On a case by case basis, the Secretary concerned, or designee, may authorize an extension of HDIP payments for up to an additional 6-months, based on the recommendation of the appropriate medical authority. Under no circumstance may HDIP payments continue beyond 12 months from the date of injury or illness.

B. Termination of HDIP. HDIP will be terminated for Service members permanently disqualified or otherwise determined to be no longer eligible to perform hazardous duty by a competent medical authority.

C. Reassignment or Reclassification. Service members reassigned to a new duty assignment or specialty not eligible for HDIP will have their HDIP payments terminated on the date of reassignment or reclassification.

D. Combat Zone. If the injury or illness occurred while serving in a combat zone, hostile fire area, or imminent danger area, the Service member may continue to receive HDIP during his or her hospitalization and rehabilitation in accordance with 37 U.S.C. § 372. See Chapter 13, section 1302 for additional details.

240206. Authority to Issue Orders

Authority of the Military Departments to issue orders requiring performance of hazardous duty is delegated by the Secretaries to specific commanders within each Military Service. These delegations are contained in personnel administrative regulations of the respective Military Services.

240207. Missing Status - Member's Entitlement

A member, receiving an HDIP listed in sections 2403 through 2414, when declared by competent authority to be missing (as defined in the Definitions Chapter), is entitled to HDIP during the period of absence and for any period, not to exceed 1 year, required for hospitalization and rehabilitation after termination of the missing status. The member's entitlement to HDIP, upon termination of any required period of hospitalization and rehabilitation or the 1-year period after date of return from missing status, whichever is earlier, will be contingent on a determination of continued eligibility under section 2402 and the applicable requirements.
240208. Duration of Authority

Unless authorized by Congress, no HDIP payment may be paid after the termination date on the *Duration of Authority* table.

*2403 PARACHUTE DUTY*

240301. Entitlement

A. General. Qualified members are those who have received a designation as a parachutist, including those undergoing training for such designation; who is required by competent orders to engage in parachute jumping from an aircraft in aerial flight, and who meet the minimum performance requirements.

B. Performance Requirements. To qualify for parachute duty pay for a 3-month period the Service member is required to jump at least once during the 3-month period. If a Service member is not able to perform at least one jump in a 3-month period due to reasons beyond the Service member’s control, the Service member may jump twice during a 6-month period, including two jumps within the same month, to maintain pay eligibility for 2 consecutive 3-month periods. The following exceptions are waivers to the 3-month jump rule:

1. Non-availability of jump equipment or aircraft, attendance at military education or training of less than 179 days, or inclement weather. Commanding officers, in the pay grade of O-5 or above, may waive the jump requirement for one jump during a 12-month period. Service members must maintain their proficiency through refresher training in lieu of jumping in order to retain eligibly for parachute duty pay during the waived period;

2. The appropriate commander, grade O-7 or above, may waive the minimum jump requirement when a Service member is unable to perform a jump due to combat operations or being operationally deployed. Upon returning from deployment, the Service member must complete airborne refresher training and jump within 3 months; or

3. Service members must maintain their eligibility for parachute pay through the actual performance of a parachute jump unless the minimum jump requirement is waived. If the Service member does not have a waiver and fails to meet the minimum jump requirement, the parachute duty pay will be discontinued and any overpayment or unearned portion of pay will be subject to repayment in accordance with 37 U.S.C. §§ 373 and 1007.

C. Military Free Fall

1. Service members who qualify for military free fall duty, must perform duty involving parachute jumping, as an essential part of their military duties, in military free fall operations where parachute deployment by the jumper occurs without the use of a static line.
2. Qualifying members are those who have received a designation as a military free fall parachutist, including those undergoing training for such designation; who are required by competent orders to engage in parachute jumping from an aircraft in aerial flight; and who meet the requirements of paragraph 240301. Performance requirements must be satisfied by military free fall jumps.

240302. Parachute Jumps-Leave, Permanent Change of Station (PCS), Temporary Duty Travel (TDY)/Temporary Additional Duty (TAD), or ADT

Qualifying jumps for entitlement to parachute pay will be performed during a period of duty requiring parachute jumping as established by competent orders. Parachute jumps performed under the following circumstances do not qualify a member for entitlement to parachute pay:

A. Parachute jumps performed by any member while on leave or during PCS or TDY/TAD not requiring parachute jumping as an essential part of the duty; and

B. Parachute jumps performed by a member of an RC while on ADT that does not require parachute jumping as an essential part of the duty.

240303. Rates

The HDIP rates for parachute duty are:

A. HDIP for static line parachute jumping is $150 per month (see the Hazardous Duty Incentive Pay (HDIP) Rates table for the most current rate).

B. HDIP for a military freefall parachutist is $225 per month (see the Hazardous Duty Incentive Pay (HDIP) Rates table for the most current rate).

C. HDIP for parachute duty may be paid, provided prescribed requirements are met, only from the date of reporting for duty or training. Service members who arrive after the first day of the month or depart prior to the end of the month and are not on competent orders for a full calendar month will receive a prorated HDIP payment for these months.

2404 FLIGHT DECK DUTY

240401. Entitlement

A. Conditions of Entitlement. A member is entitled to flight deck HDIP (FDHDIP) when the member:

1. Serves on the crew of an eligible air capable ship or an aviation unit operating from such a ship, fixed-wing-aircraft carrier or an aviation unit operating from that type of carrier;
2. Is ordered by competent authority to duty in a billet which requires frequent and regular participation in flight operations; and

3. Participates, within a calendar month, in 4 days of flight operations or their equivalent on the flight deck of eligible air capable ships.

B. Quotas and Billets. The number of members entitled to FDHDIP is subject to the monthly quotas applicable to the eligible air capable ships and type or combination of air units operating from such ships, as promulgated in the Chief of Naval Operations (OPNAV) Instruction 7220.4 series.

C. Members on TDY or TAD. Members on TDY or TAD in the crew of an aircraft carrier or other eligible air capable ship or an aviation unit operating from such a ship may be ordered to flight deck hazardous duty (FDHD) billets. When so ordered, they are eligible for HDIP for the actual period specified in the orders provided they meet the minimal participation requirements for an entire month (4 days of flight operations or their equivalent) within each calendar month.

D. Multiple Payments. Members receiving HDIP for any other type of hazardous duty are not entitled to FDHDIP for the same period.

240402. Specialized Terms

A. Eligible Air Capable Ship. A ship having a flight deck that has been certified to launch or land aircraft under Chief of Naval Operations ship or helicopter facility certification program.

B. Flight Operations. The period of time during which launch and recovery of aircraft are in progress on the flight deck of an eligible air capable ship. It includes the turn-up and movement of aircraft preparatory to launch and the movement and shutdown of aircraft immediately following recovery.

C. Day of Flight Operations. One day of flight operations will consist of a calendar day during which any combination of aircraft takeoffs and/or landings takes place, as specified for each ship by class in OPNAV Instruction 7220.4 series. Four days of such flight operations, or the equivalent thereof, will constitute the basic calendar month qualification criteria.

D. Equivalent of 4 Days of Flight Operations. Any single day or combination of days during a calendar month in which the number of aircraft takeoffs and/or landings equals the monthly total requirement for that class ship in OPNAV Instruction 7220.4 series will constitute the equivalent of 4 days of flight operations.

E. FDHD Billet. A billet that requires frequent and regular participation in flight operations on the flight deck of an eligible (certified) ship as promulgated in the OPNAV Instruction 7220.4 series.
F. Participation. Service members must be present, during flight operations, at an assigned station on the flight deck of an aircraft carrier or a ship other than an aircraft carrier from which aircraft are launched and recovered during flight operations.

*240403. Rates

FDHDIP is paid to eligible members at a rate of $150 per month (see the Hazardous Duty Incentive Pay (HDIP) Rates table for the most current rate). Service members who meet entitlement criteria, but who do not participate in a full calendar month of flight operations will receive a prorated FDHDIP payment. The prorated amount will be determined by multiplying 1/30th of the monthly FDHDIP rate by the number of days the member actually performed in an FDHD billet aboard ship for the partial month.

240404. Commencement and Termination of FDHDIP

Eligibility for entitlement to FDHDIP begins on the date a member is ordered to duty in an FDHD billet. Entitlement eligibility ends on the date the orders to such billet are revoked, or when a member is permanently detached from the aircraft carrier, other eligible air capable ship, or aviation unit, whichever occurs first. Orders may be terminated for other reasons but not for the sole purpose of providing FDHDIP for additional members.

240405. Right to Pay Under Certain Conditions

See Table 24-1.

*2405 DEMOLITION DUTY

240501. Entitlement

A. Condition of Entitlement. A member entitled to basic pay, who is required by competent orders to perform duty involving the demolition of explosives, as prescribed by Military Service regulations, as a primary duty (including training for that duty), is entitled to HDIP under the conditions stated in this section.

B. Duty Involving Demolition of Explosives. Demolition duty is duty performed by members who engage in the following activities under competent orders and as a primary duty assignment:

1. Demolish by the use of explosive objects, obstacles, or other explosives, or recover and render harmless, by disarming or demolishing, explosives that have failed to function as intended or which have become a potential hazard;

2. Participate as students or instructors in instructional training, including that in the field or fleet, for the duties described in subparagraph 240501.B.1 provided that live explosives are used in such training;
3. Participate in proficiency training, including that in the field or fleet, for the maintenance of skill in the duties described in subparagraph 240501.B.1 provided that live explosives are used in such training; or

4. Experiment with or develop tools, equipment, or procedures for the demolition and rendering harmless of explosives, provided that live explosives are used.

240502. Rates

HDIP for demolition duty is $150 per month (see the Hazardous Duty Incentive Pay (HDIP) Rates table for the most current rate). HDIP is payable for any full calendar month, provided the prescribed requirements are met at least one time during the calendar month, or is prorated under subparagraph 240203.B for any portion of a calendar month during which a member under competent orders performs demolition duty.

240503. Performance Requirements

A member, who is assigned to demolition duty by competent orders and performs such duty during the month involved, is eligible for HDIP for that duty provided live explosives are used. Service members failing to meet the monthly minimum requirement for demolition duty HDIP will have their pay discontinued and any overpayment or unearned portion of the pay will be subject to repayment. Local commanders are responsible for ensuring that the finance officer is informed when a member fails to perform the monthly demolition duty required for entitlement to the HDIP.

240504. Right to Pay Under Certain Conditions

See Table 24-1.

2406 EXPERIMENTAL STRESS DUTY

*240601. Entitlement

A. Condition of Entitlement. A member on active duty who is required by competent orders to perform experimental stress duty is entitled to HDIP under the conditions stated in this section.

NOTES:
1. Performance of hazardous duty while on leave cannot be counted for pay purposes.
2. Orders to perform hazardous duty remain in effect when member is being reassigned PCS successively to hazardous duty. If the member cannot be immediately assigned to a hazardous duty position at a new station, orders to perform such duty will be terminated effective the date of arrival at new duty station and HDIP stopped as of that date. When successive assignment does not require hazardous duty as an essential part of military duty at the new permanent duty station, orders to perform such duty will be terminated effective the date of departure from old duty station (or TDY point if performance of hazardous duty is required as an essential part of military duty at the TDY point) and HDIP stopped as of that date. When effective date in the orders terminating hazardous duty is other than the last day of a calendar month and that month's performance requirements have been met, the month's hazardous duty pay will be prorated per subparagraph 240203.B.
3. Parachute pay may not be paid beyond the last day of the calendar month for which requirements are met.
4. ADT includes annual training, special tours of ADT, school tours, and the initial tour performed by enlistees without prior military service.
5. HDIP entitlement for ADT includes time allowed for necessary travel from home to first duty station (See Chapter 1).
6. HDIP for IDT is paid per Chapter 58.
