ADMINISTRATION AND AUDIT SERVICES RATES
FOR THE
NATIONAL AERONAUTICS AND SPACE ADMINISTRATION
FISCAL YEAR 2015

Composite hourly rates and target hour ceilings for contract administration and contract audit services to be provided by DoD activities to the National Aeronautics and Space Administration (NASA) for FY 2015 are as follows:

<u>SUPPORTING DOD COMPONENT</u>	RATE PER DIRECT HOUR	NASA APPROVED TARGET HOURS CEILING ^{1/2/}
Navy	117.38	4,200
Defense Contract Audit Agency (DCAA)	119.79	140,000
Defense Contract Management Agency (DCMA)	107.18	<u>215,000</u>
Total NASA Approved Hours		359,200

Notes:

- 1/ The DCAA and DCMA are responsible for the management and further distribution of the target hour ceiling under their control.
- 2/ The DoD/NASA agreement requires that reimbursements earned are monitored to determine if they are in line with the annual target hour ceiling. Each DoD component is to review billings at least quarterly and report any significant deviations from the assigned hourly target. If a component determines that the target ceiling will be exceeded, the excess hours must be coordinated with the NASA. If the excess hours total, or exceed, 7 percent of the target ceiling, they must notify the Office of the Under Secretary of Defense (Comptroller) Program/Budget to initiate an amendment to the DoD/NASA annual agreement.
