ADMINISTRATION AND AUDIT SERVICES RATES
FOR THE
NATIONAL AERONAUTICS AND SPACE ADMINISTRATION
FISCAL YEAR 2021

Composite hourly rates and target hour ceilings for contract administration and contract audit services to be provided by DoD activities to the National Aeronautics and Space Administration (NASA) for FY 2021 are as follows:

<u>SUPPORTING DOD COMPONENT</u>	RATE PER DIRECT <u>HOUR</u>	NASA APPROVED TARGET HOURS <u>CEILING</u> ^{1/2}
Navy	100.56	1,850
Defense Contract Audit Agency (DCAA)	137.13	43,507
Defense Contract Management Agency (DCMA)	104.86	<u>275,000</u>
Total NASA Approved Hours		320,357

Notes:

- 1/ The DCMA is responsible for the management and further distribution of the target hour ceiling under their control.
- 2/ The DoD Components are to manage within the established ceilings. If a DoD Component determines that the ceiling will be exceeded, the excess hours must be negotiated with and agreed to by NASA no less than 30 days prior to proposing to exceed the cap. This establishes a new ceiling that cannot be exceeded without negotiating another increase with NASA no less than 30 day prior to proposing to exceed the cap. Each DoD component is to review hourly execution and billing with NASA on a quarterly basis and discuss any significant deviations from the assigned hourly target. Any additional NASA reimbursable hours are subject to the availability of funds.
