ADMINISTRATION AND AUDIT SERVICES RATES
FOR THE
NATIONAL AERONAUTICS AND SPACE ADMINISTRATION
FISCAL YEAR 2024

Composite hourly rates and target hour ceilings for contract administration and contract audit services to be provided by DoD activities to the National Aeronautics and Space Administration (NASA) for FY 2024 are as follows:

| <u>SUPPORTING DOD COMPONENT</u> | <u>RATE PER DIRECT HOUR</u> | <u>NASA APPROVED TARGET HOURS CEILING^{1/2}</u> |
|---|-------------------------------------|---|
| Defense Contract Audit Agency (DCAA) | 153.73 | 43,922 |
| Defense Contract Management Agency (DCMA) | 128.31 | <u>225,000</u> |
| Total NASA Approved Hours | | 268,922 |

Notes:

- 1/ The DCAA and DCMA are responsible for the management and further distribution of the target hour ceiling under their control.
- 2/ The DoD Components are to manage within the established ceilings. If a DoD Component determines that the ceiling will be exceeded, the excess hours must be negotiated with and agreed to by NASA no less than 30 days prior to proposing to exceed the cap. This establishes a new ceiling that cannot be exceeded without negotiating another increase with NASA no less than 30 days prior to proposing to exceed the cap. Each DoD component is to review hourly execution and billing with NASA on a quarterly basis and discuss any significant deviations from the assigned hourly target. Any additional NASA reimbursable hours are subject to the availability of funds.
