CHAPTER 20

ASSEMBLY AND TRANSMITTAL OF FINANCIAL REPORTS2001 GENERAL

200101. Purpose. Every disbursing officer (DO) is required to submit several financial reports. These reports support the Department's formal accounting to the United States for all public funds received and spent. They are the basis for the official audit and settlement of accounts by the General Accounting Office. The DO financial reports provide the data by which the Department of Defense (DoD) maintains administrative accounting controls. All documents comprising the financial accounts shall be shipped through the United States Postal Service (U.S.P.S.) mail system (use of registered or certified mail is not required). When the U.S.P.S. is unable to ensure timely delivery of financial reports to the supporting Defense Finance and Accounting Service (DFAS) site, directors of supporting DFAS sites may direct or authorize specific DOs to use alternate private express or air express carriers. Regardless of the method of shipment, the financial accounts shall be shipped under cover of a Transmittal of Statements and Vouchers (DD Form 2666). The Vouchers section of the DD Form 2666 is designed to accommodate both a disbursing office that uses a single series of voucher numbers for all transactions and a disbursing office that uses a separate series of voucher numbers for each type of transaction. An example of DD Form 2666 is shown in Figure 20-1.

200102. Accounting Period. DO financial reports shall be submitted on a calendar month basis (i.e., the first through the last day of a month) except for months during which accountability begins or ends on other than the first or last day of the month. For a new disbursing office, the accounting period shall begin on the first day official business is transacted. When one DO relieves another, the accounting period for the relieved officer shall end on the date of relief. The accounting period for the relieving officer normally shall begin on the date of relief. If the relieving officer effects no disbursing transactions on the date of relief, (other than receipt of funds from the officer relieved), then the beginning of the accounting period may be shown as the day following the date of relief. For the above exceptions, the first day of the accounting period shall coincide with the date of commencement of disbursing duty notification forwarded as required by [Chapter 2](#) of this volume. For any month during which accountability ends because of closing of a disbursing station symbol number (DSSN), the financial reports shall be submitted from the first day of the month through the date of closing. No accounting period ever shall extend beyond the end of a calendar month. Whenever possible, relief or closing of a DSSN should be effected on the last day of a month to prevent the necessity for submission of an additional set of financial reports for that month.

★ 200103. Travel Vouchers. Refer to [Volume 5, Chapter 11](#), "Disbursements" and [Volume 9](#), "Travel Policy and Procedures" of this Regulation for processing and paying travel vouchers.

★ 200104. Use and Distribution of Financial Reports by the DFAS Sites. The applicable DFAS site shall make an administrative examination of the financial reports. Upon

completion of the examination, the DFAS site shall distribute and retain the documents as required. Original financial reports (e.g., Standard Form (SF) 1219, "Statement of Accountability," and disbursement and collection vouchers) shall be maintained for the statutory 6-year 3-month period required by the National Archives and Records Administration General Records Schedule 6 (or authorized extended period needed to complete an audit, investigation, or reconciliation). These original records shall be used as needed for audit and reconciliation purposes. The original records may be retained at the applicable DFAS site or forwarded to the nearest federal records center for retention, as appropriate, based on storage availability at the DFAS site. After the 6-year 3-month retention period, the original records shall be destroyed. See [Chapter 9, Volume 1](#) of this Regulation for retention periods for Foreign Military Sales (FMS) financial reports

★ 200105. Additional Requirement for Quarterly Submission of the SF 1219. Quarterly, and upon relief of a DO, an additional copy of the SF 1219 shall be forwarded to the DFAS Financial Services Office (DFD/KC).

★ 200106. Requirements for EFT Payments and Direct Deposit/Payment Report. An EFT report shall be forwarded monthly by the DFD/KC to the Department of the Treasury. The report will be based on data collected by the DFAS sites and Components DSSNs (for performance management reviews) and will provide the percent of the Department's EFT participation for military and civilian Pay, retiree and annuitant pay, and vendor and travel pay.

NOTE: 10 U.S.C. 2786, as enacted by section 1008 of the "National Defense authorization Act for Fiscal Year 2000," provides that the Secretary of Defense shall exercise the waiver authority with respect to payments made or authorized by the Department of Defense to individuals or classes of individuals for whom compliance imposes a hardship. The authority of the Secretary of Defense has been delegated to the Under secretary of Defense (Comptroller) and redelegated to the Director, Defense Finance and Accounting Service (DFAS).

2002 SUBMISSION TO DFAS-INDIANAPOLIS

200201. General. All DOs assigned to activities using DSSNs obtained for the Army shall submit their financial reports to the DFAS-Indianapolis as prescribed in this section.

200202. Daily

A. Integrated Disbursing and Accounting Offices. The DO's disbursing division shall route the original and appropriate number of copies of all collection and disbursement vouchers, together with the DD Form 2657, "Daily Statement of Accountability," to the accounting office or division for subsequent processing. To avoid the preparation of several additional copies, it is advisable to prepare separate vouchers for each fiscal station when charges and credits to allotments maintained by other fiscal stations are involved. DOs shall take extra precaution to ensure that all copies prepared for distribution are completely legible.

B. Nonintegrated Disbursing and Accounting Offices. The original collection and disbursement vouchers shall be forwarded with the DD Form 2657 to the appropriate accounting office as soon as possible after the close of the business day. The disbursing office shall keep the duplicate copy. To avoid the preparation of several additional copies, it is advisable to prepare separate vouchers for each fiscal station when charges and credits to allotments maintained by other fiscal stations are involved. DOs shall take extra precaution to ensure that all copies prepared for distribution are completely legible.

★ 200203. Monthly. The following documents shall be submitted to support the SF 1219: a copy of the SF 1179, "Month End Check Issue Summary," for the accounting period; a copy of each FMS Form 5206, "Advice of Check Issue Discrepancy," reported in Section II, Part A of the SF 1219; the original of each OF 1017-G, "Journal Voucher," reported in Section II, Part A of the SF 1219; the memorandum copy of all SF 215, "Deposit Ticket," presented or mailed to the depository during the accounting period and included in the amount reported on line 4.2 in Section I, Part A and in Section II, Part B of the SF 1219; the confirmed copy of all SF 5515 included in the amount reported on line 4.2 in Section I, Part A and in Section II, Part B of the SF 1219; the original of all collection, disbursement, or adjustment vouchers, including SF 1098, "Schedule of Canceled or Undelivered Checks," 1080, "Voucher for Transfer Between Appropriations and/or Funds," and 1081, "Voucher and Schedule of Withdrawals and Credits"; the original SF 1149, "Public Voucher for Refunds," for those DOs who draw checks on Limited Depository Accounts (LDAs); and, the original and one copy of the schedule of foreign currency holdings, and U.S. dollars. (NOTE: If the confirmed copy of an SF 215 is received from the depository in the same month in which presented, the confirmed copy shall be used to support the SF 1219). The data on the SF 1219 shall be transmitted to the DFAS-Indianapolis not later than 3 calendar days after the close of the accounting period. The SF 1219 and all supporting documents for an accounting period shall be forwarded to the DFAS-Indianapolis within 10 calendar days after the end of the month, or within 10 calendar days after the date a DO is relieved from disbursing duty. It also is mandatory that the SF 1219 and supporting documents are forwarded on the date shown opposite the signature of the submitting DO on the face of the SF 1219. Dates shown on post office cancellation stamps, or on carriers' receipts for private express or air express shipments, shall be considered prima facie evidence of compliance or noncompliance with the shipping requirements. A DO who is delinquent in submitting accounts shall send a letter with the delayed accounts stating the specific reasons for the delay.

200204. Shipment of Accounts. Documents comprising the accounts of disbursing officers shall be shipped under a cover DD Form 2666, "Transmittal of Statements and Vouchers." Shipments should be made through the U.S.P.S. unless otherwise directed or authorized in accordance with paragraph 200101, above. The use of registered or certified mail for the shipment of financial reports and records is not required. All shipments shall bear outside markings attesting to the number of packages in the shipment. Documents shall be packed in such a manner as to assure arrival in good condition and the size of each package should be limited to accommodate proper and convenient handling. The outside of each package shall show the first and last voucher number contained therein. Each series of vouchers is to be bundled separately in sequential order with each bundle including all vouchers for the accounting period. Documents submitted as part of the financial accounts, which are not

included specifically in the “Forms” or “Vouchers” section of the transmittal, shall be listed in the spaces provided in the “Forms” section. In the “Vouchers” section, the specific types of vouchers (e.g., Reserve Component payrolls, contract and other commercial payments, civilian payrolls and travel advances) shall be listed under the “Type of Transaction” column and shall be keyed to the voucher number series assigned.

200205. Delayed Submission of Voucher Supporting Documents. In instances when voucher attachments are to be forwarded to the DFAS-Indianapolis for association with original vouchers previously submitted, a rubber stamp (or typed legend) shall be affixed to each attachment in the upper right corner of the document and any pertinent data properly shown. The following information shall be shown in the legend: “Attach to Voucher No. _____, Account of _____ Month of _____, Disbursing Station Symbol Number (DSSN) _____.”

2003 SUBMISSION TO DFAS-DENVER

200301. General. All DOs assigned to activities using DSSNs obtained for the Air Force shall submit their financial reports to the DFAS-Denver as prescribed in this section. Those DSSNs assigned to a multi-Service site location shall submit vouchers as directed by the host DFAS site.

200302. Daily. Original collection and disbursement vouchers are used to prepare DD Form 2657. Sort the vouchers by appropriation or fund within the following categories for preparing DD Form 2657: receipts (collections and decrease adjustments to general, special, and trust fund receipt accounts); reimbursements (collections and repayments of appropriation reimbursements, and collections of deposit fund accounts, including adjustments which increase or decrease collections); and net disbursements (disbursements and appropriation refunds). After verification, send the duplicate DD Form 2657 to the functional area designated responsibility for maintaining accounts control. Resort the original vouchers into numerical sequence by functional area. All collection vouchers shall precede disbursement vouchers. Do not intermingle disbursement and collection vouchers. Place the original vouchers in sequence in vaults or safes if space permits. While the vouchers are stored, they may be removed to make corrections or add supporting documents. Do not change the accounting classification or amount on any original for-others vouchers if the accountable station copy has been mailed. If a correction is made on a voucher, correct or adjust all voucher copies and all records affected. To ensure this is done, reverify all posting for the date of the voucher. The reverification may be confined to the appropriations involved; however, recheck all transactions for those appropriations in all funds and cash records. Since a lost original voucher could result in a DO loss of funds, access to these vouchers shall be controlled. The DO is responsible for adopting receipt-type controls that shall assure no vouchers are lost and that all vouchers are returned in time for shipment to the DFAS-Denver or other designated locations. Vouchers shall be prepared in the number of copies needed for distribution prescribed for the type of transaction. At a minimum, prepare two copies of each voucher. A duplicate copy of each voucher shall be returned to the applicable functional area to record and support entries in the appropriate accounting records. The functional area shall retain the duplicate copy of all disbursement and

collection vouchers for the current and one prior fiscal year. Additional copies are furnished to other functional areas when the type of voucher transaction involves those areas.

200303. Monthly

A. SF 1219 (Statement of Accountability). Each DO shall prepare an SF 1219 in an original and two copies for each accounting period. The SF 1219 is submitted as an integral part of the Air Force RCS: HAF-ACF(M)7113 Report. The original and duplicate copies are forwarded to the accounts control element for transmission to the DFAS-Denver. The original SF 1219 and supporting schedules and papers are forwarded to DFAS-Denver on the date shown opposite the signature of the DO in the certificate on the face of the SF 1219. Do not hold documents for shipment on a later date unless the SF 1219 is a final report. Reports for DOs relieved before the end of month are submitted at the end of the month with the reports of the successor. Failure to comply with submission requirements causes the DO to be declared delinquent in the submission of accounts. The above submission requirements pertain to all DOs, govern without exception and apply whether the end of the accounting period falls on or before the last day of the month. In addition to the certification date of the SF 1219, the DFAS-Denver considers dates shown in post office cancellation stamps and in carrier's receipts for railway express and air express shipments, as prima facie evidence of compliance or noncompliance with the forwarding requirements. Each DO delinquent in rendering accounts shall send a letter with the belated account stating specifically the reasons for the delay in submission.

B. Vouchers. Financial Services Offices (FSOs), and Air National Guard activities shall remove all original vouchers from storage at the end of each month for submission to the DFAS-Denver (DFAS-DE/PMLR). The DFAS sites shall keep their original vouchers for 2 years (current year plus one prior year) and, at the end of second year, remove the vouchers from storage for submission to the supporting federal records center. Before packaging, all activities shall inventory the vouchers to ensure that: (1) no vouchers are missing, (2) there is an accounting for unused and duplicate voucher numbers, (3) agent vouchers are cross-referenced, and (4) vouchers are in numerical sequence by functional area. When the documents are shipped, all collection vouchers shall precede disbursement vouchers. Foreign Military Sales vouchers shall be segregated from other vouchers. All activities shall send a copy of the DD Form 2666 or system-generated letter of transmittal to DFAS-DE/PMLR by the 6th workday following the month being reported.

C. Shipment of Documents. Original vouchers required to be sent to the DFAS-DE shall be shipped by the sixth workday following the month being reported. Records sent to DFAS-Denver are held 1 year and then sent to the Denver Federal Records Center (DFRC) for storage and eventual destruction. The records shall be sent for storage in boxes that comply with the DFRC requirement (i.e., GSA stock number NSN 8115-00-117-8249). The white boxes are storage boxes; they are not shipping boxes. Shipment shall be made by a method that does not destroy the storage box and maintains accountability. An acceptable method of shipment is traceable, takes less than three weeks to arrive, and considers cost and safety factors. All documents comprising the financial accounts shall be shipped under a

covering DD Form 2666. Documents that are not included specifically in the Forms or Vouchers sections of the transmittal shall be listed in the spaces provided in the Forms section. In the Vouchers section, list the specific type of vouchers (e.g., military pay, commercial services, material or travel) by functional area in the Type of Transaction column.

D. Delayed Submission of Supporting Documents. This section applies to FSOs, and National Guard activities only. Mail to the DFAS-Denver any documents (e.g., certificates, advice of collections, purchase orders) that support vouchers or SF 1219 previously shipped to DFAS-Denver. Place a rubber stamp imprint and annotate date forwarded to the DFAS-Denver on the face of each document and on the face of the retained copy. Prepare a separate cover sheet for each, showing the following information: “Attach to voucher no: (voucher number); Month: _____; DSSN _____; Date Forwarded to DFAS-Denver: _____.” (Note: If a document is to support the SF 1219 instead of a voucher, modify the voucher number to read “SF 1219”).

2004 SUBMISSION TO THE DFAS-KANSAS CITY

200401. General. All DOs assigned to activities using DSSNs obtained for the Marine Corps shall submit their financial reports to the DFAS-Kansas City as prescribed in this section.

200402. Daily. At the end of each business day, the DD Form 2657 is prepared using the collection and disbursement vouchers processed that day. After completion and balancing of DD Form 2657, the financial information is electronically transmitted to the DFAS-Kansas City. The original vouchers and documents are stored in the vault or safe until the end of the month.

200403. Monthly. The DFAS-Kansas City shall receive all financial reports by the close of business on the second working day of each month. Consolidated financial reports for the Marine Corps shall be forwarded to the DFAS-Kansas City for incorporation into the Department of the Navy reports. In an effort to accelerate transmission of data to the DFAS-Kansas City, the Marine Corps Data Network (MCDN) shall be used for transmitting financial data by bulk transfer. Closeouts shall be conducted on the last business day of the month. This requires close coordination between the disbursing office, data processing offices, and commanders to ensure the timely transmission of DO financial reports within established timeframes. The distribution of original documents and required copies comprising the financial reports is shown in Table 20-1. In addition, deployed DOs shall submit a message report on the first workday following the end of the accounting period to summarize the disbursement and collection transactions for the month. If operation MINIMIZE on message traffic is in effect, the report shall take precedence over MINIMIZE and shall be transmitted, as required.

A. Relief of DO. When a change in DO is effected on other than the last day of a month, the message report shall be submitted as prescribed in the following subparagraphs.

1. The relieved DO shall submit the message report no later than the first workday following the date of relief. The report shall include all transactions for which the relieved DO is accountable, from the first day of the accounting period through the date of relief. The report also shall identify the relieving DO and contain a statement that the relieving DO shall submit an additional report at the end of the accounting period.

2. The relieving DO shall submit the message report on the first workday following the end of the accounting period. The report shall include only the transactions from the date discharging duty commenced through the end of the accounting period. The report shall contain a statement identifying the DO relieved and that the relieved DO reported partial month transactions that are not included in the instant report.

B. Preparation of Message Report

1. Disbursements and Collections. The message report is entitled “DISBURSEMENTS AND COLLECTIONS” and is the basis for reporting to the Treasury Department the net of disbursements by appropriation and subhead (if any). Transactions shall be reported by category code, appropriation and subhead (if any) and, if appropriate, by program element, budget project, reimbursement source code, and amount (do not round off). Category codes that are used for this purpose are shown below. The net total of category codes 1 through 4 shall equal the total net disbursements reported for line 4.1 of the message and the amount reported on line 4.1 of Section I, Part A, of the original SF 1219.

Code	Category
1	travel vouchers
2	civilian payrolls
3	military payrolls
4	all other vouchers

C. Report Format. At least three spaces shall separate each column (or sub-column) in the body of the message. The report shall be submitted in a format similar to that shown by Figure 20-2.

D. Assembly of Advance Reports. Copies of collection and disbursement vouchers and military payrolls required to be submitted with the advance financial reports shall be filed in separate folders (annotated to indicate contents) by groups, as follows: Army and Air Force disbursement vouchers and military payrolls; Navy appropriations, transaction type codes for stores or plant property; collection vouchers; and all other types of vouchers.

E. Assembly of Original Documents. DOs shall submit original vouchers and payrolls in numerical sequence by groups as follows: collection vouchers, travel vouchers, civilian payrolls, military payrolls, and all other vouchers.

F. Packaging. Place copies of documents and vouchers in separate folders from the originals when packaging the original and advance returns. The SF 1219 and supporting schedules and reports shall be attached securely and placed in separate folders from the vouchers, payrolls and pay receipts. Individual cash receipts shall not be fastened to payrolls but shall be placed in envelopes that are annotated to reflect the contents with appropriate identifying information. Each folder shall be annotated to show a descriptive notation as to the type of vouchers, the name and rate/rank of the DO, DSSN, and the accounting period.

G. Mailing. Mail advance reports by the second workday of the month following the end of the accounting period. Mail the original reports as soon as possible, but no later than the fifth workday of the month following the accounting period. All documents that comprise the financial accounts shall be shipped under a cover DD Form 2666 through the U.S.P.S. unless otherwise directed or authorized in accordance with paragraph 200101, above. The use of registered or certified mail for the shipment of financial reports or records is not required. Documents submitted as a part of the financial accounts that are not included specifically in the Forms or Vouchers section of the transmittal (e.g., schedule of deposit activity, foreign currency report, civilian payroll certification sheets or payrolls) shall be listed in the spaces provided in the Forms section. In the Vouchers section, list the inclusive disbursement and collection vouchers numbers.

200404. Transmittal of Subsequent Information and Outstanding Vouchers. Vouchers or explanations (in voucher form) required to complete an account, which were not available when original reports were forwarded, shall be forwarded as soon as possible. Each voucher or explanation shall be forwarded with a cover sheet containing a brief description of the document or explanation. The voucher number, date, DO name, DSSN, and accounting period to which it pertains shall be identified on each document or explanation forwarded.

2005 SUBMISSION OF FINANCIAL REPORTS TO THE DFAS-CLEVELAND

200501. General. All DOs assigned to activities using DSSNs obtained for the Navy shall submit their financial reports directly to the DFAS-Cleveland or through a designated DFAS field site as prescribed in the following paragraphs.

200502. Submission of Financial Reports and Vouchers on a Daily Basis. All nontactical DOs (Ashore, Inconus and Outconus) shall submit financial reports daily to the Central Reporting Office, (CRO), Code AHAD, DFAS-Cleveland, through the Defense Financial Reporting and Reconciliation System (DFRRS). Tactical DOs without access to the DFRRS shall submit hard copy reports to the DFAS-Cleveland.

200503. Reports Rendered Daily. The DD Form 2657 shall be prepared in duplicate, as a summary of all daily transactions and a report of balances at the end of each business day, as prescribed in [Chapter 19](#) of this volume. The original shall be certified by the DO. Not later than the first working day following the date on which transactions occur, a copy of the DD Form 2657 shall be faxed or hand-delivered to the CRO at the DFAS-Cleveland. The

DD Forms 2657 shall not be accumulated for several days for forwarding at this time. It is not necessary, however, to prepare the DD Form 2657 for days in which there are no transactions. On the first DD Form 2657 prepared following the day(s) in which no transactions occurred, the notation “No business on (dates)” shall be indicated at the top of the form. On the last business day of an accounting period, a complete DD Form 2657 shall be prepared and submitted. The last DD Form 2657 for the month shall be marked “FINAL DD Form 2657 FOR MONTH OF (insert month).” Table 20-2 is provided to show the daily distribution and transmittal of documents to the DFAS site. Each daily DD Form 2657 and all supporting documents shall be sent under a covering DD Form 2666. Documents submitted as a part of the daily financial reports which are not specifically included in the Forms or Vouchers section of the transmittal (e.g., the DD Form 2657, payroll numbers, or payroll certification sheets) shall be listed in the spaces provided in the Forms section. In the Vouchers section, list the inclusive disbursement and collection vouchers numbers.

200504. Reports Rendered Monthly. All DOs assigned to Naval vessels and tactical units (or DOs without access to DFRRS) shall forward monthly financial reports on the first workday following the close of the accounting period. Reports that have been completed on the first workday after the close of the accounting period shall not be considered late or delinquent if a delay is caused by the lack, or inadequacy, of postal or shipping facilities. If the reports are not completed on the first workday after the close of the period, a written explanation of the delay shall be furnished with the reports.

A. By DOs Required to Submit Daily Reports. All reports and supporting documents required to be rendered monthly as indicated in Table 20-2 shall be delivered by hand, or placed in the mail, not later than the first working day following the close of the accounting period. If the end of the month reports are mailed, they shall be postmarked not later than the first working day of the succeeding month rather than merely placed in station mail channels by that date. If the DO encounters any delay in transmitting month-end reports, the DO shall telephone the DFAS site to advise of the delay. Arrangements then should be made to ensure inclusion of the DO’s transactions in the DFAS site’s reports. All documents comprising the month-end reports shall be shipped under a covering DD Form 2666. Documents that are not included specifically in the Forms or Vouchers section of the transmittal (e.g., the DD Form 2657 for the last business day of the month, payroll numbers report, schedule of deposit activity, foreign currency report or civilian payroll certification sheet) shall be listed in the spaces provided in the Forms section. In the Vouchers section, list the disbursement and collection voucher numbers.

1. SF 1219, Statement of Accountability. Except as provided herein, the DO shall prepare and certify the SF 1219 in the manner prescribed in [Chapter 19](#) of this volume. The SF 1219 shall be prepared in triplicate. The words, “For inclusion in the consolidated account of (insert name of DFAS site and DFAS site DSSN),” shall be inserted in the upper right corner. The original and one copy shall be forwarded to the DFAS site and one copy shall be retained by the DO.

2. Check Issue Reports. DO check issue reports shall be submitted as prescribed in [Chapter 9](#) of this volume based on the type of submission capabilities available to the DO.

3. Navy Working Capital Fund Summary Schedules. DOs at industrial-commercial activities shall prepare a summary schedule of disbursements and a summary schedule of collections for the Navy Working Capital Fund account of the activity, unless otherwise officially exempted by the Director, DFAS. The summary schedules shall be prepared on letterhead. In preparing the summary schedules, show only the beginning and ending Navy Working Capital Fund voucher or collection document numbers and total amount of the payment or collection. There is no need to list individual vouchers and names of payees and remitters. The summary schedule of collections shall include all collection documents covering credits to the Navy Working Capital Fund account of the activity including SFs 1096 and 1098. A recapitulation shall be made on the summary schedule of collections to show amounts received by voucher deductions, canceled checks, and other collections. The original and one copy of each consolidated schedule shall be forwarded to the DFAS site with the SF 1219 and disbursement and collection vouchers.

B. By DOs Assigned to Naval Vessels and Tactical Units

1. General. All DOs assigned to Naval vessels and tactical units shall submit financial reports on a monthly basis to the DFAS sites at Norfolk, VA or San Diego, CA (based on homeport of the vessel or unit). The distribution and packaging of required documents comprising the monthly financial reports of DOs (except those DOs required to submit financial reports on a daily basis) are shown in Table 20-3. All documents comprising the financial accounts shall be shipped under a covering DD Form 2666. Documents submitted that are not specifically included in the Forms or Vouchers section of the transmittal (e.g., schedule of deposit activity, foreign currency report, civilian payroll certification sheets or payroll numbers) shall be listed in the spaces provided in the Forms section. In the Vouchers section, list the disbursement and collection voucher numbers.

2. Assembly

a. General. Separate and package the documents as prescribed in the distribution directions shown in Table 20-3. In preparing the reports for transmittal, documents shall be grouped (unfolded and flat) and arranged in packages as indicated below. Each package shall be numbered serially and appropriately labeled as to contents. Packaging material may be any of the following or their equivalent, dependent on the number of documents to be included in each package: heavy envelopes; folders (envelopes or wallet type); or cardboard backings with the package tied together with cord or tape.

b. Original Documents (Package No. 1). This package shall contain the original and 1 copy of the SF 1219 and supporting documents (but separately packaged pay receipts). The SF 1219 and supporting documents shall be grouped in the following sequence: SF 1219, SFs 215 and 5515, collection vouchers, Navy payrolls and money

lists, Marine Corps payrolls and money lists, disbursement vouchers, SF 1179, foreign currency certificates (see [Chapter 13](#) of this volume), civilian payroll certification sheets, and civilian labor roll summary. All collection and disbursement vouchers shall be grouped by type with separate adding machine tapes. Within each group, arrange vouchers in numerical sequence. Tapes for collections and disbursements shall be prepared and the totals shall be verified with the SF 1219 to ensure the completeness of the package. The tapes shall be marked and attached to the original SF 1219.

c. Copies (Package No. 2). A separate package shall be used for copies of documents as shown in Table 20-3.

d. Civilian Pay Receipt Packages. Pay receipts shall be arranged in order of their appearance on the civilian payroll and shall be packed in a separate package appropriately identified for each civilian payroll.

3. Packing. The DO financial reports shall be packed in a manner consistent with their bulk and the conditions under which shipment is made. When practicable, the reports shall be forwarded in one parcel or box. Heavy cardboard boxes provide ample protection and shall be used except when the additional protection of hard-sided boxes may be required on shipments from overseas or if rough handling of the boxes in transit may be expected. If reports are forwarded in several boxes, each shall be assigned a number and marked to indicate the number of boxes shipped and the number of the box, such as “No. 1 of 3.” Each parcel or box shall be marked in the upper left corner with the name of the DO, DSSN, station, and department concerned. Under this information shall be shown “Financial reports for (insert month and year).”

4. Shipment. When not in excess of weight and size limitations imposed by the U.S.P.S., reports may be forwarded by mail. DOs submitting reports to a DFAS site shall forward reports by this method unless it has been proven unreliable or unduly slow in the past. In the upper left corner, under the return address, all mailing covers shall bear the printed statement “Official Business.” To avoid customs inspection delays, reports from overseas and deployed DOs shall have the following information prominently displayed on the outer wrapper of the reports: “Government Financial Reports Due in (insert city, state) by (insert date). Please Expedite.” The use of registered or certified mail for the transmittal of financial reports is not required. When the U.S.P.S. cannot be used due to size or weight limitations imposed, other transportation media may be employed as prescribed in the Naval Supply Systems Command Manual.

5. Submission of Financial Reports to the Navy Supply Corps School. Annually, DOs assigned to Naval vessels shall submit a copy of the SF 1219 and SF 1179 prepared to cover the accounting period ending September 30 to the Navy Supply Corps School (424), Athens, GA 30601.

200505. Transmittal of Subsequent Information and Outstanding Vouchers. Vouchers or explanations (in voucher form) required to complete an account, which were not available when original reports were forwarded, shall be forwarded as soon as possible. Each voucher or explanation shall be forwarded with a cover sheet containing a brief description of the document or explanation. The voucher number, date, DO's name, DSSN and accounting period to which it pertains shall be identified on each document or explanation forwarded.

200506. Special Accountability Reports

A. General. All DOs assigned to Naval vessels and tactical units that submit financial reports to the DFAS-Cleveland through the DFAS sites in Norfolk or San Diego shall submit a message report SF 1219 and schedule of disbursements and collections as prescribed herein. Negative reports are required. The message report shall be submitted on the first workday following the end of the accounting period. If operation MINIMIZE on message traffic is in effect, the report shall take precedence over MINIMIZE and shall be transmitted as required.

B. Relief of DO. When a change in DOs is effected on other than the last day of a month, the message report shall be submitted as prescribed in the following subparagraphs.

1. The relieved DO shall render the message report no later than the first workday following the date of relief. The report shall include all transactions for which the relieved DO is accountable from the first day of the accounting period through the date of relief. The report also shall contain a statement identifying the relieving DO and that the relieving DO shall submit a further report at the end of the accounting period.

2. The relieving DO shall render the message report on the first workday following the end of the accounting period. The report shall include only the accountability assumed from the relieved DO and the transactions from the date disbursing duty commenced through the end of the accounting period. The report shall contain a statement identifying the DO relieved and that the relieved DO reported partial month transactions that are not included in the instant report.

C. DO Temporarily Ceases to Transact Business. Under certain circumstances, such as overhaul or emergency repairs, DOs assigned to Naval vessels may be required to discontinue temporarily the processing of disbursement and collection transactions. Generally, the DO shall make arrangements for a nearby nontactical DO to process these transactions (including payrolls) during the overhaul or repair period. Such events do not close the DSSN and the DO shall continue to prepare and submit all required reports including the message report. When a DO temporarily ceases to transact business, but does not close the disbursing account, the message report shall be submitted as prescribed in the following subparagraphs.

1. Immediately upon transfer of disbursement and collection transaction responsibility from DOs assigned to Naval vessels or tactical units to a nontactical

DO, the transferring DO shall submit the disbursements and collections portion of the message to report all disbursement and collection transactions performed from the first day of the accounting period through the date of transfer. The report shall identify the period for which the report is made. The report also shall identify the DSSN of the disbursing office to which the work is transferred and include an estimate as to when processing of disbursement and collection transactions is anticipated to resume.

2. On the first workday following the end of the accounting period during which the responsibility for disbursement and collection transactions is transferred, the DOs assigned to Naval vessels and tactical units shall prepare the Statement of Accountability portion of the report in the usual manner. The disbursements and collections portion of the report shall be negative and shall contain a statement referencing the message report submitted in compliance with the preceding subparagraph.

3. Immediately upon resuming disbursing operations, the DO shall notify the appropriate DFAS site by message of the date operations are resumed and the DSSN of the disbursing office from which the responsibility was retrieved (if different from the initial DSSN to which transferred).

4. Nontactical DOs who receive or transfer disbursement and collection transaction responsibility, as described in the preceding subparagraphs, immediately shall notify the appropriate DFAS site by message of the date and DSSN of the disbursing office from or to which the responsibility is received or transferred.

D. Preparation of Message Report SF 1219 by DOs Assigned to Naval Vessels and Tactical Units

1. Statement of Accountability. The portion of the message entitled "STATEMENT OF ACCOUNTABILITY" reports the DO's accountability for the month. After DD Form 173/2 (Joint Message Form) is typed and again immediately after the message has been transmitted, the DO shall review and balance the report to ensure there are no errors and that it agrees with the original SF 1219. Normally, the message report is used by the DFAS site as the basis for subsequent reporting to the Treasury Department; therefore, once a properly balanced message report has been transmitted, no subsequent changes to the message report are permissible unless specifically authorized by the appropriate DFAS site or the CRO at the DFAS-Cleveland. The original SF 1219 submitted for the accounting period shall agree with the message report transmitted. If any change (e.g., another deposit, disbursement or collection voucher) is discovered after a balanced message report has been transmitted, the DO shall not include that change in the original SF 1219, but shall report that change in the financial report for the following month. Any lines with zero dollar values shall be omitted. Do not round off any figures.

a. Transactions During Period Affecting Accountability. Normally, only lines 1.00, 2.1, 4.1, 4.2, and 5.00 (including ending foreign currency balances, if any) from Section I, Part A of the original SF 1219 shall be reported. Lines 2.37 and 4.37 of the original SF 1219, however, shall be included in the report in all cases where DOs at nontactical overseas disbursing offices are authorized to use lines 2.37 and 4.37 on the original SF 1219.

b. Analysis of Incumbent Officer's Accountability. From Section I, Part B of the original SF 1219, report each line number used (including foreign currencies held, if any).

c. Analysis of Predecessor Officer's Accountability. From the original SF 1219, Section I, Part C, DOs at nontactical overseas disbursing offices shall report each line number used. DOs assigned to tactical units and Naval vessels shall report only line 11.0 from this section of the SF 1219.

d. Checks Issued and Adjustments for Prior Periods. From the original SF 1219, Section II, Part A, report detailed data by column number. Adjustment month and year of issue shall be shown as YYMMDD (e.g., issue of May 2000 shall be shown as 000500). Negative amounts of adjustments shall be shown in parentheses (e.g., negative adjustment of \$2.00 shall be shown as (2.00)). The total reported for Column 5 shall equal the amount reported for line 2.1 of the message and the amount reported on line 2.1 of Section I, Part A of the original SF 1219. This amount also must be the same amount that is reported on Line 3 in the Summary portion of the SF 1179.

e. Deposits Presented or Mailed to Bank. The message portion of Section II, Part B shall be in columnar form with headings for: deposit ticket or debit voucher (DT/DV), document number (NUMBER), date presented or mailed to bank (DATE PRESENTED/MAILED TO BANK) and amount (AMOUNT). The SF 215 and SF 5515 shall be listed without regard to prior month or current month. Each SF 215 shall be listed by identity (DT), document number (block 1 of SF 215), date presented or mailed (block 2 of SF 215) and amount (block 4 of SF 215). Each SF 5515 shall be listed by identity (DV), document number (block 1 of SF 5515), document date (block 2 of SF 5515) and amount (block 4 of SF 5515). Dates shall be shown as YYMMDD (e.g., a deposit presented on January 18, 1993, shall be shown as 930118). Debit amounts shall be shown in parentheses (e.g., a debit voucher for \$250.00 shall be shown as (250.00)). The total of all deposits presented or mailed, minus all debit vouchers shall equal the amount reported for line 4.2 of the message and the amount reported on line 4.2 of Section I, Part A, of the hard copy SF 1219. This amount also must be the same amount that is reported on line 3 in the Summary portion of the SF 1179.

2. Disbursements and Collections. The message report portion entitled "DISBURSEMENTS AND COLLECTIONS" is the basis for reporting to the Treasury Department the net of disbursements by appropriation and subhead (if any). Transactions shall be reported by category code, appropriation and subhead (if any) and, if appropriate, by program element/budget project and/or reimbursement source code, and amount. (Note: Do not round

off). Category codes for this purpose are shown below. The total of category codes 1, 4, and 6 minus the total of category codes 7 and 8 shall equal the total net disbursements reported for line 4.1 of the message and the amount reported on line 4.1 of Section I, Part A, of the original SF 1219.

Code	Category
1	public vouchers
4	military payrolls
6	civilian payrolls (list UIC number on reference line of message report)
7	collections not covered under code 8
8	collections from ships' stores deployed in foreign waters (applicable to Naval vessels that have visited or shall visit at a foreign port during a tour).

E. Report Format. At least three spaces shall separate each column (or sub-column) in the body of the message. The report shall be submitted using the format shown in Figure 20-2.
